Name, Title, Address and Principal Place of Business for Plan Trustees:
Faulkner County
801 Locust Street
Conway, AR  72032
501-450-4900

Eligibility Requirements:
For detailed information regarding a person's eligibility to participate in the Plan, refer to the following section: Eligibility, Enrollment and Effective Date

For detailed information regarding a person being ineligible for benefits through reaching Essential Health Benefit/non-Essential Health Benefit maximum benefit levels, termination of coverage or Plan exclusions, refer to the following sections:
Schedule of Benefits
Termination of Coverage
Plan Exclusions
Source of Plan Contributions:

Contributions for Plan expenses are obtained from the employer and from covered employees. The employer evaluates the costs of the Plan based on projected Plan expenses and determines the amount to be contributed by the employer and the amount to be contributed by the covered employees. Contributions by the covered employees are deducted from their pay on a pre-tax basis as authorized by the employee on the enrollment form (whether paper or electronic) or other applicable forms.

Funding Method:

The employer will maintain a trust for the receipt of money and property to fund the Plan, for the management and investment of such funds, and for the payment of Plan benefits and expenses from such funds.

The employer shall deliver, from time to time to the Trust, amounts of money and property as shall be necessary to provide the Trust with sufficient funds to pay all Plan benefits and reasonable expenses of administering the Plan as the same shall be due and payable. The employer may provide for all or any part of such funding by insurance issued by a company duly qualified to issue insurance for such purpose and may pay the premiums, therefore, directly or by funds deposited in the Trust.

All funds received by the Trust and all earnings of the Trust shall be applied toward payment of Plan benefits and reasonable expenses of administration of the Plan except to the extent otherwise provided by the Plan documents. The employer may appoint an investment manager or managers to manage (including the power to acquire and dispose of) any assets of the Plan.

Any fiduciary, employee, agent representative, or other person performing services to or for the Plan shall be entitled to reasonable compensation for services rendered and for the reimbursement of expenses properly and actually incurred, unless such person is the employer or already receives full-time pay from the employer.

Covered persons shall look only to the funds in the Trust for payment of Plan benefits and expenses.

Standards Relating to Benefits for Mothers and Newborns: (Newborns’ and Mothers’ Health Protection Act of 1996):

If the Schedule of Benefits shows that the covered person has coverage for pregnancy and newborn care, this Plan generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than forty-eight (48) hours following a vaginal delivery, or less than ninety-six (96) hours following a caesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consultation with the mother, from discharging the mother or her newborn earlier than forty-eight (48) hours (or ninety-six (96) hours as applicable). In any case, this Plan may not, under Federal law, require that a provider obtain authorization from the Plan for prescribing a length of stay not in excess of the above periods.

Preferred Provider Networks:

This Plan may contain a Preferred Provider Organization (PPO) network and pre-certification requirements. Refer to the Plan for detailed information concerning pre-certification and Preferred Provider requirements. For a listing of Preferred Providers, contact the PPO network listed on your identification card.

Procedures for Filing Claims:

For detailed information on how to submit a claim for benefits, or how to file an appeal on a processed claim, refer to the section entitled, Medical Claim Filing Procedure.

The designated claims processor for medical claims is:

Trustmark Health Benefits, Inc.
P. O. Box 2920

COBRA Continuation Coverage General Notice

Introduction

You are getting this notice because you recently gained coverage under this group health Plan. This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under this Plan and under federal law, you should contact the plan administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse’s plan), even if that plan generally doesn’t accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under this Plan is lost because of the qualifying event. Under this Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under this Plan because of the following qualifying events:

• Your hours of employment are reduced, or
• Your employment ends for any reason other than your gross misconduct.

If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under this Plan because of the following qualifying events:
• Your spouse dies;
• Your spouse’s hours of employment are reduced;
• Your spouse’s employment ends for any reason other than his or her gross misconduct;
• Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
• You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under this Plan because of the following qualifying events:

• The parent-employee dies;
• The parent-employee’s hours of employment are reduced;
• The parent-employee’s employment ends for any reason other than his or her gross misconduct;
• The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
• The parents become divorced or legally separated; or
• The child stops being eligible for coverage under this Plan as a “dependent child.”

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Faulkner County and that bankruptcy results in the loss of coverage of any retired employee covered under this Plan, the retired employee will become a qualified beneficiary. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA continuation coverage available?

This Plan will offer COBRA continuation coverage to qualified beneficiaries only after the plan administrator has been notified that a qualifying event has occurred. The employer must notify the plan administrator of the following qualifying events:

• The end of employment or reduction of hours of employment;
• Death of the employee;
• Commencement of a proceeding in bankruptcy with respect to the employer; or
• The employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the plan administrator within 60 days after the qualifying event occurs. You must provide this notice to the plan administrator (or its designee).

How is COBRA continuation coverage provided?

Once the plan administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under this Plan is determined by Social Security to be disabled and you notify the plan administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started
at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. The disabled person (or his representative) must submit written proof of the Social Security Administration’s disability determination to the plan administrator (or its designee) within the initial eighteen (18) month period of continuation coverage and no later than sixty (60) days after the latest of:

(i.) The date of the disability determination by the Social Security Administration;
(ii.) The date of the 18-Month Qualifying Event;
(iii.) The date on which the person loses (or would lose) coverage under this Plan as a result of the 18-Month Qualifying Event; or
(iv.) The date on which the person is furnished with a copy of this Plan Document.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if this Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under this Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under this Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children’s Health Insurance Program (CHIP) or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

Can I enroll in Medicare instead of COBRA Continuation Coverage after my group health plan coverage ends?

In general, if you don’t enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don’t enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, this plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

If you have questions

Questions concerning this Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group
health plans, contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website.) For more information about the Marketplace, visit www.HealthCare.gov.

**Keep your Plan informed of address changes**

To protect your family’s rights, let the **plan administrator** (or its designee) know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the **plan administrator** (or its designee).

</table>

**Deductible does not share between preferred and nonpreferred**

Generally, each covered person must pay all of the costs from providers up to the deductible amount before the Plan begins to pay.

The Prescription Drug Program deductible and the Medical Expense Benefit deductible are calculated separately.

**Embedded family deductible:** Any number of covered family members may help to satisfy the family deductible, but no family member will incur more than the individual deductible amount.

</table>

**Out-of-pocket expense limit does not share between preferred and nonpreferred**

The Prescription Drug Program out-of-pocket expense limit and the Medical Expense Benefit out-of-pocket expense limit are calculated separately.

The out-of-pocket expense limit is the most the covered person could pay in a year for covered expenses.

The Plan will pay the designated percentage of covered expenses until the out-of-pocket expense limits are reached, at which time the Plan will pay 100% of the remainder of covered expenses for the rest of the benefit period unless stated otherwise.

**Embedded family out-of-pocket expense limit:** Any number of covered family members may help to satisfy the family out-of-pocket expense limit, but no family member will incur more than the individual out-of-pocket expense limit.

Refer to Medical Expense Benefit, Out-of-Pocket Expense Limit for a listing of charges not applicable to the out-of-pocket expense limit.

---

For services rendered in Faulkner County, only providers who are participating with Conway PHO Alliance shall be considered preferred providers. All other providers, regardless of participation with other Preferred Provider Organizations, shall be considered nonparticipating providers and the nonparticipating provider benefit level will apply.

The *covered person* and the prescribing *physician* must both agree to change to a drug or medication not included in the drug formulary when the equivalent has been ineffective in treatment or has caused or is expected to cause adverse or harmful reactions to the *covered person*, as determined by the prescribing *physician*. The specific drug or medication will be subject to the same benefits as formulary medications, provided the *covered person* utilizes a *participating pharmacy*.

Refer to *Prescription Drug Program* for complete details.
AETNA PREFERRED PROVIDER OR NONPREFERRED PROVIDER

Covered persons have the choice of using either an Aetna Preferred Provider or a nonpreferred provider.

AETNA PREFERRED PROVIDER

An Aetna Preferred Provider is a physician, hospital or ancillary service provider which has an agreement in effect with Aetna to accept a negotiated rate for services rendered to covered persons. In turn, the PPO has an agreement with the plan administrator or claims processor to allow access to negotiated rates for services rendered to covered persons. The PPO’s name and/or logo is shown on the front of the covered person’s ID card. The Aetna Preferred Provider cannot bill the covered person for any amount in excess of the negotiated rate for covered expenses. Covered persons should contact the employer’s Human Resources Department, contact the claims processor, or review the PPO’s website for a current listing of Aetna Preferred Providers.

The Aetna negotiated rate is only available for medical services, treatment or supplies that are a covered expense under this Plan.

NONPREFERRED PROVIDER

A nonpreferred provider does not have an agreement in effect with the Aetna Preferred Provider Organization. This Plan will allow only the customary and reasonable amount as a covered expense. Except as explained below the Plan will pay its percentage of the customary and reasonable amount for the nonpreferred provider covered expenses. The covered person may be responsible for the remaining balance, which may result in greater out-of-pocket expenses to the covered person except as explained below.

Additionally, for services rendered in Faulkner County, only providers who are participating with Conway PHO Alliance shall be considered preferred providers. All other providers, regardless of participation with other Preferred Provider Organizations, shall be considered nonparticipating providers and the nonparticipating provider benefit level will apply except as explained below.

I. If a nonpreferred provider has not satisfied the Notice and Consent Criteria described under number 6. below, for certain items and services, covered expenses for such services rendered at a Aetna preferred provider facility will be:

a. Paid in accordance with the Aetna preferred provider cost sharing;

b. Subject to the Aetna preferred provider out-of-pocket expense limit; and

c. Paid based on the lesser of the qualifying payment amount or the nonpreferred provider’s actual charge; or when applicable:

i. In a State that has in effect an applicable specified State law, the amount determined in accordance with such law; or

ii. In a State that has an all-payer model agreement that applies to this Plan, the provider, and the item or service, the amount that the State approves under the all-payer model agreement for that item or service.

The covered person’s cost sharing will be calculated based on the recognized amount and nonpreferred providers may not balance bill for amounts in excess of the covered person’s cost sharing. If the out-of-network rate exceeds the recognized amount, the difference will not be subject to the deductible.
The following types of services provided in a **Aetna preferred provider facility** by a **nonpreferred provider** will be covered as explained in this section, regardless of whether the **nonpreferred provider** satisfies the Notice and Consent Criteria described in section 6. below:

**d. Ancillary services, including:**

- Items and services related to emergency medicine, anesthesiology, pathology, radiology, neonatology (whether provided by a **physician** or non-**physician** practitioner);
- Items and services provided by assistant surgeons, hospitalists, and intensivists;
- Diagnostic services including radiology and laboratory services; and
- Items and services provided by a **nonpreferred provider** if there is no **Aetna preferred provider** who can furnish such item or service at such facility; and

**e. Items and services furnished as a result of unforeseen, urgent medical needs that arise at the time an item or service is furnished.**

**2. Covered expenses for emergency services** furnished by a **nonpreferred provider** will be:

- **a.** Paid in accordance with the **Aetna preferred provider cost sharing**;
- **b.** Subject to the **Aetna preferred provider** out-of-pocket expense limit; and
- **c.** Paid based on the lesser of the **qualifying payment amount** or the **nonpreferred provider’s actual charge**; or when applicable:
  - **i.** In a State that has in effect an applicable specified State law, the amount determined in accordance with such law; or
  - **ii.** In a State that has an all-payer model agreement that applies to this **Plan**, the provider, and the item or service, the amount that the State approves under the all-payer model agreement for that item or service.

The **covered person’s cost sharing** will be calculated based on the **recognized amount** and **nonpreferred providers** may not balance bill for amounts in excess of the **covered person’s cost sharing**. If the **out-of-network rate** exceeds the **recognized amount**, the difference will not be subject to the deductible.

**3. Covered expenses for air ambulance services** furnished by a **nonpreferred provider** will be:

- **a.** Paid in accordance with the **Aetna preferred provider cost sharing**;
- **b.** Subject to the **Aetna preferred provider** out-of-pocket expense limit; and
- **c.** Paid based on the lesser of the **qualifying payment amount** or the **nonpreferred provider’s actual charge**; or when applicable:
  - **i.** In a State that has in effect an applicable specified State law, the amount determined in accordance with such law; or
  - **ii.** In a State that has an all-payer model agreement that applies to this **Plan**, the provider, and the item or service, the amount that the State approves under the all-payer model agreement for that item or service.

The **covered person’s cost sharing** will be calculated based on the lesser of the **qualifying payment amount** or the billed amount, and **nonpreferred providers** may not balance bill for amounts in excess of the **covered person’s cost sharing**. If the **out-of-network rate** exceeds the lesser of the **qualifying payment amount** or the billed amount, the difference will not be subject to the deductible.
4. **Open Negotiation Period**

   a. A *nonpreferred provider* may initiate an open negotiation period with this *Plan* regarding *covered expenses* described in sections 1., 2., or 3. above. This open negotiation period must be initiated during the thirty (30) business day period beginning on the day the *nonpreferred provider* receives an initial payment or a notice of denial of payment for *covered expenses* described in sections 1., 2., or 3. above. To initiate the open negotiation period, the *nonpreferred provider* must send notice, consistent with applicable regulations, to this *Plan* on a standard form developed by Federal regulators.

   b. The day on which the open negotiation notice is sent by the *nonpreferred provider* is the date the thirty (30) business day open negotiation period begins. Any additional payment amount agreed upon during the open negotiation period must be made by this *Plan* within thirty (30) days of such agreement and will not be subject to additional *cost sharing*.

5. **Independent Dispute Resolution**

   a. In the case of failed negotiations, the *nonpreferred provider* or this *Plan* may initiate the Federal independent dispute resolution (IDR) process established under the No Surprises Act. The IDR process must be initiated, consistent with applicable Federal regulations, within four (4) business days beginning on the thirty-first (31) business day after the start of the open negotiation period.

   b. Within thirty (30) days after the date a *certified IDR entity* is selected, such entity must select a payment amount and notify this *Plan* and the *nonpreferred provider* of the determination. In the absence of a fraudulent claim or evidence of intentional misrepresentation of material facts presented to the *certified IDR entity*, the decision by such entity is binding on all involved parties.

   c. Any additional payment amount due from this *Plan* resulting from the decision of the *certified IDR entity*:

      i. Will not be subject to additional *cost sharing*;

      ii. Must be paid within thirty (30) days of such determination; and

      iii. Will result in this *Plan* being responsible for payment of all fees properly charged by the *certified IDR entity*.

   d. If the *certified IDR entity* determines that no additional payment is due to the *nonpreferred provider* by this *Plan*, such provider will be responsible for payment of the *certified IDR entity* fee. This *Plan* and the *nonpreferred provider* will each be responsible for the Federal IDR administrative fee.

   e. The *nonpreferred provider* and this *Plan* may agree on a payment amount for an item or service during the independent dispute resolution process but before the date on which the *certified IDR entity* makes a final payment determination. Such amount will be treated as the *out-of-network rate* and to the extent this amount exceeds the initial payment amount and any *cost sharing* amount, the *Plan* must pay the additional amount to the *nonpreferred provider* within thirty (30) business days from the date the agreement is reached. This *Plan* will be responsible for payment of half of all fees charged by the *certified IDR entity*, unless this *Plan* and the *nonpreferred provider* otherwise agree in writing.

6. **Notice and Consent Criteria**

   a. In order to satisfy the Notice and Consent Criteria, a *nonpreferred provider* must provide the *covered person* with a written notice in paper or electronic form, as selected by the *covered person*, that is physically separate from other documents and contains the following information:

      i. Notification that the health care provider is a *nonpreferred provider*. 

ii. Notification of the good faith estimate amount that the nonpreferred provider may charge for the items and services, including a notification that the provision of such estimate does not constitute a contract with respect to the estimated charges;

iii. In the case where a nonpreferred provider would be furnishing items or services at a Aetna preferred provider facility, a list of any Aetna preferred providers at such facility who are able to furnish the items or services and notification that the covered person may be referred, at their option, to such a Aetna preferred provider;

iv. Information about whether pre-certification or other care management limitations may be required in advance of receiving the items or services.

b. The above information must be provided to a covered person:

i. No later than seventy-two (72) hours prior to the date on which the covered person is furnished the items or services, when the appointment is scheduled at least seventy-two (72) hours prior; or

ii. On the date the appointment is scheduled, in the case where the appointment is scheduled within seventy-two (72) hours prior to the appointment. When the covered person is provided with the notice and consent on the same date that the items or services are to be furnished, the notice must be provided no later than three (3) hours prior to furnishing the items or services to which the notice and consent requirements apply.

c. The nonpreferred provider must obtain consent from the covered person to be treated by the nonpreferred provider and must provide a signed copy of such consent to the covered person through mail or email as selected by the covered person and provide a copy to the claims processor.

