Dear Property Owner,

In accordance with Amendment 79 (formerly Amendment 2) of the Arkansas Constitution, property owners are eligible for up to a \$500 credit on real estate taxes, which applies to their homestead property. Additional benefits (the assessment on your house and associated land may not increase unless you make substantial improvements) may apply to those who are 100% disabled or age 65 or older. A homestead is a property that you are owner of record, which is your principal place of residence.

In order to correctly apply credit, the Faulkner County Assessor's Office is respectfully requesting assistance. By answering the following questions and returning the form to us, we will be able to determine if you are eligible for the credit and/or the additional benefits.

Please place an X for each correct answer

2. _____ I am the owner of record of the property listed in the box above, but it is NOT my principal place of residence.

7. _____ I have transferred deed of this residence but retained a life estate.