7. Continuity of Care

In certain situations, if an Aetna preferred provider becomes a nonpreferred provider, and the covered person is a continuing care patient, this Plan will provide the covered person with notice and an opportunity to elect continuing care from such provider. This election will allow the covered person to continue to receive benefits under this Plan in accordance with the Aetna preferred provider cost sharing, beginning on the date of the notice and continuing for a period ending of the earlier of:

a. Ninety (90) days from the date of the notice; or

b. The date on which the covered person is no longer a continuing care patient with respect to such provider.

REFERRALS

Referrals to a nonpreferred provider are covered as nonpreferred provider services, supplies and treatments. It is the responsibility of the covered person to assure services to be rendered are performed by Aetna Preferred Providers in order to receive the Aetna Preferred Provider level of benefits unless described otherwise under the Nonpreferred Provider subsection above.

The following listing of exceptions represents services, supplies or treatments rendered by a nonpreferred provider where covered expenses shall be payable at the Aetna Preferred Provider level of benefits:

EXCEPTIONS

1. Medically necessary specialty services, supplies or treatments which are not available from a provider within the Aetna Preferred Provider Organization.
2. When a covered dependent resides outside the service area of the Aetna Preferred Provider Organization.

3. Covered persons who do not have access to Aetna Preferred Providers within thirty-five (35) miles of their place of residence.

4. Treatment rendered at a facility of the uniformed services.

5. Treatment provided by a preferred provider who terminates participation in the Aetna Preferred Provider Organization, until the earlier of: the current treatment of an acute condition is completed or ninety (90) days following the provider’s termination date, whichever comes first.

6. Treatment provided by a nonpreferred provider to a newly covered person under the Plan, until the earlier of: current treatment of an acute condition is completed or ninety (90) days following the covered person’s effective date, whichever comes first.

7. Transportation by a nonpreferred provider ambulance for a condition that meets the definition of emergency medical condition.

8. Lactation counseling providers.
MEDICAL EXPENSE BENEFIT

This section describes the covered expenses of the Plan. All covered expenses are subject to applicable Plan provisions including, but not limited to: deductible, copay, coinsurance and Essential Health Benefits/non-Essential Health Benefits maximum benefit provisions as shown on the Schedule of Benefits, unless otherwise indicated. Any portion of an expense incurred by the covered person for services, supplies or treatment that is greater than the customary and reasonable amount for nonpreferred providers, except as described in the Nonpreferred Provider subsection, under the Preferred Provider or Nonpreferred Provider section, or negotiated rate for preferred providers will not be considered a covered expense by the Plan. Specified preventive care expenses will be considered to be covered expenses.

COPAY

The copay is the amount payable by the covered person for certain services, supplies or treatment as shown on the Schedule of Benefits. The covered person selects a facility or professional provider and pays the applicable copay. The Plan pays the remaining covered expenses at the negotiated rate for preferred providers or the customary and reasonable amount for nonpreferred providers, except as described in the Nonpreferred Provider subsection, under the Preferred Provider or Nonpreferred Provider section. The copay must be paid each time a treatment or service is rendered.

The copay will not be applied toward the calendar year deductible.

DEDUCTIBLES

The Prescription Drug Program deductible and the Medical Expense Benefit deductible are calculated separately.

Individual Deductible

The individual deductible is the dollar amount of covered expense which each covered person must have incurred during each calendar year before the Plan pays applicable benefits. The individual deductible amount is shown on the Schedule of Benefits. If the out-of-network rate exceeds the recognized amount (or the lesser of the billed charges or the qualifying payment amount for purposes of nonpreferred provider air ambulance services), the difference will not be subject to the deductible.

COINSURANCE

The Plan pays a specified percentage of covered expenses at the customary and reasonable amount for nonpreferred providers except as described in the Nonpreferred Provider subsection, under the Aetna Preferred Provider or Nonpreferred Provider section, or the percentage of the negotiated rate for preferred providers. That percentage is specified on the Schedule of Benefits. For nonpreferred providers, the covered person may be responsible for the difference between the percentage the Plan paid and one hundred percent (100%) of the billed amount. See the Nonpreferred Provider subsection for more details. The covered person’s portion of the coinsurance is applied to the out-of-pocket expense limit.

OUT-OF-POCKET EXPENSE LIMIT

The Prescription Drug Program out-of-pocket expense limit and the Medical Expense Benefit out-of-pocket expense limit are calculated separately.

After the covered person has incurred an amount equal to the preferred provider out-of-pocket expense limit listed on the Schedule of Benefits for covered expenses, the Plan will begin to pay one hundred percent (100%) of covered expenses for the remainder of the calendar year.
Preferred Provider Out-of-Pocket Expense Limit Exclusions

The following items do not apply toward satisfaction of the calendar year preferred provider out-of-pocket expense limit and will not be payable at one hundred percent (100%), even if the preferred provider out-of-pocket expense limit has been satisfied:

1. Expenses for services, supplies and treatments not covered by the Plan, including charges in excess of the customary and reasonable amount or negotiated rate, as applicable.

2. Nonpreferred provider coinsurance, deductible and nonpreferred provider medical copays.

3. Prescription drug coinsurance and copays.

4. Penalties applied to use of an emergency room for treatment of a non-emergency medical condition.

5. Expenses incurred as a result of a failure to obtain pre-certification.

MAXIMUM BENEFIT

The Schedule of Benefits may contain separate maximum benefit limitations for specified conditions and/or services. Any separate maximum benefit will include all such benefits paid by the Plan for the covered person during any and all periods of coverage under the Plan, either as an employee, dependent, alternate recipient or under COBRA. No more than the Essential Health Benefits/non-Essential Health Benefits maximum benefit will be paid for any covered person while covered by the Plan. If the covered person’s coverage under the Plan terminates and at a later date he again becomes covered under the Plan, the Essential Health Benefits/non-Essential Health Benefits maximum benefit will include all benefits paid by the Plan for the covered person during any period of coverage.

The Schedule of Benefits may also contain separate maximum benefit limitations for specified conditions and/or services. Any separate maximum benefit will include all such benefits paid by the Plan for the covered person during any and all periods of coverage under the Plan. No more than the Essential Health Benefits/non-Essential Health Benefits maximum benefit will be paid for any covered person while covered by the Plan.

Notwithstanding any provision of the Plan to the contrary, all benefits received by an individual under any benefit option, package or coverage under the Plan shall be applied toward the applicable maximum benefit paid by the Plan for any one covered person for such option, package or coverage under the Plan, and also toward the maximum benefit under any other options, packages or coverages under the Plan in which the individual may participate in the future.

The maximum benefit for Essential Health Benefits and non-Essential Health Benefits is tracked separately.

HOSPITAL/AMBULATORY SURGICAL FACILITY

Covered expenses shall include:

1. Room and board for treatment in a hospital, including intensive care units, cardiac care units and similar medically necessary accommodations. Covered expenses for room and board shall be limited to the hospital’s semiprivate rate. Covered expenses for intensive care or cardiac care units shall be the customary and reasonable amount for nonpreferred providers except as described in the Nonpreferred Provider subsection, under the Aetna Preferred Provider or Nonpreferred Provider section, and the percentage of the negotiated rate for preferred providers. A full private room rate is covered if the private room is necessary for isolation purposes and is not for the convenience of the covered person. In a hospital having only private rooms, covered expenses for room and board shall be the average private room rate.
2. Miscellaneous hospital services, supplies, and treatments including, but not limited to:
   a. Admission fees, and other fees assessed by the hospital for rendering services, supplies and treatments;
   b. Use of operating, treatment or delivery rooms;
   c. Anesthesia, anesthesia supplies and its administration by an employee of the hospital;
   d. Medical and surgical dressings and supplies, casts and splints;
   e. Blood transfusions, including the cost of whole blood, the administration of blood, blood processing and blood derivatives (to the extent blood or blood derivatives are not donated or otherwise replaced);
   f. Drugs and medicines (except drugs not used or consumed in the hospital);
   g. X-ray and diagnostic laboratory procedures and services;
   h. Oxygen and other gas therapy and the administration thereof;
   i. Therapy services.

3. Services, supplies and treatments described above furnished by an ambulatory surgical facility, including follow-up care provided within seventy-two (72) hours of a procedure.

4. Charges for pre-admission testing (x-rays and lab tests) performed within seven (7) days prior to a hospital admission which are related to the condition which is necessitating the confinement. Such tests shall be payable even if they result in additional medical treatment prior to confinement or if they show that hospital confinement is not medically necessary. Such tests shall not be payable if the same tests are performed again after the covered person has been admitted.

**AMBULANCE SERVICES**

Ambulance services must be by a licensed air or ground ambulance.

*Covered expenses* shall include:

1. Ambulance services for air or ground transportation for the covered person from the place of injury or serious medical incident to the nearest hospital where treatment can be given.

2. Ambulance service is covered in a non-emergency situation only to transport the covered person to or from a hospital or between hospitals for required treatment when such transportation is certified by the attending physician as medically necessary. Such transportation is covered only from the initial hospital to the nearest hospital qualified to render the special treatment.

3. *Emergency services* actually provided by an advance life support unit, even though the unit does not provide transportation.

If the covered person is admitted to a nonpreferred hospital after treatment for an emergency medical condition, ambulance service is covered to transport the covered person from the nonpreferred hospital to a preferred hospital after the patient’s condition has been stabilized, provided such transport is certified by the attending physician as medically necessary.

**EMERGENCY SERVICES/EMERGENCY ROOM SERVICES**

*Covered expenses* for emergency services in the emergency department of a hospital shall be paid in accordance with the Schedule of Benefits. Emergency services by a nonpreferred provider shall be paid as specified in the section, Preferred Provider or Nonpreferred Provider, under the subsection, Nonpreferred Provider.

Emergency room treatment for conditions that do not meet the definition of emergency medical condition will be considered non-emergency use of the emergency room and will be subject to the penalty shown on the Schedule of Benefits.
URGENT CARE CENTER

Covered expenses shall include charges for treatment in an urgent care center, payable as specified on the Schedule of Benefits.

Urgent care center treatment for conditions that do not meet the definition of emergency medical condition will be considered non-emergency and services by a nonpreferred provider will be subject to the coinsurance as shown on the Schedule of Benefits.

TELEMEDICINE SERVICES

Covered expenses shall include telemedicine services for medically necessary treatment of non-emergency medical conditions.

PHYSICIAN SERVICES AND PROFESSIONAL PROVIDER SERVICES

Covered expenses shall include the following services when performed by a physician or a professional provider:

1. Medical treatment, services and supplies including, but not limited to: office visits, inpatient visits, retail clinic visits, and home visits.

2. Surgical treatment. Separate payment will not be made for inpatient pre-operative or post-operative care normally provided by a surgeon as part of the surgical procedure.

   For related operations or procedures performed through the same incision or in the same operative field, covered expenses shall include the surgical allowance for the highest paying procedure, plus fifty percent (50%) of the surgical allowance for each additional procedure.

   When two (2) or more unrelated operations or procedures are performed at the same operative session, covered expenses shall include the surgical allowance for each procedure.

3. Surgical assistance provided by a physician or professional provider if it is determined that the condition of the covered person or the type of surgical procedure requires such assistance. Covered expenses for the services of an assistant surgeon are limited to twenty percent (20%) of the surgical allowance.

4. Furnishing or administering anesthetics, other than local infiltration anesthesia, by other than the surgeon or his assistant. However, benefits will be provided for anesthesia services administered by oral and maxillofacial surgeons when such services are rendered in the surgeon's office.

5. Consultations requested by the attending physician during a hospital confinement. Consultations do not include staff consultations that are required by a hospital's rules and regulations.

6. Radiologist or pathologist services for interpretation of x-rays and laboratory tests necessary for diagnosis and treatment.

7. Radiologist or pathologist services for diagnosis or treatment, including radiation therapy and chemotherapy.

8. Allergy testing consisting of percutaneous, intracutaneous and patch tests and allergy injections.

SECOND SURGICAL OPINION

Benefits for a second surgical opinion will be payable according to the Schedule of Benefits if an elective surgical procedure (non-emergency medical condition surgery) is recommended by the physician.
The **physician** rendering the second opinion regarding the **medical necessity** of such surgery must be a board certified specialist in the treatment of the **covered person's illness** or **injury** and must not be affiliated in any way with the **physician** who will be performing the actual surgery.

In the event of conflicting opinions, a third opinion may be obtained. The **Plan** will consider payment for a third opinion the same as a second surgical opinion.

The second surgical opinion benefit includes **physician services only**. Any diagnostic services will be payable under the standard provisions of the **Plan**.

**DIAGNOSTIC SERVICES AND SUPPLIES**

**Covered expenses** shall include services and supplies for diagnostic laboratory tests, electronic tests, pathology, ultrasound, nuclear medicine, magnetic imaging and x-rays.

**TRANSPLANT**

Services, supplies and treatments in connection with human-to-human organ and tissue transplant procedures will be considered **covered expenses** subject to the following conditions:

1. When the recipient is covered under the **Plan**, the **Plan** will pay the recipient's **covered expenses** related to the transplant.
2. When the donor is covered under the **Plan**, the **Plan** will pay the donor's **covered expenses** related to the transplant, provided the recipient is also covered under this **Plan**. **Covered expenses incurred** by each person will be considered separately for each person.
3. Expenses **incurred** by the donor who is not ordinarily covered under the **Plan** according to eligibility requirements will be **covered expenses** to the extent that such expenses are not payable by any other form of health coverage, including any government plan or individual policy of health coverage, and provided the recipient is covered under the **Plan**. The donor's expense shall be applied to the recipient's **maximum benefit**. In no event will benefits be payable in excess of the **maximum benefit** still available to the recipient.
4. Surgical, storage and transportation costs directly related to procurement of an organ or tissue used in a transplant procedure will be covered for each procedure completed. If an organ or tissue is sold rather than donated, the purchase price of such organ or tissue shall not be considered a **covered expense** under the **Plan**.
5. Transportation and lodging meals for the covered recipient and one (1) other person (two (2) other persons if the recipient is an eligible **dependent** child) to accompany the recipient to and from a **facility** and for lodging at or near the **facility** where the recipient is confined.

The Institute of Excellence **facility** must be more than **one hundred (100)** miles from the **covered person's** residence. Reimbursement of expenses incurred by the patient and companion is limited to $50 per night per person (or $100 per night total). Travel & lodging reimbursement is limited to $10,000 for any one transplant or procedure type, including tandem transplants. This is a combined maximum for the **covered person**, companion and donor.

Travel is reimbursed between the **covered person's** home and the **facility** for round trip (air, train or bus) transportation costs (coach class only). If traveling by auto to the **facility**, mileage, parking and toll cost are reimbursed. Mileage Reimbursement is based on IRS standard mileage rates for medical travel by auto.

If a **covered person's** transplant procedure is not performed as scheduled due to the intended recipient's medical condition or death, benefits will be paid for organ or tissue procurement as described above.
In addition to the above transplant benefits, the covered person may be eligible to participate in an Institute of Excellence Program. Covered persons shall contact the Health Care Management Organization to discuss this benefit by calling the number found on the covered person’s ID card.

An Institute of Excellence is a facility within an Institute of Excellence Network that has been chosen for its proficiency in performing one or more transplant procedures. Usually located throughout the United States, the Institute of Excellence facilities have greater transplant volumes and surgical team experience than other similar facilities.

**PREGNANCY**

Covered expenses shall include services, supplies and treatment related to pregnancy or complications of pregnancy for a covered female employee, a covered female spouse of a covered employee, and dependent female children.

In the event of early discharge from a hospital or birthing center following delivery, the Plan will cover two (2) Registered Nurse home visits.

The Plan shall cover services, supplies and treatments for medically necessary abortions when the life of the mother would be endangered by continuation of the pregnancy or when the pregnancy is a result of rape or incest.

Complications from an abortion shall be a covered expense whether or not the abortion is a covered expense.

**BIRTHING CENTER**

Covered expenses shall include services, supplies and treatments rendered at a birthing center provided the physician in charge is acting within the scope of his license and the birthing center meets all legal requirements. Services of a midwife acting within the scope of his license or registration are a covered expense provided that the state in which such service is performed has legally recognized midwife delivery.

**STERILIZATION**

Covered expenses shall include elective surgical sterilization procedures for the covered male employee or covered male spouse. Covered expenses for elective surgical sterilization procedures for women shall be considered under the subsection, Women’s Preventive Services. Reversal of surgical sterilization is not a covered expense.

**INFERTILITY SERVICES**

Covered expenses shall include expenses for infertility testing and infertility treatment for employees and their covered spouse.

The following conditions must all be met:

1. The patient and patient’s spouse must have a history of infertility of at least two (2) years and;
2. The patient’s oocytes must be fertilized with her spouse’s sperm and;
3. The infertility must be associated with one or more of the following medical conditions:
   a. Endometriosis;
   b. Exposure in utero to Diethylstilbestrol;
   c. Blockage of, or removal of, one or both fallopian tubes except if due to voluntary sterilization and;
   d. Abnormal male factors contributing.
4. The patient must have been unable to attain a successful pregnancy through other applicable treatments for which coverage is provided and;

5. The in-vitro fertilization procedures must be performed at:
   a. A facility licensed or certified by the state as an in-vitro fertilization clinic; or
   b. A medical facility that conforms to the American College of Obstetrics and Gynecology guidelines for in-vitro fertilization clinics or the American Fertility Society minimal standards for programs of in-vitro fertilization.

Cryopreservation shall be included as an in-vitro fertilization procedure.

Infertility services shall be subject to the non-Essential Health Benefits maximum benefit as shown on the Schedule of Benefits.

**CONTRACEPTIVES**

Covered expenses shall include charges for medical procedures or supplies related to contraception, including, contraceptive devices, and the surgical implantation and removal of contraceptive devices. FDA approved contraceptives methods shall be considered under the subsection, Women’s Preventive Services.

Charges for contraceptives purchased from a pharmacy, including oral contraceptives (birth control pills), injectable contraceptives (Depo-Provera), contraceptive patches and contraceptive rings shall be covered under the Prescription Drug Program only.

**WELL NEWBORN CARE**

The Plan shall cover well newborn care as part of the mother's claim while the mother is confined for delivery.

Such care shall include, but is not limited to:

1. Physician services
2. Hospital services
3. Circumcision

**ROUTINE PREVENTIVE CARE/WELLNESS BENEFITS**

Routine Preventive Care/Wellness Benefits shall include:

1. Evidence-based supplies or services that have in effect a rating of A or B in the current recommendations of the United States Preventive Services Task Force (USPSTF).

2. Annual routine mammograms for women.

3. Colonoscopies, including pre-procedure consultation, bowel preparation kits and pathology exam. Refer to Colorectal Cancer Screenings below for complete details.

4. Routine immunizations, as recommended by the Advisory Committee on Immunization Practices of the Centers of Disease Control and Prevention for infants and children through age six (6); children and adolescents age seven (7) through eighteen (18) years and adults age nineteen (19) years and older.

5. Evidence-informed Routine Preventive Care and screenings as provided by the Health Resources Services Administration for infants, children, adolescents and adult women, unless included in the USPSTF recommendations.
6. Screening for tobacco use and two (2) tobacco cessation attempts per year. Tobacco cessation products and medications shall be covered under the Prescription Drug Program only.

7. Immunizations required for travel.

The Plan will apply reasonable medical management techniques to determine the appropriate frequency, method, treatment, or setting for a preventive item or service to the extent that such techniques are not specified in the recommendations or guidelines.

If the office visit is billed separate from the preventive service, then the Plan may impose a cost sharing requirement on the office visit. If the preventive service is not billed separately from the office visit, but the primary purpose of the office visit is for something other than the delivery of the preventive service, then the Plan may impose a cost sharing requirement with respect to the office visit.

**COLORECTAL CANCER SCREENINGS**

*Covered expenses* shall include colorectal cancer examinations and laboratory tests for:

1. *Covered persons* age fifty (50) or older;

2. *Covered persons* who are less than fifty (50) years of age if they are at high risk for colorectal cancer; or

3. *Covered persons* experiencing the following symptoms of colorectal cancer as determined by an Arkansas physician:
   
   a. Bleeding from the rectum or blood in the stool; or
   
   b. A change in bowel habits such as diarrhea, constipation, or narrowing of the stool that lasts more than five (5) days.

*Covered expenses* for colorectal cancer screenings shall include an examination of the entire colon, including:

1. The following examinations or laboratory tests, or both:
   
   a. An annual fecal occult blood test utilizing the take-home multiple sample method, or an annual fecal immunochemical test in conjunction with a flexible sigmoidoscopy every five (5) years;
   
   b. A double-contrast barium enema every five (5) years; or
   
   c. A colonoscopy every ten (10) years; and

2. Any additional medically recognized screening tests for colorectal cancer required by the Secretary of the Department of Health, determined in consultation with appropriate healthcare organizations.

Screenings are limited to the following guidelines for the management or subsequent need for follow-up colonoscopy:

1. If the initial colonoscopy is normal, follow-up is recommended in ten (10) years;

2. For covered persons with one or more neoplastic polyps or adenomatous polyps, assuming that the initial colonoscopy was complete to the cecum and adequate preparation and removal of all visualized polyps, follow-up is recommended in three (3) years;

3. If single tubular adenoma of less than one cm is found, follow-up is recommended in five (5) years; and

4. For covered persons with large sessile adenomas greater than three cm, especially if removed in piecemeal fashion, follow-up is recommended in six months or until complete polyp removal is verified by colonoscopy.
WOMEN’S PREVENTIVE SERVICES

Covered expenses shall include the following preventive services recommended in guidelines issued by the U.S. Department of Health and Human Services’ Health Resources and Services Administration:

1. Annual well-woman office visits to obtain preventive care;
2. Screening for gestational diabetes in a pregnant woman;
3. Human papillomavirus (HPV) DNA testing no more frequently than every three (3) years for a woman age thirty (30) and above;
4. Annual counseling for sexually transmitted infections for a sexually active woman;
5. Annual counseling and screening for human immune deficiency virus for a sexually active woman;
6. FDA approved contraceptive methods, sterilization procedures and patient education and counseling for a woman with reproductive capacity. Charges for other contraceptives, including oral contraceptives (birth control pills), injectable contraceptives (Depo-Provera), contraceptive patches and contraceptive rings shall be covered under the Prescription Drug Program only;
7. Breastfeeding support, supplies and counseling, to include the cost of rental or purchase, whichever is less costly, of breastfeeding equipment; and
8. Annual screening and counseling for interpersonal and domestic violence.
9. Genetic counseling for women identified to be at higher risk of having a potentially harmful gene mutation, and, if indicated, BRCA testing for harmful BRCA mutations.

The Plan will apply reasonable medical management techniques to determine the appropriate frequency, method, treatment, or setting for a preventive item or service to the extent that such techniques are not specified in the recommendations or guidelines.

ROUTINE PROSTATE EXAMINATIONS

Covered expenses shall include one (1) routine prostate examination per calendar year, for men age forty (40) and over.

Routine prostate examinations are payable as specified in the Schedule of Benefits.

If a professional provider recommends that a covered person undergo a prostate specific antigen blood test, coverage will be provided, and will not be denied on the basis that the covered person has already had a digital rectal examination and the examination result was negative.

THERAPY SERVICES

Therapy services must be ordered by a physician to aid restoration of normal function lost due to illness or injury or for congenital anomaly.

Covered expenses shall include:

1. Services of a professional provider for physical therapy, occupational therapy, speech therapy or respiratory therapy.
2. Radiation therapy and chemotherapy.
3. Dialysis therapy or treatment.
4. Infusion therapy.

Outpatient therapy services are subject to the Essential Health Benefits maximum benefit specified on the Schedule of Benefits.
HABILITATIVE SERVICES

Covered expenses shall include medically necessary habilitative services to help a covered person keep, learn or improve skills and functioning for daily living. Examples of habilitative services include therapy for a dependent child who is not walking or talking at the expected age. Services may include physical, occupational and speech therapy.

EXTENDED CARE FACILITY/SKILLED NURSING FACILITY/REHABILITATION FACILITY

Extended care facility services, supplies and treatments shall be a covered expense provided the covered person is under a physician’s continuous care and the physician certifies that the covered person must have twenty-four (24) hours-per-day nursing care.

Covered expenses shall include:

1. Room and board (including regular daily services, supplies and treatments furnished by the extended care facility) limited to the facility’s average semiprivate room rate; and

2. Other services, supplies and treatment ordered by a physician and furnished by the extended care facility for inpatient medical care.

Extended care facility benefits are subject to the Essential Health Benefits maximum benefit specified on the Schedule of Benefits.

HOME HEALTH CARE

Home health care enables the covered person to receive treatment in his home for an illness or injury instead of being confined in a hospital or extended care facility. Covered expenses shall include the following services and supplies provided by a home health care agency:

1. Part-time or intermittent nursing care by a nurse;

2. Physical, respiratory, occupational or speech therapy;

3. Part-time or intermittent home health aide services for a covered person who is receiving covered nursing or therapy services;

4. Medical social service consultations;

5. Nutritional guidance by a registered dietitian and nutritional supplements such as diet substitutes administered intravenously or through hyperalimentation as determined to be medically necessary.

Covered expenses shall be subject to the Essential Health Benefits maximum benefit specified on the Schedule of Benefits.

A visit by a member of a home health care team and four (4) hours of home health aide service will each be considered one (1) home health care visit.

No home health care benefits will be provided for dietitian services (except as may be specifically provided herein), homemaker services, maintenance therapy, dialysis treatment, food or home delivered meals, rental or purchase of durable medical equipment or prescription or non-prescription drugs or biologicals.
HOSPICE CARE

Hospice care is a health care program providing a coordinated set of services rendered at home, in outpatient settings, or in facility settings for a covered person suffering from a condition that has a terminal prognosis.

Hospice care will be covered only if the covered person's attending physician certifies that:

1. The covered person is terminally ill, and
2. The covered person has a life expectancy of six (6) months or less.

Covered expenses shall include:

1. Confinement in a hospice to include ancillary charges and room and board.
2. Services, supplies and treatment provided by a hospice to a covered person in a home setting.
3. Physician services and/or nursing care by a nurse.
4. Physical therapy, occupational therapy, speech therapy or respiratory therapy.
5. Nutrition services to include nutritional advice by a registered dietitian, and nutritional supplements such as diet substitutes administered intravenously or through hyperalimentation as determined to be medically necessary.
6. Counseling services provided through the hospice.
7. Bereavement counseling as a supportive service to covered persons in the terminally ill covered person's immediate family. Benefits will be payable, provided on the date immediately before death, the terminally ill person was covered under the Plan and receiving hospice care benefits; and services are incurred by the covered person within twelve (12) months of the terminally ill person's death.

Hospice benefits are limited to the Essential Health Benefits maximum benefit as stated on the Schedule of Benefits.

Charges incurred during periods of remission are not eligible under this provision of the Plan. Any covered expense paid under hospice benefits will not be considered a covered expense under any other provision of the Plan.

DURABLE MEDICAL EQUIPMENT

Rental or purchase, whichever is less costly (except as noted below for oxygen concentrators), of medically necessary durable medical equipment which is prescribed by a physician and required for therapeutic use by the covered person shall be a covered expense.

A charge for the purchase or rental of durable medical equipment is considered incurred on the date the equipment is received/delivered. Durable medical equipment that is received/delivered after the termination date of a covered person’s coverage under the Plan is not covered. Repair or replacement of purchased durable medical equipment which is medically necessary due to normal use or a physiological change in the patient's condition will be considered a covered expense.

Equipment containing features of an aesthetic nature or features of a medical nature which are not required by the covered person's condition, or where there exists a reasonably feasible and medically appropriate alternative piece of equipment which is less costly than the equipment furnished, will be covered based on the usual charge for the equipment which meets the covered person's medical needs.
Ongoing rental charges for oxygen concentrators shall be a covered expense, provided the equipment is determined to be medically necessary for the treatment of chronic conditions or upon diagnosis of severe lung disease or other hypoxia related symptoms or findings.

Covered expenses for the rental of breastfeeding equipment shall be considered under the subsection, Women’s Preventive Services.

PROSTHESES

Prosthetic services, and the initial purchase of a prosthesis (other than dental) provided for functional reasons when replacing all or part of a missing body part (including contiguous tissue) or to replace all or part of the function of a permanently inoperative or malfunctioning body organ shall be covered expenses. A charge for the purchase of a prosthesis is considered incurred on the date the prosthesis is received/delivered. A prosthesis that is received/delivered after the termination date of a covered person’s coverage under the Plan is not covered. Repair or replacement of a prosthesis which is medically necessary due to normal use or a physiological change in the patient's condition will be considered a covered expenses.

ORTHOTICS

Orthotic services, orthotic devices and appliances (a rigid or semi-rigid supportive device, including custom/molded foot orthotics, which restricts or eliminates motion for a weak or diseased body part), including initial purchase, fitting, repair and replacement shall be a covered expense. Orthopedic shoes or corrective shoes, unless they are an integral part of a leg brace, and other supportive devices for the feet shall not be covered.

DENTAL SERVICES

Covered expenses shall include repair of sound natural teeth or surrounding tissue provided it is the result of an injury. Treatment must begin within three (3) months of the date of such injury and be completed within twelve (12) months of the injury. Damage to the teeth as a result of chewing or biting shall not be considered an injury under this benefit.

Covered expenses shall include charges for closed or open reduction of fractures or dislocations of the jaw, and other incision or excision procedures performed on the gums and tissues of the mouth when not performed in conjunction with the extraction of teeth.

DENTAL ANESTHESIA AND HOSPITALIZATION

Covered expenses shall include payment of anesthesia and hospital or ambulatory surgical facility charges for services performed in connection with dental procedures in a hospital or ambulatory surgical facility, if:

1. The professional provider treating the covered person certifies that because of the covered person’s age or condition or problem, hospitalization or general anesthesia is required in order to safely and effectively perform the procedures; and

2. The covered person is:

   a. A child under seven (7) years of age who is determined by two dentists licensed in Arkansas, to require without delay necessary dental treatment in a hospital or ambulatory surgical center for a significantly complex dental condition;

   b. A person with a diagnosed serious mental or physical condition; or

   c. A person with a significant behavioral problem as determined by the covered person's physician licensed in Arkansas.
TEMPOROMANDIBULAR JOINT DYSFUNCTION

Surgical and non-surgical treatment of temporomandibular joint dysfunction (TMJ) or myofascial pain syndrome shall be a covered expense, but shall not include orthodontia even if prescribed by a physician or dentist.

ORTHOGNATHIC DISORDERS

Surgical and non-surgical treatment of orthognathic disorders shall be a covered expense, but shall not include orthodontia even if prescribed by a physician or dentist.

SPECIAL EQUIPMENT AND SUPPLIES

Covered expenses shall include medically necessary special equipment and supplies including, but not limited to: casts; splints; braces; trusses; surgical and orthopedic appliances; colostomy and ileostomy bags and supplies required for their use; catheters; insulin pumps; allergy serums; crutches; electronic pacemakers; gastric pacemakers; oxygen and the administration thereof; the initial pair of eyeglasses or contact lenses due to cataract surgery; soft lenses or sclera shells intended for use in the treatment of illness or injury of the eye; support stockings, such as Jobst stockings, limited to two (2) pairs per calendar year; a wig or hairpiece when required due to chemotherapy, surgery or burns, limited to one (1) while covered by the Plan; surgical dressings and other medical supplies ordered by a professional provider in connection with medical treatment, but not common first aid supplies.

Covered expenses for hearing aids shall be considered under the subsection, Medical Expense Benefits, Hearing Benefit.

COSMETIC/RECONSTRUCTIVE SURGERY

Cosmetic surgery or reconstructive surgery shall be a covered expense provided:

1. A covered person receives an injury as a result of an accident and as a result requires surgery. Cosmetic or reconstructive surgery and treatment must be for the purpose of restoring the covered person to his normal function immediately prior to the accident.

2. It is required to correct a congenital anomaly, for example, a birth defect, for a child.

MASTECTOMY (WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998)

The Plan intends to comply with the provisions of the federal law known as the Women's Health and Cancer Rights Act of 1998.

Covered expenses will include eligible charges related to medically necessary mastectomy.

For a covered person who elects breast reconstruction in connection with such mastectomy, covered expenses will include:

1. reconstruction of a surgically removed breast, including nipple and areola reconstruction and repigmentation; and

2. surgery and reconstruction of the other breast to produce a symmetrical appearance.

An external breast prosthesis shall be covered once every three (3) calendar years, unless recommended more frequently by a physician. The first permanent internal breast prosthesis necessary because of a mastectomy shall also be a covered expense.

Prostheses (and medically necessary replacements) and physical complications from all stages of mastectomy, including lymphedemas will also be considered covered expenses following all medically necessary mastectomies.
MENTAL & NERVOUS DISORDERS AND SUBSTANCE USE DISORDER

The Plan will pay for medically necessary covered expenses for inpatient and outpatient treatment, of mental and nervous disorders and substance use disorders in a hospital or treatment center by a physician or professional provider.

Covered expenses shall include:

1. Inpatient hospital confinement;
2. Individual psychotherapy;
3. Group psychotherapy;
4. Psychological testing;
5. Electro-Convulsive therapy (electroshock treatment) or convulsive drug therapy, including anesthesia when administered concurrently with the treatment by the same professional provider;
6. Partial confinement.

AUTISM SPECTRUM DISORDERS

Covered expenses shall include services, supplies and treatment for autism spectrum disorders performed by a physician or a professional provider that are focused on behavioral intervention, such as Applied Behavioral Analysis (ABA) evaluation and therapy and behavioral services that are focused on primary building skills and capabilities in communication, social interaction and learning.

PRESCRIPTION DRUGS

The Plan shall cover prescription drugs as specified on the Schedule of Benefits. Such drugs must be approved by the Food and Drug Administration and must be dispensed by a licensed pharmacist, physician or dentist. Antigen and allergy vaccine dispensed by a physician or certified laboratory shall be a covered expense.

Prescription drugs dispensed in a provider's office shall be considered a covered expense under this Medical Expense Benefit.

The application of copays, coinsurance or deductibles under the Prescription Drug Program shall not be considered a covered expense under the Medical Expense Benefit.

ONCOLOGY MANAGEMENT PROGRAM

The purpose of the oncology management program (Program) is to assist the covered person and the covered person's oncologist during the covered person's course of cancer treatment when administered in either an outpatient setting (e.g. in the physician's office or other covered outpatient setting) or an inpatient setting. The Program only applies to the chemotherapy and radiation plans of treatment used in connection with the covered person's cancer treatment.

In order to initiate the oncology management process, the covered person should contact the claims processor to verify Plan benefits; however, such verification is not a guarantee of benefits. The plan of treatment shall also be certified with the claims processor by calling the number shown on the covered person's identification card. Failure to follow the pre-certification procedures may result in a reduction of benefits, as specified in the Medical Claim Filing Procedure section. The claims processor will contact the vendor of the Program to discuss the plan of treatment and initiate the Program.
Once the claims processor has contacted the Program vendor, a certified oncology nurse or Oncology Case Manager (OCM) will be assigned to the covered person’s case. The OCM will contact the covered person periodically to provide support, education, and answer any questions from the covered person. At the same time, the OCM will contact the oncologist to discuss the proposed plan of treatment and assist in coordinating the information pertaining to the various cycles of the plan of treatment.

If the covered person’s oncologist determines that oral anti-cancer drugs and/or supportive medications should be taken in the home setting following the chemotherapy treatment received on an inpatient or outpatient basis, the oncologist may require that the drugs be sent to the covered person’s home in time to meet the medication schedule specified by the oncologist.

In order to receive benefit payments under the Plan, the oncologist’s plan of treatment must be received by the Program vendor, and determined by the claims processor not to be experimental and/or investigative. If any of the drugs prescribed by the oncologist require specific pathology results or molecular marker results to validate their use, these results must be provided to the Program vendor prior to validation of the treatment regimen.

The Plan will not pay for or otherwise cover the cost of drugs considered experimental and/or investigative by the claims processor.

Notwithstanding the Plan’s definition and exclusions of experimental/investigative, in the context of drugs used in the treatment of cancer, the use of a drug will not be considered experimental/investigative if:

1. the use of the drug has been recognized as safe and effective for the treatment of the specific type of cancer in the National Comprehensive Cancer Network’s Drugs and Biologics Compendium, Thomson Micromedex DRUGDEX, Thomson Micromedex DrugPoints or Clinical Pharmacology; or
2. the drug is provided in association with a Phase III or IV trial for cancer, as approved by the FDA or sanctioned by the National Cancer Institute (NCI); or
3. the drug is provided in association with a Phase II trial for cancer by an NCI-sponsored group and standard treatment has been or would be ineffective or does not exist or there is no clearly superior non-investigational alternative that can be delivered more cost efficiently as determined by the claims processor.

**ROUTINE PATIENT COSTS FOR APPROVED CLINICAL TRIALS**

Covered expenses shall include charges for “routine patient costs” incurred by a “qualified individual” participating in an approved clinical trial. “Routine patient costs” do not include:

1. An investigational item, device or service;
2. An item or service provided solely to satisfy data collection and analysis needs, which are not used in the direct clinical management of the patient; or,
3. A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

“Life-threatening disease or condition” means any disease or condition from which the likelihood of death is probable unless the course of the disease or condition is interrupted.

“Qualified Individual” means a covered person who is eligible to participate in an approved clinical trial according to the trial protocol with respect to the treatment of cancer or another “life-threatening disease or condition” and either:

1. The referring health care professional has concluded that the covered person’s participation in such trial would be appropriate; or,
2. The covered person provides medical and scientific information establishing that the covered person’s participation in such trial would be appropriate.

“Routine patient costs” include all items and services consistent with the coverage provided by the Plan that is typically covered for a covered person who is not enrolled in a clinical trial.
OFF-LABEL DRUG USE

Covered expenses shall include charges for the use of an FDA-approved drug for a purpose other than that for which it is approved, but only when the drug is not excluded by the Plan and the plan sponsor determines in its sole discretion that the drug is appropriate and generally accepted for the condition being treated.

PHASE III ONCOLOGY CLINICAL TRIALS

Covered expenses shall include charges for a drug, device, supply, treatment, procedure or service that is part of a scientific study of cancer therapy in a Phase III clinical trial sponsored by the National Cancer Institute or institution of similar stature. Trials must have Institutional Review Board (IRB) approval by a qualified IRB. Charges that are not covered include:

1. Costs for services that are not primarily for the care of the patient (such as lab services performed solely to collect data for the trial).
2. Costs for services provided in a clinical trial that are funded by another source.

PODIATRY SERVICES

Covered expenses shall include surgical podiatry services, including incision and drainage of infected tissues of the foot, removal of lesions of the foot, removal or débridement of infected toenails, surgical removal of nail root, and treatment of fractures or dislocations of bones of the foot.

HEARING BENEFIT

This Plan shall offer coverage for a hearing aid or hearing instrument sold by a professional licensed by the state of Arkansas, to dispense hearing aids or hearing instruments. This benefit includes repair and replacement parts. The hearing aid or hearing instrument can be worn in or on the body.

Hearing Aid benefits are limited to the non-Essential Health Benefits maximum benefit as stated on the Schedule of Benefits.

PRIVATE DUTY NURSING

Medically necessary services of a private duty nurse on an outpatient basis only shall be a covered expense.

CHIROPRACTIC CARE

Covered expenses include initial consultation, x-rays and treatment (but not maintenance care), subject to the non-Essential Health Benefits maximum benefit shown on the Schedule of Benefits.

PATIENT EDUCATION

Covered expenses shall include medically necessary patient education programs including, but not limited to diabetic education and ostomy care. Diabetic education is subject to the Essential Health Benefits maximum benefit shown on the Schedule of Benefits.

Covered expenses for patient education for contraception or lactation training shall be considered under the subsection, Women's Preventive Services.
SURCHARGES

Any surcharge or assessment (by whatever name called) on covered expenses, required by state or federal law to be paid by the Plan for services, supplies and/or treatments rendered by a health care provider shall be a covered expense subject to the covered person’s obligations under the Plan.

OUTPATIENT CARDIAC/PULMONARY REHABILITATION PROGRAMS

Covered expenses shall include charges for qualified medically necessary outpatient cardiac and pulmonary rehabilitation programs, limited to the Essential Health Benefits maximum benefit as stated on the Schedule of Benefits.

SURGICAL TREATMENT OF MORBID OBESITY

Covered expenses shall include charges for surgical treatment of morbid obesity for covered persons with health problems that are aggravated by or related to the morbid obesity, including, but not limited to gastric by-pass, gastric stapling or gastric balloon.

NON-SURGICAL TREATMENT OF MORBID OBESITY

Covered expenses shall include charges for weight-loss programs that are administered and supervised by a hospital or physician's clinic to treat a medical condition by a decrease in the patient's weight. This program must not be a weight reduction program, but a program designed to treat health problems associated with high-risk morbid obesity. These health conditions may include hypertension, diabetes, cardiovascular disease, sleep apnea and degenerative joint disease. The patient must have demonstrated unsuccessful results in a weight loss program. Coverage is limited to medically necessary charges for treatment of morbid obesity.

SLEEP DISORDERS

Covered expenses shall include charges for sleep studies and treatment of sleep apnea and other sleep disorders, including charges for sleep apnea monitors.

ROUTINE EYE EXAM

Covered expenses shall include charges for routine vision examinations and eye refractions, limited to the Essential Health Benefits maximum benefit as stated on the Schedule of Benefits.

FOOD FOR INHERITED METABOLIC DISEASES

Covered expenses shall include expenses for medical foods, including:

1. Low-protein modified food products;
2. Amino-acid-based elemental formulas;
3. Extensively hydrolyzed protein formulas;
4. Formulas with modified vitamin or mineral content;
5. Modified nutrient content formulas.
These products and formulas are covered by the Plan regardless of:

1. Delivery method;
2. Whether enteral or oral, or sole source or supplemental; or
3. The age of the covered person.

These products and formulas are covered for the treatment of a covered person with a medical disorder requiring specialized nutrients or formulas if:

(i) Either of the following occurs:

   (a) The medical food or low-protein modified food products, regardless of delivery method, are prescribed by a licensed professional provider as medically necessary; or

   (b) A licensed professional provider issues a written order stating that a medical food is medically necessary for the therapeutic treatment of a medical disorder requiring specialized nutrients or formulas; and

(ii) The product or formula is administered under the direction of a licensed professional provider who is a clinical geneticist and a registered dietitian.

**SPINAL MUSCULAR ATROPHY SCREENING**

Covered expenses shall include newborn screening for spinal muscular atrophy by a healthcare professional.

For the purpose of this benefit, the terms, “healthcare professional,” “newborn” and “spinal muscular atrophy” are defined as follows:

1. “Newborn” means a child who is twenty-nine (29) days of age or younger.

2. “Spinal muscular atrophy” means a genetic disease that affects the part of the nervous system that controls voluntary muscle movement.

3. “Healthcare professional” means a person who is licensed, certified, or otherwise authorized by the laws of Arkansas to administer healthcare in the ordinary course of the practice of his or her profession.
MEDICAL EXCLUSIONS

In addition to Plan Exclusions, no benefit will be provided under the Plan for medical expenses for the following:

1. Charges for services, supplies or treatment for the reversal of surgical sterilization procedures.
2. Except as specified in the subsection Medical Expense Benefits, Infertility Services, charges for services, supplies or treatment related to the diagnosis or treatment of infertility and artificial reproductive procedures.
3. Charges for services, supplies or treatment provided to a surrogate mother (unless the surrogate is a covered person, in which case expenses under subsection Woman’s Preventive Services and/or Pregnancy, will be covered in accordance with this Plan’s provisions).
4. Charges for services, supplies or treatment for transsexualism, gender dysphoria or sexual reassignment or change, including medications, implants, hormone therapy, surgery, medical or psychiatric treatment.
5. Charges for treatment or surgery for sexual dysfunction or inadequacies.
6. Charges for hospital admission on Friday, Saturday or Sunday unless the admission is due to an emergency medical condition, or surgery is scheduled within twenty-four (24) hours. If neither situation applies, hospital expenses will be payable commencing on the date of actual surgery.
7. Charges for inpatient room and board in connection with a hospital confinement primarily for diagnostic tests, unless it is determined by the Plan that inpatient care is medically necessary.
8. Charges for biofeedback therapy.
9. Except as specified herein, charges for services, supplies or treatments which are primarily educational in nature, charges for services for educational or vocational testing or training and work hardening programs regardless of diagnosis or symptoms; charges for training or other forms of education.
10. Charges for marriage, career or legal counseling.
11. Except as specifically stated in Medical Expense Benefit, Dental Services, charges for or in connection with: treatment of injury or disease of the teeth; oral surgery; treatment of gums or structures directly supporting or attached to the teeth; removal or replacement of teeth; or dental implants.
12. Charges for vision therapy (orthoptics); eyeglasses or contact lenses, except as specified herein; dispensing optician's services.
13. Charges for any eye surgery solely for the purpose of correcting refractive defects of the eye, such as nearsightedness (myopia) and astigmatism including radial keratotomy by whatever name called; contact lenses and eyeglasses required as a result of such surgery.
14. Except as medically necessary for the treatment of metabolic or peripheral-vascular illness, charges for routine, palliative or cosmetic foot care, including, but not limited to: treatment of weak, unstable, flat, strained or unbalanced feet; subluxations of the foot; treatment of corns or calluses; non-surgical care of toenails.
15. Charges for services, supplies or treatment which constitute personal comfort or beautification items, whether or not recommended by a physician, such as: television, telephone, air conditioners, air purifiers, humidifiers, electric heating units, orthopedic mattresses, blood pressure instruments, scales, elastic bandages, non-hospital adjustable beds, exercise equipment.
16. Charges for nonprescription drugs, such as vitamins, cosmetic dietary aids, and nutritional supplements except as provided in, *Routine Preventive Care/Wellness Benefits* in accordance with United States Preventive Services Task Force (USPSTF) recommendations.

17. Charges for outpatient prescription drugs, except as specifically indicated in *Medical Expense Benefit, Prescription Drugs*.

18. Charges for prescription drugs that are covered under the *Prescription Drug Program* or for the Prescription Drug *coinsurance* and *copay* applicable thereto.

19. Charges for orthopedic shoes (except when they are an integral part of a leg brace and the cost is included in the orthotist's charge) or shoe inserts.

20. Expenses for a *cosmetic surgery* or procedure and all related services, except as specifically stated in *Medical Expense Benefit, Cosmetic/Reconstructive Surgery*.

21. Charges incurred as a result of, or in connection with, any procedure or treatment excluded by the *Plan* which has resulted in medical complications, except for complications from a non-covered abortion as specified herein.

22. Charges for services provided to a *covered person* for an elective abortion (See *Medical Expense Benefit, Pregnancy* for specifics regarding the coverage of abortions). However, complications from such procedure shall be a *covered expense*.

23. Charges for services, supplies or treatment primarily for weight reduction or treatment of obesity, including but not limited to: exercise programs or use of exercise equipment; special diets or diet supplements; appetite suppressants; Nutri/System, Weight Watchers or similar programs; and *hospital confinements* for weight reduction programs, except as specifically provided herein or as required by the United States Preventive Services Task Force (USPSTF) A & B recommendations.

24. Charges for surgical weight reduction procedures and all related charges, except for *medically necessary* to treat *morbid obesity* that contributes to chronic conditions such as diabetes.

25. Charges for services, supplies and treatment for smoking cessation programs, or related to the treatment of nicotine addiction, including smoking deterrent patches except as required by the United States Preventive Services Task Force (USPSTF) A & B recommendations.

26. Charges for examination to determine hearing loss or the fitting of a hearing aid.

28. Except as specifically stated in *Medical Expense Benefit, Temporomandibular Joint Dysfunction*, charges for treatment of temporomandibular joint dysfunction and myofascial pain syndrome including, but not limited to: charges for treatment to alter vertical dimension or to restore abraded dentition, or orthodontia.

29. Charges for *custodial care*, domiciliary care or rest cures.

30. Charges for travel or accommodations, whether or not recommended by a *physician*, except as specifically provided herein.

31. Charges for wigs, artificial hairpieces, artificial hair transplants, or any drug - prescription or otherwise -used to eliminate baldness or stimulate hair growth, except as specified herein.

32. Charges for expenses related to hypnosis.
33. Charges for the expenses of the donor of an organ or tissue for transplant to a recipient who is not a covered person under the Plan.

34. Charges for professional services billed by a professional provider who is an employee of a hospital or any other facility and who is paid by the hospital or other facility for the service provided.

35. Charges for environmental change including hospital or physician charges connected with prescribing an environmental change.

36. Charges for room and board in a facility for days on which the covered person is permitted to leave (a weekend pass, for example).

37. Charges for chelation therapy, except as treatment of heavy metal poisoning.

38. Charges for massage therapy, sex therapy, diversional therapy or recreational therapy.

39. Charges for procurement and storage of one's own blood, unless incurred within three (3) months prior to a scheduled surgery.

40. Charges for holistic medicines or providers of naturopathy.

41. Charges for or related to the following types of treatment:
   a. primal therapy;
   b. rolfing;
   c. psychodrama;
   d. megavitamin therapy;
   e. visual perceptual training.

42. Charges for structural changes to a house or vehicle.

43. Charges for exercise programs for treatment of any condition, except as specified herein.

44. Charges for drugs, devices, supplies, treatments, procedures or services that are considered experimental/investigational by the Plan. The Plan will consider a drug, device, supply, treatment, procedure or service to be “experimental” or “investigational”:
   a. if, in the case of a device or supply, the device or supply cannot be lawfully marketed without approval of the U.S. Food and Drug Administration and approval for marketing has not been given at the time the device or supply is furnished; or
   b. if the drug, device, supply, treatment, procedure or service, or the patient’s informed consent document utilized with respect to the drug, device, supply, treatment, procedure or service was reviewed and approved by the treating facility’s institutional review board or other body serving a similar function, or if federal law requires such review or approval; or
   c. if the plan sponsor (or its designee) determines in its sole discretion that the drug, device, supply, treatment, procedure or service is the subject of on-going Phase I or Phase II clinical trials; is the research, experimental, study or investigational arm of on-going Phase III clinical trials, or is otherwise under study to determine maximum tolerated dose, toxicity, safety or efficacy, however, a drug, device, supply, treatment, procedure or service that meets the standards set in the section Medical Expense Benefit Phase III Oncology Clinical Trials or Off-Label Drug Use will not be deemed experimental or investigational solely by reason of this subparagraph; or
   d. if the plan sponsor (or its designee) determines in its sole discretion based on documentation in one of the standard reference compendia or in substantially accepted peer-reviewed medical literature that the prevailing opinion among experts regarding the drug, device, supply, treatment, procedure or service is that further studies or clinical trials are necessary to determine its maximum tolerated dose, toxicity, safety or efficacy.
Note: This exclusion does not apply to services, supplies or treatments provided by Sutter Health and its affiliates’ facilities and providers when the Preferred Provider Organization is the Aetna Signature Administrators (ASA) network.

45. Charges for respite care.

46. Charges for *inpatient* private duty nursing.

47. Charges for any services, supplies or treatment not specifically provided herein.
PRESCRIPTION DRUG PROGRAM

PRESCRIPTION DEDUCTIBLE

Individual Deductible

The individual deductible is the dollar amount of covered expense which each covered person must have incurred during each calendar year before the Plan pays applicable benefits. The individual deductible amount is shown on the Schedule of Benefits.

The Prescription Drug Program deductible and the Medical Expense Benefit deductible are calculated separately.

PRESCRIPTION OUT-OF-POCKET EXPENSE LIMIT

The medical out-of-pocket expense limit is calculated separately from the prescription out-of-pocket expense limit.

After the covered person has incurred an amount equal to the prescription out-of-pocket expense limit listed on the Schedule of Benefits for covered expenses, the Plan will begin to pay one hundred percent (100%) of covered expenses for the remainder of the calendar year.

After a covered family has incurred a combined amount equal to the family out-of-pocket expense limit shown on the Schedule of Benefits, the Plan will pay one hundred percent (100%) of covered expenses for all covered family members for the remainder of the calendar year.

Prescription Out-of-Pocket Expense Limit Exclusions

The following items do not apply toward satisfaction of the calendar year out-of-pocket expense limit and will not be payable at one hundred percent (100%), even if the out-of-pocket expense limit has been satisfied:

1. Expenses for services, supplies and treatments not covered by the Plan, including charges in excess of the customary and reasonable amount or negotiated rate, as applicable.

2. The difference in cost between the negotiated rate and the charge from a nonparticipating pharmacy.

PHARMACY OPTION

Participating pharmacies have contracted with the Plan to charge covered persons reduced fees for covered prescription drugs.

The covered person and the prescribing physician must both agree to change to a drug or medication not included in the drug formulary when the equivalent has been ineffective in treatment or has caused or is expected to cause adverse or harmful reactions to the covered person, as determined by the prescribing physician. The specific drug or medication will be subject to the same benefits as formulary medications, provided the covered person utilizes a participating pharmacy.

PHARMACY OPTION COPAY

The copay is applied to each covered pharmacy drug charge and is shown on the Schedule of Benefits. The copay amount is not a covered expense under the Medical Expense Benefit. Any one prescription is limited to a thirty-one (31) day supply.
If a drug is purchased from a nonparticipating pharmacy or a participating pharmacy when the covered person’s ID card is not used, the covered person must pay the entire cost of the prescription, including copay, and then submit the receipt to the prescription drug card vendor for reimbursement. Reimbursement will be limited to the participating pharmacy negotiated rate.

When the out-of-pocket expense limit is reached, copays will not apply for the remainder of the calendar year.

**MAIL ORDER OR ELIXIRRX PERFORMANCE 90 RETAIL PHARMACY OPTION**

The mail order drug or ElixirRx Performance 90 Retail Pharmacy benefit option is available for maintenance medications (those that are taken for long periods of time, such as drugs which may be prescribed for heart disease, high blood pressure, asthma, etc.).

**MAIL ORDER OR ELIXIRRX PERFORMANCE 90 RETAIL PHARMACY OPTION COPAY**

The copay is applied to each covered mail order or ElixirRx Performance 90 Retail Pharmacy prescription charge and is shown on the Schedule of Benefits. The copay is not a covered expense under the Medical Expense Benefit. Any one prescription is limited to a ninety (90) day supply (or a 91 day supply if the drug is packaged as a 91 day supply such as with some contraceptives).

**COVERED PRESCRIPTION DRUGS**

1. Drugs prescribed by a physician that require a prescription either by federal or state law, including injectables and insulin, except drugs excluded by the Plan.
2. Compounded prescriptions containing at least one prescription ingredient with a therapeutic quantity.
3. Insulin, insulin needles and syringes and diabetic supplies, including lancets, monitors, and strips. Covered expenses do not include insulin pumps and related supplies.
4. Oral, injectable, patches, rings, diaphragms, emergency and IUD contraceptives, regardless of the reason prescribed.
5. Drugs used in the treatment of erectile dysfunction, limited to 8 pills per month.
6. Generic transdermal infusion systems for the cessation of smoking (patches), lozenges, gum and other similar generic products, upon written prescription by a physician shall be considered a covered expense, limited to a maximum benefit of one (1) cycle per calendar year.
7. Testosterone, if medically necessary for male hypogonadism. Preauthorization required.
9. Anti-migraine medications, including oral, spray and injectable drugs.
10. Cox-2 Inhibitors (i.e., Celebrex), if medically necessary. Preauthorization required.
13. Growth hormones if medically necessary. Preauthorization required. Treatment of Idiopathic Short-Stature Syndrome shall not be considered medically necessary.

14. Routine preventive drugs as required by the Affordable Care Act.

15. Any other drug which, under the applicable state law, may be dispensed only upon the written prescription of a qualified prescriber.

**LIMITS TO THIS BENEFIT**

This benefit applies only when a covered person incurs a covered prescription drug charge. The covered drug charge for any one prescription will be limited to:

1. Refills only up to the number of times specified by a physician.

2. Refills up to one year from the date of order by a physician.

**EXPENSES NOT COVERED**

1. A drug or medicine that can legally be purchased without a written prescription. This does not apply to injectable insulin, routine preventive drugs as required by the Affordable Care Act or other medications as noted specifically.

2. Devices of any type, even though such devices may require a prescription. These include, but are not limited to: therapeutic devices, artificial appliances, braces, support garments, inhaler devices or any similar device.

3. Immunization agents or biological sera, blood or blood plasma.

4. A drug or medicine labeled: “Caution - limited by federal law to investigational use.”

5. Experimental drugs and medicines, even though a charge is made to the covered person (drugs determined by the FDA as lacking substantial evidence of effectiveness), including DESI drugs (drugs determined by the FDA as lacking substantial evidence of effectiveness).

6. Any charge for the administration of a covered prescription drug.

7. Any drug or medicine that is consumed or administered at the place where it is dispensed.

8. A drug or medicine that is to be taken by the covered person, in whole or in part, while hospital confined. This includes being confined in any institution that has a facility for dispensing drugs.

9. A charge for prescription drugs which may be properly received without charge under local, state or federal programs.

10. A charge for hypodermic syringes and/or needles (other than insulin).

11. A charge for legend vitamins, except legend pre-natal vitamins, Vitamin D and Vitamin K.

12. A charge for minerals.

14. A charge for medications that are cosmetic in nature (i.e., treating hair loss, wrinkles, etc.).
15. A charge for fertility agents.
16. A charge for anorexiants and weight loss drugs.
17. A charge for Levonorgestrel (Norplant implants).
18. A charge for Hematinics.
19. A charge for anabolic steroids.
20. A charge for homeopathic drugs.
22. A charge for non-legend drugs, other than as specifically listed herein or as required by the United States Preventive Services Task Force (USPSTF) A & B recommendations.

Any prescription drug covered under the Prescription Drug Program will not be covered under the Medical Expense Benefit, except as specified in Medical Expense Benefit, Prescription Drugs.

**SPECIALTY DRUGS**

Specialty drugs are high-cost, complex pharmaceuticals that have unique clinical, administration, distribution, or handling requirements that are not commonly available through traditional retail or mail pharmacies. The list of Specialty drugs shall be updated from time to time. Specialty drugs may be purchased from ElectRx Specialty Program.

Specialty drugs may be subject to prior authorization.

**GENERIC STEP THERAPY PROGRAM**

When more than one prescription drug may be used to treat a condition, the Generic Step Therapy Program requires the use of a generic drug prior to this Plan providing coverage of a brand name drug.

When a covered person seeks to purchase a brand name drug at a pharmacy or by a mail order pharmacy, a generic drug may be recommended by the pharmacist after consulting with the prescribing physician. If the covered person does not purchase such recommended generic drug, the covered person will be responsible for the full cost of the brand name drug and the brand name drug will be excluded from coverage under this Plan.

**NOTICE OF AUTHORIZED REPRESENTATIVE**

The covered person may provide the plan administrator (or its designee) with a written authorization for an authorized representative to represent and act on behalf of a covered person and consent to the release of information related to the covered person to the authorized representative with respect to a claim for benefits or an appeal. Authorization forms may be obtained from the Human Resource Department.

**APPEALING AN ADVERSE BENEFIT DETERMINATION ON A POST-SERVICE PRESCRIPTION DRUG CLAIM**

A covered person, or the covered person’s authorized representative, may request a review of an adverse benefit determination on a Post-Service prescription drug claim by making written request to the claims processor within one hundred eighty (180) calendar days from receipt of notification of the adverse benefit determination and stating the reasons the covered person feels the claim should not have been denied.
The following describes the review process and rights of the covered person for a full and fair review:

1. The covered person has the right to submit documents, information and comments and to present evidence and testimony.
2. The covered person has the right to access, free of charge, relevant information to the claim for benefits.
3. Before a final adverse benefit determination on appeal is rendered, the covered person will be provided, free of charge, with any new or additional rationale or evidence considered, relied upon, or generated by the Plan in connection with the claim. Such information will be provided as soon as possible and sufficiently in advance of the notice of final internal adverse benefit determination. However, there could be circumstances where the new or additional evidence or rationale could be received so late that it would be impossible to provide the covered person in time to have a reasonable opportunity to respond. In these circumstances, the period for providing notice of final determination on appeal will be tolled until the earliest of the following dates:
   a. The date the covered person responds to the new or additional rationale or evidence; or
   b. Three (3) weeks from the date the new or additional rationale or evidence was mailed to the covered person.
4. The review takes into account all information submitted by the covered person, even if it was not considered in the initial benefit determination.
5. The review by the claims processor will not afford deference to the original adverse benefit determination.
6. The claims processor will not be:
   a. The individual who originally denied the claim, nor
   b. Subordinate to the individual who originally denied the claim.
7. If the original adverse benefit determination was, in whole or in part, based on medical judgment:
   a. The claims processor will consult with a professional provider who has appropriate training and experience in the field involving the medical judgment; and
   b. The professional provider utilized by the claims processor will be neither:
      (i.) An individual who was consulted in connection with the original adverse benefit determination, nor
      (ii.) A subordinate of any other professional provider who was consulted in connection with the original adverse benefit determination.
8. If requested, the claims processor will identify the medical or vocational expert(s) who gave advice in connection with the original adverse benefit determination, whether or not the advice was relied upon.

NOTICE OF BENEFIT DETERMINATION ON A POST-SERVICE PRESCRIPTION DRUG CLAIM APPEAL

The plan administrator (or its designee) shall provide the covered person (or authorized representative) with a written notice of the appeal decision within sixty (60) calendar days of receipt of a written request for the appeal.

If the appeal is denied, the Notice of Appeal Decision will contain an explanation of the Decision, including:

1. The specific reasons for the adverse benefit determination.
2. Reference to specific Plan provisions on which the adverse benefit determination is based.
3. A statement that the covered person has the right to access, free of charge, relevant information to the claim for benefits.
4. A statement of the covered person’s right to request an external review and a description of the process for requesting such a review.
5. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Appeal Decision will contain either:
   a. A copy of that criterion, or
   b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
6. If the adverse benefit determination was based on medical necessity, experimental/investigational treatment or similar exclusion or limit, the plan administrator (or its designee) will supply either:
a. An explanation of the scientific or clinical judgment, applying the terms of the Plan to the claimant’s medical circumstances, or
b. A statement that such explanation will be supplied free of charge, upon request.

**EXTERNAL APPEAL**

A covered person, or the covered person’s authorized representative, may request a review of an adverse benefit determination appeal if the claim determination involves medical judgment or a rescission by making written request to the claims processor within four (4) months of receipt of notification of the final internal denial of benefits. Medical judgment includes, but is not limited to:

1. Medical necessity;
2. Appropriateness;
3. Experimental or investigational treatment;
4. Health care setting;
5. Level of care; and
6. Effectiveness of a covered expense.

If there is no corresponding date four (4) months after the date of receipt of such a notice, then the request must be made by the first day of the fifth month following the receipt of the notice of final internal adverse benefit determination. {Note: If the date of receipt of the notice is October 30, because there is no February 30, the request must be filed by March 1, or the next day if March 1st falls on a Saturday, Sunday or Federal holiday.}

**RIGHT TO EXTERNAL APPEAL**

Within five (5) business days of receipt of the request, the claims processor will perform a preliminary review of the request to determine if the request is eligible for external review, based on confirmation that the final internal adverse benefit determination was the result of:

1. Medical judgment; or
2. Rescission of coverage under this Plan.

**NOTICE OF RIGHT TO EXTERNAL APPEAL**

The plan administrator (or its designee) shall provide the covered person (or authorized representative) with a written notice of the decision as to whether the claim is eligible for external review within one (1) business day after completion of the preliminary review.

The Notice of Right to External Appeal shall include the following:

1. The reason for ineligibility and the availability of the Employee Benefits Security Administration at 1-866-444-3272, if the request is complete but not eligible for external review.

2. If the request is incomplete, the information or materials necessary to make the request complete and the opportunity for the covered person to perfect the external review request by the later of the following:
   a. The four (4) month filing period; or
   b. Within the forty-eight (48) hour time period following the covered person’s receipt of notification.

**INDEPENDENT REVIEW ORGANIZATION**

For external reviews by an Independent Review Organization (IRO), such IRO shall be accredited by URAC or a similar nationally recognized accrediting organization and shall be assigned to conduct the external review. The assigned IRO will timely notify the covered person in writing of the request’s eligibility and acceptance for external review.
NOTICE OF EXTERNAL REVIEW DETERMINATION

The assigned IRO shall provide the plan administrator (or its designee) and the covered person (or authorized representative) with a written notice of the final external review decision within forty-five (45) days after receipt of the external review request.

The Notice of Final External Review Decision from the IRO is binding on the covered person, the Plan and claims processor, except to the extent that other remedies may be available under State or Federal law.

EXPEDITED EXTERNAL REVIEW

The plan administrator (or its designee) shall provide the covered person (or authorized representative) the right to request an expedited external review upon the covered person’s receipt of either of the following:

1. An adverse benefit determination involving a medical condition for which the timeframe noted above for completion of an internal appeal would seriously jeopardize the health or life of the covered person or the covered person’s ability to regain maximum function and the covered person has filed an internal appeal request.

2. A final internal adverse benefit determination involving a medical condition for which the timeframe for completion of a standard external review would seriously jeopardize the health or life of the covered person or the covered person’s ability to regain maximum function or if the final internal adverse benefit determination involves any of the following:
   a. An admission,
   b. Availability of care,
   c. Continued stay, or
   d. A health care item or service for which the covered person received emergency services, but has not yet been discharged from a facility.

Immediately upon receipt of the request for Expedited External Review, the Plan will do all of the following:

1. Perform a preliminary review to determine whether the request meets the requirements in the subsection, Right to External Appeal.
2. Send notice of the Plan’s decision, as described in the subsection, Notice of Right to External Appeal.

Upon determination that a request is eligible for external review, the Plan will do all of the following:

1. Assign an IRO as described in the subsection, Independent Review Organization.
2. Provide all necessary documents or information used to make the adverse benefit determination or final adverse benefit determination to the IRO either by telephone, facsimile, electronically or other expeditious method.

The assigned IRO will provide notice of final external review decision as expeditiously as the covered person’s medical condition or circumstances require, but in no event more than seventy-two (72) hours after receipt of the expedited external review request. The notice shall follow the requirements in the subsection, Notice of External Review Determination. If the notice of the expedited external review determination was not in writing, the assigned IRO shall provide the plan administrator (or its designee) and the covered person (or authorized representative) written confirmation of its decision within forty-eight (48) hours after the date of providing that notice.
PLAN EXCLUSIONS

The Plan will not provide benefits for any of the items listed in this section, regardless of medical necessity or recommendation of a physician or professional provider.

1. Charges for services, supplies or treatment from any hospital owned or operated by the United States government or any agency thereof or any government outside the United States, or charges for services, treatment or supplies furnished by the United States government or any agency thereof or any government outside the United States, unless payment is legally required.

2. Charges for an injury sustained or illness contracted while on active duty in military service, unless payment is legally required.

3. Charges for services, treatment or supplies for treatment of illness or injury which is caused by or attributed to by war or any act of war, participation in a riot, civil disobedience or insurrection. "War" means declared or undeclared war, whether civil or international, or any substantial armed conflict between organized forces of a military nature.

4. Any condition for which benefits of any nature are payable or are found to be eligible, either by adjudication or settlement, under any Workers' Compensation law, Employer's liability law, or occupational disease law, even though the covered person fails to claim rights to such benefits or fails to enroll or purchase such coverage. This does not include a covered person that is a sole proprietor, partner or executive officer that is not required by law to have workers’ compensation or similar coverage and does not have such coverage.

5. Charges made for services, supplies and treatment which are not medically necessary for the treatment of illness or injury, or which are not recommended and approved by the attending physician, except as specifically stated herein, or to the extent that the charges exceed customary and reasonable amount, qualifying payment amount (subject to the out-of-network rate) or the negotiated rate, as applicable.

   Note: The portion of this exclusion for services, supplies and treatment which are not medically necessary does not apply to services, supplies or treatments provided by Sutter Health and its affiliates’ facilities and providers when the Preferred Provider Organization is the Aetna Signature Administrators (ASA) network.

6. Charges in connection with any illness or injury of the covered person resulting from or occurring during commission or attempted commission of a criminal battery or felony by the covered person. This exclusion will not apply to an illness and/or injury sustained due to a medical condition (physical or mental) or domestic violence.

7. To the extent that payment under the Plan is prohibited by any law of any jurisdiction in which the covered person resides at the time the expense is incurred.

8. Charges for services rendered and/or supplies received prior to the effective date or after the termination date of a person's coverage.

9. Any services, supplies or treatment for which the covered person is not legally required to pay; or for which no charge would usually be made; or for which such charge, if made, would not usually be collected if no coverage existed; or to the extent the charge for the care exceeds the charge that would have been made and collected if no coverage existed.

10. Charges for services, supplies or treatment that are considered experimental/investigational, except as specified herein.
Note: This exclusion does not apply to services, supplies or treatments provided by Sutter Health and its affiliates’ facilities and providers when the Preferred Provider Organization is the Aetna Signature Administrators (ASA) network.

11. Charges incurred outside the United States if the covered person traveled to such a location for the sole purpose of obtaining services, supplies or treatment.

12. Charges for services, supplies or treatment rendered by any individual who is a close relative of the covered person or who resides in the same household as the covered person.

13. Charges for services, supplies or treatment rendered by physicians or professional providers beyond the scope of their license; for any treatment, confinement or service which is not recommended by or performed by an appropriate professional provider.

14. Charges for illnesses or injuries suffered by a covered person due to the action or inaction of any party if the covered person fails to provide information as specified in the section, Subrogation/Reimbursement.

15. Claims not submitted within the Plan's filing limit deadlines as specified in the section, Medical Claim Filing Procedure.

16. Charges for completion of claim forms and charges associated with missed appointments.
ELIGIBILITY, ENROLLMENT AND EFFECTIVE DATE

This section identifies the Plan's requirements for a person to participate in the Plan.

EMPLOYEE ELIGIBILITY

All full-time employees regularly scheduled to work at least thirty (30) hours per work week shall be eligible to enroll for coverage under the Plan. This does not include temporary or seasonal employees working less than an average of thirty (30) hours per work week over the employer's measurement period.

If applicable under the Affordable Care Act, an employee of the employer who is not currently working the minimum number of hours, but was working on average the minimum number of hours during the employer’s measurement period and is eligible during the employer’s stability period, as documented by the employer and consistent with the Affordable Care Act, applicable regulations and regulatory guidance, is eligible to enroll under the Plan, provided the employee is a member of a class eligible for coverage and has satisfied any waiting period that may be required by the employer.

Retired employees, who retired after having been employed by the employer for five (5) years or more, may continue coverage by paying the applicable contribution for employee and/or dependent coverage. While the employer expects retiree coverage to continue, the employer reserves the right to modify or discontinue retiree coverage or any other provision of the Plan at any time.

EMPLOYEE ENROLLMENT

An employee must file a written application (or electronic, if applicable) with the employer for coverage hereunder for himself within thirty-one (31) days of becoming eligible for coverage. The employee shall have the responsibility of timely forwarding to the employer all applications for enrollment hereunder. If the employee failed to make timely enrollment, the employee is considered a late enrollee and not eligible for coverage under the Plan until the next open enrollment period unless the employee otherwise qualifies for special enrollment during the Plan year.

EMPLOYEE(S) EFFECTIVE DATE

An employer may require new employees to complete a one (1) month, less one (1) day, “reasonable and bona fide” orientation period before the eligibility waiting period begins for the employer’s group health plan.

Eligible employees, as described in Employee Eligibility, are covered under the Plan on the first day of the month coincident with or following completion of thirty (30) days of continuous full-time employment, provided the employee has enrolled for coverage as described in Employee Enrollment.

DEPENDENT(S) ELIGIBILITY

The following describes dependent eligibility requirements. A dependent of a retiree is also eligible, provided they meet the same requirements as a dependent of an employee, as described below. The employer will require proof of dependent status.

1. The term "spouse" means the spouse of the employee under a legally valid existing marriage, as defined by the state in which the employee was legally married, unless court ordered separation exists.
2. The employee's natural child, stepchild, legally adopted child, child placed for adoption, foster child, and a child for whom the employee or covered spouse has been appointed legal guardian, is eligible through the end of the month in which the child reaches twenty-six (26) years of age.

3. An eligible child shall also include any other child of an employee or their spouse who is recognized in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN) which has been issued by any court judgment, decree, or order as being entitled to enrollment for coverage under the Plan. Such child shall be referred to as an alternate recipient. Alternate recipients are eligible for coverage only if the employee is also covered under the Plan. An application for enrollment must be submitted to the employer for coverage under the Plan. The employer/plan administrator shall establish written procedures for determining whether a medical child support order is a QMCSO or NMSN and for administering the provision of benefits under the Plan pursuant to a valid QMCSO or NMSN. Within a reasonable period after receipt of a medical child support order, the employer/plan administrator shall determine whether such order is a NMSN, as defined in 42 U.S.C.A §666 of the Child Support Performance and Incentive Act of 1998.

The employer/plan administrator reserves the right, waivable at its discretion, to seek clarification with respect to the order from the court or administrative agency which issued the order, up to and including the right to seek a hearing before the court or agency.

4. A dependent child who was covered under the Plan prior to the end of the month in which the child reached twenty-six (26) years of age and who lives with the employee, is unmarried, is incapable of self-sustaining employment and dependent upon the employee for support due to a mental and/or physical disability, will remain eligible for coverage under the Plan beyond the date coverage would otherwise terminate.

Proof of incapacitation must be provided within thirty-one (31) days of the child's loss of eligibility and thereafter as requested by the employer or claims processor, but not more than once every two (2) years. Eligibility may not be continued beyond the earliest of the following:

a. Cessation of the mental and/or physical disability;

b. Failure to furnish any required proof of mental and/or physical disability or to submit to any required examination.

Every eligible employee may enroll eligible dependents. However, if both the husband and wife are employees, they may choose to have one covered as the employee, and the spouse covered as the dependent of the employee, or they may choose to have both covered as employees. Eligible children may be enrolled as dependents of one spouse, but not both.

**DEPENDENT ENROLLMENT**

An employee must file a written application (or electronic, if applicable) with the employer for coverage hereunder for his eligible dependents within thirty-one (31) days of becoming eligible for coverage; and within thirty-one (31) days of marriage or the acquiring of children; within sixty (60) days of the adoption or placement for adoption; or within ninety (90) days of the birth of a child. The employee shall have the responsibility of timely forwarding to the employer all applications for enrollment hereunder. If the employee failed to make timely enrollment for his eligible dependents, the dependents are considered late enrollees and not eligible for coverage under the Plan until the next open enrollment period, unless the dependent otherwise qualifies for a special enrollment during the Plan year.

**DEPENDENT(S) EFFECTIVE DATE**

Eligible dependent(s), as described in Dependent(s) Eligibility, will become covered under the Plan on the later of the dates listed below, provided the employee has enrolled them in the Plan, as specified in Dependent Enrollment, upon meeting the Plan's eligibility requirements and any required contributions are made.

1. The date the employee's coverage becomes effective.
2. The date the dependent is acquired, provided the employee has applied for dependent coverage as specified in Dependent Enrollment.

3. Newborn children shall be covered from birth, regardless of confinement, provided the employee has applied for dependent coverage within ninety (90) days of birth.

4. Coverage for a newly adopted or to be adopted child shall be effective on the date the child is adopted or placed for adoption, whichever is earliest, provided the employee has applied for dependent coverage within sixty (60) days of the date the child is placed for adoption.

SPECIAL ENROLLMENT PERIOD (OTHER COVERAGE)

An employee or dependent who did not enroll for coverage under this Plan because he was covered under other group coverage or had health insurance coverage at the time he was initially eligible for coverage under this Plan, may request a special enrollment period if he is no longer eligible for the other coverage. Special enrollment periods will be granted if the individual's loss of eligibility is due to:

1. Termination of the other coverage (including exhaustion of COBRA benefits).
2. Cessation of employer contributions toward the other coverage.
3. Legal separation or divorce.
4. Termination of other employment or reduction in number of hours of other employment.
5. Death of dependent or spouse.
6. Cessation of other coverage because employee or dependent no longer resides or works in the service area and no other benefit package is available to the individual.
7. Cessation of dependent status under other coverage and dependent is otherwise eligible under employee's Plan.

Notwithstanding any provision of the Plan to the contrary, all benefits received by an individual under any benefit option, package or coverage under the Plan shall be applied toward the applicable maximum benefit paid by the Plan for any one covered person for such option, package or coverage under the Plan, and also toward any applicable maximum benefit under any other options, packages or coverages under the Plan in which the individual may participate in the future.

The end of any extended benefits period, which has been provided due to any of the above, will also be considered a loss of eligibility.

However, loss of eligibility does not include a loss due to failure of the individual to pay premiums or contributions on a timely basis or termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the other coverage).

The employee or dependent must request the special enrollment and enroll no later than thirty-one (31) days from the date of loss of other coverage.

The effective date of coverage as the result of a special enrollment shall be the day immediately following the day coverage under the prior plan ends, provided the completed enrollment form is received within thirty-one (31) days from the date of loss of other coverage.
SPECIAL ENROLLMENT PERIOD (DEPENDENT ACQUISITION)

An employee who is currently covered or not covered under the Plan, but who acquires a new dependent may request a special enrollment period for himself, if applicable, his newly acquired dependent and his spouse, if not already covered under the Plan and otherwise eligible for coverage.

For the purposes of this provision, the acquisition of a new dependent includes:

- marriage
- birth of a dependent child
- adoption or placement for adoption of a dependent child
- legal guardianship of a dependent child
- a foster child being placed with the employee

The employee must request the special enrollment within thirty-one (31) days of marriage; within sixty (60) days of adoption or placement for adoption; and within ninety (90) days of the birth of a child.

The effective date of coverage as the result of a special enrollment shall be:

1. in the case of marriage, the date of such marriage;
2. in the case of a dependent's birth, the date of such birth;
3. in the case of adoption or placement for adoption, the date of such adoption or placement for adoption.
4. in the case of legal guardianship, the date on which such child is placed in the covered employee's home pursuant to a court order appointing the covered employee as legal guardian for the child;
5. in the case of a foster child being placed with the employee, on the date on which such child is placed with the employee by an authorized placement agency or by judgment, decree or other order of a court of competent jurisdiction.

SPECIAL ENROLLMENT PERIOD (CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP) REAUTHORIZATION ACT OF 2009)

The Plan intends to comply with the Children's Health Insurance Program Reauthorization Act of 2009.

An employee who is currently covered or not covered under the Plan may request a special enrollment period for himself, if applicable, and his dependent. Special enrollment periods will be granted if:

1. the individual's loss of eligibility is due to termination of coverage under a state children's health insurance program or Medicaid; or,
2. the individual is eligible for any applicable premium assistance under a state children's health insurance program or Medicaid.

The employee or dependent must request the special enrollment and enroll no later than sixty (60) days from the date of loss of other coverage or from the date the individual becomes eligible for any applicable premium assistance.

OPEN ENROLLMENT

Open enrollment is the period designated by the employer during which the employee may elect coverage for himself and any eligible dependents if he is not covered under the Plan and does not qualify for a special enrollment as described herein. An open enrollment will be permitted once in each calendar year during the month of January.

During this open enrollment period, an employee and his dependents who are not covered under the Plan must complete and submit an enrollment form for coverage. Coverage shall be effective on the following February 1st.
TERMINATION OF COVERAGE

Except as provided in the Plan's Continuation of Coverage (COBRA) provision, coverage will terminate on the earliest of the following dates:

TERMINATION OF EMPLOYEE COVERAGE

1. The date the employer terminates the Plan and offers no other group health plan.
2. The last day of the month in which the employee ceases to meet the eligibility requirements of the Plan.
3. The last day of the month in which employment terminates, as defined by the employer's personnel policies.
4. The date the employee becomes a full-time, active duty member of the armed forces of any country.
5. The date the employee or retiree ceases to make any required contributions.

TERMINATION OF DEPENDENT(S) COVERAGE

1. The date the employer terminates the Plan and offers no other group health plan.
2. The date the employee's coverage terminates.
3. The last day of the month in which such person ceases to meet the eligibility requirements of the Plan.
4. The date the employee or retiree ceases to make any required contributions on the dependent's behalf.
5. The date the employee's dependent spouse becomes a full-time, active duty member of the armed forces of any country.
6. The date the Plan discontinues dependent coverage for any and all dependents.
7. The date the employee's dependent spouse becomes eligible as an employee.

LEAVE OF ABSENCE

Coverage may be continued for a limited time, contingent upon payment of any required contributions for employees and/or dependents, when the employee is on an authorized leave of absence from the employer. In no event will coverage continue for more than three (3) months after the employee's active service ends.

LAYOFF

Coverage may be continued for a limited time, contingent upon payment of any required contributions for employees and/or dependents, when the employee is subject to an employer layoff. In no event will coverage continue for more than three (3) months after the employee's active service ends.

FAMILY AND MEDICAL LEAVE ACT (FMLA)

Eligible Leave

An employee who is eligible for unpaid leave and benefits under the terms of the Family and Medical Leave Act of 1993 (FMLA), as amended, has the right to continue coverage under the Plan for up to twelve (12) weeks, or (twenty-six (26) weeks in certain circumstances). Employees should contact the employer to determine whether they are eligible under FMLA.
Contributions

During this leave, the employer will continue to pay the same portion of the employee's contribution for the Plan. The employee shall be responsible to continue payment for eligible dependent's coverage and any remaining employee contributions. If the covered employee fails to make the required contribution during a FMLA leave within thirty (30) days after the date the contribution was due, the coverage will terminate effective on the date the contribution was due.

Reinstatement

If coverage under the Plan was terminated during an approved FMLA leave, and the employee returns to active work immediately upon completion of that leave, Plan coverage will be reinstated on the date the employee returns to active work as if coverage had not terminated, provided the employee makes any necessary contributions and enrolls for coverage within thirty-one (31) days of his return to active work.

Repayment Requirement

The employer may require employees who fail to return from a leave under FMLA to repay any contributions paid by the employer on the employee's behalf during an unpaid leave. This repayment will be required only if the employee's failure to return from such leave is not related to a "serious health condition," as defined in FMLA, or events beyond the employee's control.

EMPLOYEE REINSTATEMENT

Employees and eligible dependents who lost coverage due to an approved leave of absence, layoff, or termination of employment with the employer are eligible for reinstatement of coverage as follows:

1. Reinstatement of coverage is available to employees and dependents who were previously covered under the Plan.

2. Rehire or return to active service must occur within three (3) months of the last day worked.

3. The employee must submit the completed application for enrollment to the employer within thirty-one (31) days of rehire or return to work.

4. Coverage shall be effective from the date of rehire or return to work. Prior benefits and limitations, such as deductible, and maximum benefit shall be applied with no break in coverage.

If the provisions of (1) through (3) above are not met, the Plan's provisions for eligibility and application for enrollment shall apply.

An employee who returns to work more than three (3) months following a leave of absence, layoff, or termination of employment will be considered a new employee for purposes of eligibility and will be subject to all eligibility requirements, including all requirements relating to the effective date of coverage.
CONTINUATION OF COVERAGE

In order to comply with federal regulations, the Plan includes a continuation of coverage option for certain individuals whose coverage would otherwise terminate. The following is intended to comply with the Public Health Services Act. This continuation of coverage may be commonly referred to as "COBRA coverage" or "continuation coverage."

The coverage which may be continued under this provision consists of health coverage. It does not include life insurance benefits, accidental death and dismemberment benefits, or income replacement benefits. Health coverage includes medical and prescription drug benefits as provided under the Plan.

QUALIFYING EVENTS

Qualifying events are any one of the following events that would cause a covered person to lose coverage under the Plan or cause an increase in required contributions, even if such loss of coverage or increase in required contributions does not take effect immediately, and allow such person to continue coverage beyond the date described in Termination of Coverage:

1. Death of the employee.
2. The employee's termination of employment (other than termination for gross misconduct), or reduction in work hours to less than the minimum required for coverage under the Plan. This event is referred to below as an "18-Month Qualifying Event."
3. Divorce or legal separation from the employee.
4. The employee's entitlement to Medicare benefits under Title XVIII of the Social Security Act, if it results in the loss of coverage under this Plan.
5. A dependent child no longer meets the eligibility requirements of the Plan.
6. A covered retiree and their covered dependents whose benefits were substantially eliminated within one (1) year of the employer filing for Chapter 11 bankruptcy.

NOTIFICATION REQUIREMENTS

1. When eligibility for continuation of coverage results from a spouse being divorced or legally separated from a covered employee, or a child's loss of dependent status, the employee or dependent must submit a completed Qualifying Event Notification form to the plan administrator (or its designee) within sixty (60) days of the latest of:
   a. The date of the event;
   b. The date on which coverage under the Plan is or would be lost as a result of that event; or
   c. The date on which the employee or dependent is furnished with a copy of this Plan Document.

   A copy of the Qualifying Event Notification form is available from the plan administrator (or its designee). In addition, the employee or dependent may be required to promptly provide any supporting documentation as may be reasonably requested for purposes of verification. Failure to provide such notice and any requested supporting documentation will result in the person forfeiting their rights to continuation of coverage under this provision.

Within fourteen (14) days of the receipt of a properly completed Qualifying Event Notification, the plan administrator (or its designee) will notify the employee or dependent of his rights to elect continuation of coverage, and what process is required to elect continuation of coverage. This notice is referred to below as "Election Notice."
2. When eligibility for continuation of coverage results from any qualifying event under the Plan other than the ones described in Paragraph 1 above, the employer must notify the plan administrator (or its designee) not later than thirty (30) days after the date on which the employee or dependent loses coverage under the Plan due to the qualifying event. Within fourteen (14) days of the receipt of the notice of the qualifying event, the plan administrator (or its designee) will furnish the Election Notice to the employee or dependent.

3. In the event it is determined that an individual seeking continuation of coverage (or extension of continuation coverage) is not entitled to such coverage, the plan administrator (or its designee) will provide to such individual an explanation as to why the individual is not entitled to continuation coverage. This notice is referred to here as the "Non-Eligibility Notice." The Non-Eligibility Notice will be furnished in accordance with the same time frame as applicable to the furnishing of the Election Notice.

4. In the event an Election Notice is furnished, the eligible employee or dependent has sixty (60) days to decide whether to elect continued coverage. Each person who is described in the Election Notice and was covered under the Plan on the day before the qualifying event has the right to elect continuation of coverage on an individual basis, regardless of family enrollment. If the employee or dependent chooses to have continuation coverage, he must advise the plan administrator (or its designee) of this choice by returning to the plan administrator (or its designee) a properly completed Election Notice not later than the last day of the sixty (60) day period. If the Election Notice is mailed to the plan administrator (or its designee), it must be postmarked on or before the last day of the sixty (60) day period. This sixty (60) day period begins on the later of the following:
   a. The date coverage under the Plan would otherwise end; or
   b. The date the person receives the Election Notice from the plan administrator (or its designee).

5. Within forty-five (45) days after the date the person notifies the plan administrator (or its designee) that he has chosen to continue coverage, the person must make the initial payment. The initial payment will be the amount needed to provide coverage from the date continued benefits begin, through the last day of the month in which the initial payment is made. Thereafter, payments for the continuation coverage are to be made monthly, and are due in advance, on the first day each month.

COST OF COVERAGE

1. The Plan requires that covered persons pay the entire costs of their continuation coverage, plus a two percent (2%) administrative fee. Except for the initial payment (see above), payments must be remitted to the plan administrator (or its designee) by or before the first day of each month during the continuation period. The payment must be remitted on a timely basis in order to maintain the coverage in force.

2. For a person originally covered as an employee or as a spouse, the cost of coverage is the amount applicable to an employee if coverage is continued for himself alone. For a person originally covered as a child and continuing coverage independent of the family unit, the cost of coverage is the amount applicable to an employee.

WHEN CONTINUATION COVERAGE BEGINS

When continuation coverage is elected and the initial payment is made within the time period required, coverage is reinstated back to the date of the loss of coverage, so that no break in coverage occurs. Coverage for dependents acquired and properly enrolled during the continuation period begins in accordance with the enrollment provisions of the Plan.

FAMILY MEMBERS ACQUIRED DURING CONTINUATION

A spouse or dependent child newly acquired during continuation coverage is eligible to be enrolled as a dependent. The standard enrollment provision of the Plan applies to enrollees during continuation coverage. A dependent acquired and enrolled after the original qualifying event, other than a child born to or placed for adoption with a covered employee during a period of COBRA continuation coverage, is not eligible for a separate continuation if a subsequent event results in the person's loss of coverage.
EXTENSION OF CONTINUATION COVERAGE

1. In the event any of the following events occur during the period of continuation coverage resulting from an 18-Month Qualifying Event, it is possible for a dependent's continuation coverage to be extended:
   a. Death of the employee.
   b. Divorce or legal separation from the employee.
   c. The child's loss of dependent status.

Written notice of such event must be provided by submitting a completed Additional Extension Event Notification form to the plan administrator (or its designee) within sixty (60) days of the latest of:
   (i.) The date of that event;
   (ii.) The date on which coverage under the Plan would be lost as a result of that event if the first qualifying event had not occurred; or
   (iii.) The date on which the employee or dependent is furnished with a copy of the Plan Document.

A copy of the Additional Extension Event Notification form is available from the plan administrator (or its designee). In addition, the dependent may be required to promptly provide any supporting documentation as may be reasonably required for purposes of verification. Failure to properly provide the Additional Extension Event Notification and any requested supporting documentation will result in the person forfeiting their rights to extend continuation coverage under this provision. In no event will any extension of continuation coverage extend beyond thirty-six (36) months from the later of the date of the first qualifying event or the date as of which continuation coverage began.

Only a person covered prior to the original qualifying event or a child born to or placed for adoption with a covered employee during a period of COBRA coverage may be eligible to continue coverage through an extension of continuation coverage as described above. Any other dependent acquired during continuation coverage is not eligible to extend continuation coverage as described above.

2. A person who loses coverage on account of an 18-Month Qualifying Event may extend the maximum period of continuation coverage from eighteen (18) months to up to twenty-nine (29) months in the event both of the following occur:
   a. That person (or another person who is entitled to continuation coverage on account of the same 18-Month Qualifying Event) is determined by the Social Security Administration, under Title II or Title XVI of the Social Security Act, to have been disabled before the sixtieth (60th) day of continuation coverage; and
   b. The disability status, as determined by the Social Security Administration, lasts at least until the end of the initial eighteen (18) month period of continuation coverage.

The disabled person (or his representative) must submit written proof of the Social Security Administration's disability determination to the plan administrator (or its designee) within the initial eighteen (18) month period of continuation coverage and no later than sixty (60) days after the latest of:
   (i.) The date of the disability determination by the Social Security Administration;
   (ii.) The date of the 18-Month Qualifying Event;
   (iii.) The date on which the person loses (or would lose) coverage under the Plan as a result of the 18-Month Qualifying Event; or
   (iv.) The date on which the person is furnished with a copy of the Plan Document.

Should the disabled person fail to notify the plan administrator (or its designee) in writing within the time frame described above, the disabled person (and others entitled to disability extension on account of that person) will then be entitled to whatever period of continuation he or they would otherwise be entitled to, if any. The Plan may require that the individual pay one hundred and fifty percent (150%) of the cost of
continuation coverage during the additional eleven (11) months of continuation coverage. In the event the Social Security Administration makes a final determination that the individual is no longer disabled, the individual must provide notice of that final determination no later than thirty (30) days after the later of:

(A.) The date of the final determination by the Social Security Administration; or
(B.) The date on which the individual is furnished with a copy of the Plan Document.

END OF CONTINUATION

Continuation of coverage under this provision will end on the earliest of the following dates:

1. Eighteen (18) months (or twenty-nine (29) months if continuation coverage is extended due to certain disability status as described above) from the date continuation began because of an 18-Month Qualifying Event or the last day of leave under the Family and Medical Leave Act of 1993.

2. Twenty-four (24) months from the date continuation began because of the call-up to military duty.

3. Thirty-six (36) months from the date continuation began for dependents whose coverage ended because of the death of the employee, divorce or legal separation from the employee, or the child’s loss of dependent status.

4. The end of the period for which contributions are paid if the covered person fails to make a payment by the date specified by the plan administrator (or its designee). In the event continuation coverage is terminated for this reason, the individual will receive a notice describing the reason for the termination of coverage, the effective date of termination, and any rights the individual may have under the Plan or under applicable law to elect an alternative group or individual coverage, such as a conversion right. This notice is referred to below as an "Early Termination Notice."

5. The date coverage under the Plan ends and the employer offers no other group health benefit plan. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.

6. The date the covered person first becomes entitled, after the date of the covered person’s original election of continuation coverage, to Medicare benefits under Title XVIII of the Social Security Act. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.

7. The date the covered person first becomes covered under any other employer’s group health plan after the original date of the covered person’s election of continuation coverage.

8. For the spouse or dependent child of a covered employee who becomes entitled to Medicare prior to the spouse’s or dependent’s election for continuation coverage, thirty-six (36) months from the date the covered employee becomes entitled to Medicare.

9. Retirees, and widows or widowers of retirees who died before substantial elimination of coverage within one (1) year of the employer’s bankruptcy, are entitled to lifetime continuation coverage. However, if a retiree dies after substantial elimination of coverage within one (1) year of the employer’s bankruptcy, the surviving spouse and dependent children may only elect an additional thirty-six (36) months of continuation coverage after the death.

SPECIAL RULES REGARDING NOTICES

1. Any notice required in connection with continuation coverage under the Plan must, at minimum, contain sufficient information so that the plan administrator (or its designee) is able to determine from such notice the employee and dependent(s) (if any), the qualifying event or disability, and the date on which the qualifying event occurred.
2. In connection with continuation coverage under the Plan, any notice required to be provided by any individual who is either the employee or a dependent with respect to the qualifying event may be provided by a representative acting on behalf of the employee or the dependent, and the provision of the notice by one individual shall satisfy any responsibility to provide notice on behalf of all related eligible individuals with respect to the qualifying event.

3. As to an Election Notice, Non-Eligibility Notice or Early Termination Notice:

   a. A single notice addressed to both the employee and the spouse will be sufficient as to both individuals if, on the basis of the most recent information available to the Plan, the spouse resides at the same location as the employee; and

   b. A single notice addressed to the employee or the spouse will be sufficient as to each dependent child of the employee if, on the basis of the most recent information available to the Plan, the dependent child resides at the same location as the individual to whom such notice is provided.

**MILITARY MOBILIZATION**

If an employee is called for active duty by the United States Armed Services (including the Coast Guard, the National Guard or the Public Health Service), the employee and the employee's dependent may continue their health coverages, pursuant to the Uniformed Services Employment and Reemployment Rights Act (USERRA).

When the leave is less than thirty-one (31) days, the employee and the employee's dependent may not be required to pay more than the employee's share, if any, applicable to that coverage. If the leave is thirty-one (31) days or longer, then the plan administrator (or its designee) may require the employee and the employee's dependent to pay no more than one hundred and two percent (102%) of the full contribution.

The maximum length of the continuation coverage required under the Uniformed Services Employment and Reemployment Rights Act (USERRA) is the lesser of:

1. Twenty-four (24) months beginning on the day that the leave commences, or

2. A period beginning on the day that the leave began and ending on the day after the employee fails to return to employment within the time allowed.

The period of continuation coverage under USERRA will be counted toward any continuation coverage period concurrently available under COBRA. Upon return from active duty, the employee and the employee's dependent will be reinstated without a waiting period, regardless of their election of COBRA continuation coverage.

**PLAN CONTACT INFORMATION**

Questions concerning the Plan, including any available continuation coverage, can be directed to the plan administrator (or its designee).

**ADDRESS CHANGES**

In order to help ensure the appropriate protection of rights and benefits under the Plan, covered persons should keep the plan administrator (or its designee) informed of any changes to their current addresses.
MEDICAL CLAIM FILING PROCEDURE

A “pre-service claim” is a claim for a Plan benefit that is subject to the pre-certification rules, as described in the section, Pre-Service Claim Procedure. All other claims for Plan benefits are “post-service claims” and are subject to the rules described in the section, Post-Service Claim Procedure.

POST-SERVICE CLAIM PROCEDURE

FILING A CLAIM

1. Claims should be submitted to the address shown on the ID card.

   The date of receipt will be the date the claim is received by the claims processor.

2. All claims submitted for benefits must contain all of the following:
   a. Name of patient.
   b. Patient’s date of birth.
   c. Name of employee.
   d. Address of employee.
   e. Name of employer and group number.
   f. Name, address and tax identification number of provider.
   g. Employee Trustmark Health Benefits, Inc. Member Identification Number.
   h. Date of service.
   i. Diagnosis and diagnosis code.
   j. Description of service and procedure number.
   k. Charge for service.
   l. The nature of the accident, injury or illness being treated.

   Cash register receipts, credit card copies, labels from containers and cancelled checks are not acceptable.

3. All claims not submitted within fifteen (15) months from the date the services were rendered will not be a covered expense and will be denied.

   The covered person may ask the health care provider to submit the claim directly to the claims processor as outlined above, or the covered person may submit the bill with a claim form. However, it is ultimately the covered person’s responsibility to make sure the claim for benefits has been filed.

NOTICE OF AUTHORIZED REPRESENTATIVE

The covered person may provide the plan administrator (or its designee) with a written authorization for an authorized representative to represent and act on behalf of a covered person and consent to the release of information related to the covered person to the authorized representative with respect to a claim for benefits or an appeal. Authorization forms may be obtained from the Human Resource Department.

NOTICE OF CLAIM

A claim for benefits should be submitted to the claims processor within ninety (90) calendar days after the occurrence or commencement of any services by the Plan, or as soon thereafter as reasonably possible.
Failure to file a claim within the time provided shall not invalidate or reduce a claim for benefits if: (1) it was not reasonably possible to file a claim within that time; and (2) that such claim was furnished as soon as possible, but no later than fifteen (15) months after the loss occurs or commences, unless the claimant is legally incapacitated.

Notice given by or on behalf of a covered person or his beneficiary, if any, to the plan administrator or to any authorized agent of the Plan, with information sufficient to identify the covered person, shall be deemed notice of claim.

**TIME FRAME FOR BENEFIT DETERMINATION**

After a completed claim has been submitted to the claims processor, and no additional information is required, the claims processor will generally complete its determination of the claim within thirty (30) calendar days of receipt of the completed claim unless an extension is necessary due to circumstances beyond the Plan’s control.

After a completed claim has been submitted to the claims processor, and if additional information is needed for determination of the claim, the claims processor will provide the covered person (or authorized representative) with a notice detailing information needed. The notice will be provided within thirty (30) calendar days of receipt of the completed claim and will state the date as of which the Plan expects to make a decision. The covered person will have forty-five (45) calendar days to provide the information requested, and the Plan will complete its determination of the claim within fifteen (15) calendar days of receipt by the claims processor of the requested information. Failure to respond in a timely and complete manner will result in the adverse benefit determination.

**NOTICE OF ADVERSE BENEFIT DETERMINATION**

If the claim for benefits is denied, the plan administrator (or its designee) shall provide the covered person (or authorized representative) with a written Notice of Adverse Benefit Determination within the time frames described immediately above.

The Notice of Adverse Benefit Determination shall include an explanation of the denial, including:

1. Information sufficient to identify the claim involved.
2. The specific reasons for the adverse benefit determination, to include:
   a. The denial code and its specific meaning, and
   b. A description of the Plan’s standards, if any, used when denying the claim.
3. Reference to the Plan provisions on which the adverse benefit determination is based.
4. A description of any additional material or information needed and an explanation of why such material or information is necessary.
5. A description of the Plan’s claim appeal procedure and applicable time limits.
6. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Adverse Benefit Determination will contain either:
   a. A copy of that criterion, or
   b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
7. If the adverse benefit determination was based on medical necessity, experimental/investigational treatment or similar exclusion or limit, the plan administrator (or its designee) will supply either:
   a. An explanation of the scientific or clinical judgment, applying the terms of the Plan to the covered person’s medical circumstances, or
   b. A statement that such explanation will be supplied free of charge, upon request.

**APPELLING AN ADVERSE BENEFIT DETERMINATION ON A POST-SERVICE CLAIM**

A covered person, or the covered person’s authorized representative, may request a review of an adverse benefit determination on a Post-Service claim by making written request to the claims processor within one hundred eighty
(180) calendar days from receipt of notification of the adverse benefit determination and stating the reasons the covered person feels the claim should not have been denied.

The following describes the review process and rights of the covered person for a full and fair review:

1. The covered person has the right to submit documents, information and comments and to present evidence and testimony.
2. The covered person has the right to access, free of charge, relevant information to the claim for benefits.
3. Before a final adverse benefit determination on appeal is rendered, the covered person will be provided, free of charge, with any new or additional rationale or evidence considered, relied upon, or generated by the Plan in connection with the claim. Such information will be provided as soon as possible and sufficiently in advance of the notice of final internal adverse benefit determination. However there could be circumstances where the new or additional evidence or rationale could be received so late that it would be impossible to provide the covered person in time to have a reasonable opportunity to respond. In these circumstances, the period for providing notice of final determination on appeal will be tolled until the earliest of the following dates:
   a. The date the covered person responds to the new or additional rationale or evidence; or
   b. Three (3) weeks from the date the new or additional rationale or evidence was mailed to the covered person.
4. The review takes into account all information submitted by the covered person, even if it was not considered in the initial benefit determination.
5. The review by the claims processor will not afford deference to the original adverse benefit determination.
6. The claims processor will not be:
   a. The individual who originally denied the claim, nor
   b. Subordinate to the individual who originally denied the claim.
7. If the original adverse benefit determination was, in whole or in part, based on medical judgment:
   a. The claims processor will consult with a professional provider who has appropriate training and experience in the field involving the medical judgment; and
   b. The professional provider utilized by the claims processor will be neither:
      (i.) An individual who was consulted in connection with the original adverse benefit determination, nor
      (ii.) A subordinate of any other professional provider who was consulted in connection with the original adverse benefit determination.
8. If requested, the claims processor will identify the medical or vocational expert(s) who gave advice in connection with the original adverse benefit determination, whether or not the advice was relied upon.

NOTICE OF BENEFIT DETERMINATION ON APPEAL

The plan administrator (or its designee) shall provide the covered person (or authorized representative) with a written notice of the appeal decision within sixty (60) calendar days of receipt of a written request for the appeal.

If the appeal is denied, the Notice of Appeal Decision will contain an explanation of the Decision, including:

1. The specific reasons for the adverse benefit determination.
2. Reference to specific Plan provisions on which the adverse benefit determination is based.
3. A statement that the covered person has the right to access, free of charge, relevant information to the claim for benefits.
4. A statement of the covered person’s right to request an external review and a description of the process for requesting such a review.
5. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Appeal Decision will contain either:
   a. A copy of that criterion, or
   b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
6. If the adverse benefit determination was based on medical necessity, experimental/investigational treatment or similar exclusion or limit, the plan administrator (or its designee) will supply either:
a. An explanation of the scientific or clinical judgment, applying the terms of the Plan to the claimant’s medical circumstances, or
b. A statement that such explanation will be supplied free of charge, upon request.

FOREIGN CLAIMS

In the event a covered person incurs a covered expense in a foreign country, the covered person shall be responsible for providing the following information to the claims processor before payment of any benefits due are payable:

1. The claim form, provider invoice and any documentation required to process the claim must be submitted in the English language.
2. The charges for services must be converted into U.S. dollars.
3. A current published conversion chart, validating the conversion from the foreign country’s currency into U.S. dollars, must be submitted with the claim.

PRE-SERVICE CLAIM PROCEDURE

HEALTH CARE MANAGEMENT

Health care management is the process of evaluating whether proposed services, supplies or treatments are medically necessary and appropriate to help ensure quality, cost-effective care.

Certification of medical necessity and appropriateness by the Health Care Management Organization does not establish eligibility under the Plan nor guarantee benefits.

FILING A PRE-CERTIFICATION CLAIM

This pre-certification provision will be waived by the Health Care Management Organization if the covered expense is rendered/provided outside of the continental United States of America or any U.S. Commonwealth, Territory or Possession.

All non-emergency medical condition inpatient admissions, partial hospitalizations, home health care (excluding supplies and durable medical equipment), hospice care, skilled nursing facilities, IV infusion therapy, private duty nursing, and organ or tissue transplants are to be certified by the Health Care Management Organization. For non-emergency medical conditions, the covered person (or their authorized representative) must call the Health Care Management Organization prior to initiation of services. If the Health Care Management Organization is not called prior to initiation of services for non-emergency medical conditions care, benefits may be reduced.

Covered persons shall contact the Health Care Management Organization by calling the number found on the covered person’s ID card.

When a covered person (or authorized representative) calls the Health Care Management Organization, he or she should be prepared to provide all of the following information:

1. Employee’s name, address, phone number and Trustmark Health Benefits, Inc. Member Identification Number.
2. Employer’s name.
3. If not the employee, the patient’s name, address, phone number.
4. Admitting physician’s name and phone number.
5. Name of facility, home health care agency or hospice.
6. Date of admission or proposed date of admission.
7. Condition for which patient is being admitted.
Group health plans generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than forty-eight (48) hours following a normal vaginal delivery, or less than ninety-six (96) hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than forty-eight (48) hours (or ninety-six (96) hours as applicable). In any case, plans may not, under federal law, require that a provider obtain authorization from the Plan for prescribing a length of stay not in excess of the above periods.

However, hospital maternity stays in excess of forty-eight (48) or ninety-six (96) hours as specified above must be pre-certified.

If the covered person (or authorized representative) fails to contact the Health Care Management Organization prior to a hospitalization in a preferred provider facility and within the timelines detailed above, covered expenses incurred for the hospitalization shall be reduced by $200. If the covered person (or authorized representative) fails to contact the Health Care Management Organization prior to a hospitalization in a nonpreferred provider facility and within the timelines detailed above, covered expenses incurred for the hospitalization shall be reduced by fifty percent (50%). This reduction shall not apply when the agreement between a Aetna preferred provider and Aetna preferred provider organization prohibits a reduction in benefits for failure to pre-certify. If the Health Care Management Organization declines to grant the full pre-certification requested, benefits for days not certified as medically necessary by the Health Care Management Organization shall be denied. (Refer to Post-Service Claim Procedure discussion above.)

NOTIFICATION REQUIREMENT

Notification is required within forty-eight (48) hours or the next business day of an emergency medical condition admission by the calling the number on the covered person’s ID card.

NOTICE OF AUTHORIZED REPRESENTATIVE

The covered person may provide the plan administrator (or its designee) with a written authorization for an authorized representative to represent and act on behalf of a covered person and consent to release of information related to the covered person to the authorized representative with respect to a claim for benefits or an appeal. Authorization forms may be obtained from the Human Resource Department. Notwithstanding the foregoing, requests for pre-certification and other pre-service claims or requests by a person or entity other than the covered person may be processed without a written authorization if the request or claim appears to the plan administrator (or its designee) to come from a reasonably appropriate and reliable source (e.g., physician’s office, individuals identifying themselves as immediate relatives, etc.).

TIME FRAME FOR PRE-SERVICE CLAIM DETERMINATION

1. In the event the Plan receives from the covered person (or authorized representative) a communication that fails to follow the pre-certification procedure as described above but communicates at least the name of the covered person, a specific medical condition or symptom, and a specific treatment, service or product for which prior approval is requested, the covered person (or the authorized representative) will be orally notified (and in writing if requested), within five (5) calendar days of the failure of the proper procedure to be followed.

2. After a completed pre-certification request for non-urgent care has been submitted to the Plan, and if no additional information is required, the Plan will generally complete its determination of the claim within a reasonable period of time, but no later than fifteen (15) calendar days from receipt of the request.

3. After a pre-certification request for non-urgent care has been submitted to the Plan, and if an extension of time to make a decision is necessary due to circumstances beyond the control of the Plan, the Plan will, within fifteen (15) calendar days from receipt of the request, provide the covered person (or authorized representative) with a notice detailing the circumstances and the date by which the Plan expects to render a decision. If the circumstances include a failure to submit necessary information, the notice will specifically describe the needed information. The covered person will have forty-five (45) calendar days to provide the information requested,
and the Plan will complete its determination of the claim no later than fifteen (15) calendar days after receipt by the Plan of the requested information. Failure to respond in a timely and complete manner will result in an adverse benefit determination.

**CONCURRENT CARE CLAIMS**

If an extension beyond the original certification is required, the covered person (or authorized representative) shall call the Health Care Management Organization for continuation of certification.

If a covered person (or authorized representative) requests to extend a previously approved hospitalization or an ongoing course of treatment, and;

1. The request involves non-urgent care, then the extension request must be processed within fifteen (15) calendar days after the request was received.

2. The inpatient admission or ongoing course of treatment involves urgent care, and
   
   a. The request is received at least twenty-four (24) hours before the scheduled end of a hospitalization or course of treatment, then the request must be ruled upon and the covered person (or authorized representative) notified as soon as possible taking into consideration medical exigencies but no later than twenty-four (24) hours after the request was received; or
   
   b. The request is received less than twenty-four (24) hours before the scheduled end of the hospitalization or course of treatment, then the request must be ruled upon and the covered person (or authorized representative) notified as soon as possible but no later than seventy-two (72) hours after the request was received; or
   
   c. The request is received less than twenty-four (24) hours before the scheduled end of the hospitalization or course of treatment and additional information is required, the covered person (or authorized representative) will be notified within twenty-four (24) hours of the additional information required. The covered person (or authorized representative) has forty-eight (48) hours to provide such information (may be oral unless written is requested). Upon timely response, the covered person (or authorized representative) will be notified as soon as possible but no later than forty-eight (48) hours after receipt of additional information. Failure to submit requested information timely will result in an adverse benefit determination of such request.

If the Health Care Management Organization determines that the hospital stay or course of treatment should be decreased or terminated before the end of the fixed number of days and/or treatments, or the fixed time period that was previously approved, then the Health Care Management Organization shall:

1. Notify the covered person of the proposed change, and

2. Allow the covered person to file an appeal and obtain a decision, before the end of the fixed number of days and/or treatments, or the fixed time period that was previously approved.

If, at the end of a previously approved hospitalization or course of treatment, the Health Care Management Organization determines that continued confinement is no longer medically necessary, additional days will not be certified. (Refer to Appealing a Denied Pre-Service Claim discussion below.)

**NOTICE OF ADVERSE BENEFIT DETERMINATION ON A PRE-SERVICE CLAIM**

If a pre-certification request is denied in whole or in part, the plan administrator (or its designee) shall provide the covered person (or authorized representative) with a written Notice of an Adverse Benefit Determination on a Pre-Service Claim within the time frames above.
The Notice of Adverse Benefit Determination on a Pre-Service Claim shall include an explanation of the denial, including:

1. Information sufficient to identify the claim involved.
2. The specific reasons for the denial, to include:
   a. The denial code and its specific meaning, and
   b. A description of the Plan’s standards, if any, used when denying the claim.
3. Reference to the Plan provisions on which the adverse benefit determination is based.
4. A description of any additional material or information needed and an explanation of why such material or information is necessary.
5. A description of the Plan’s claim appeal procedure and applicable time limits.
6. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Adverse Benefit Determination on a Pre-Service Claim will contain either:
   a. A copy of that criterion, or
   b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
7. If the adverse benefit determination was based on medical necessity, experimental/investigational treatment or similar exclusion or limit, the plan administrator (or its designee) will supply either:
   a. An explanation of the scientific or clinical judgment, applying the terms of the Plan to the covered person’s medical circumstances, or
   b. A statement that such explanation will be supplied free of charge, upon request.

APPEALING AN ADVERSE BENEFIT DETERMINATION OF A DENIED PRE-SERVICE CLAIM

A covered person (or authorized representative) may request a review of an Adverse Benefit Determination of a Pre-Service claim by making a verbal or written request to the claims processor within one hundred eighty (180) calendar days from receipt of notification of the adverse benefit determination and stating the reasons the covered person feels the claim should not have been denied. If the covered person (or authorized representative) wishes to appeal the adverse benefit determination when the services in question have already been rendered, such an appeal will be considered as a separate post-service claim. (Refer to Post-Service Claim Procedure discussion above.)

The following describes the review process and rights of the covered person for a full and fair review:

1. The covered person has the right to submit documents, information and comments and to present evidence and testimony.
2. The covered person has the right to access, free of charge, relevant information to the claim for benefits.
3. Before a final determination on appeal is rendered, the covered person will be provided, free of charge, with any new or additional rationale or evidence considered, relied upon, or generated by the Plan in connection with the claim. Such information will be provided as soon as possible and sufficiently in advance of the notice of final internal determination to give the covered person an opportunity to respond. The period for providing notice of final determination on appeal will be tolled until the earliest of the following dates:
   a. The date the covered person responds to the new or additional rationale or evidence; or
   b. Three (3) weeks from the date the new or additional rationale or evidence was mailed to the covered person.
4. The review takes into account all information submitted by the covered person, even if it was not considered in the initial benefit determination.
5. The review by the claims processor will not afford deference to the original adverse benefit determination.
6. The claims processor will not be:
   a. The individual who originally denied the claim, nor
   b. Subordinate to the individual who originally denied the claim.
7. If the original adverse benefit determination was, in whole or in part, based on medical judgment:
   a. The claims processor will consult with a professional provider who has appropriate training and experience in the field involving the medical judgment; and
   b. The professional provider utilized by the claims processor will be neither:
(i.) An individual who was consulted in connection with the original adverse benefit determination, nor
(ii.) A subordinate of any other professional provider who was consulted in connection with the original adverse benefit determination.

8. If requested, the claims processor will identify the medical or vocational expert(s) who gave advice in connection with the original adverse benefit determination, whether or not the advice was relied upon.

**NOTICE OF PRE-SERVICE DETERMINATION ON APPEAL**

The plan administrator (or its designee) shall provide the covered person (or authorized representative) with a written Notice of Appeal Decision as soon as possible, but not later than thirty (30) calendar days from receipt of the appeal (not applicable to urgent care claims).

If the appeal is denied, the Notice of Appeal Decision will contain an explanation of the decision, including:

1. The specific reasons for the adverse benefit determination.
2. Reference to specific Plan provisions on which the adverse benefit determination is based.
3. A statement that the covered person has the right to access, free of charge, relevant information to the claim for benefits.
4. A statement of the covered person's right to request an external review and a description of the process for requesting such a review.
5. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Appeal Decision will contain either:
   a. A copy of that criterion, or
   b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
6. If the adverse benefit determination was based on medical necessity, experimental/investigational treatment or similar exclusion or limit, the plan administrator (or its designee) will supply either:
   a. An explanation of the scientific or clinical judgment, applying the terms of the Plan to the claimant’s medical circumstances, or
   b. A statement that such explanation will be supplied free of charge, upon request.

**CASE MANAGEMENT**

In cases where the covered person’s condition is expected to be or is of a serious nature, the Health Care Management Organization may arrange for review and/or case management services from a professional qualified to perform such services. The plan administrator shall have the right to alter or waive the normal provisions of the Plan when it is reasonable to expect a cost-effective result without a sacrifice to the quality of care.

In addition, the Health Care Management Organization may recommend (or change) alternative:

- methods of medical care or treatment;
- equipment; or
- supplies;

that differ from the medical care or treatment, equipment or supplies that are considered covered expenses under the Plan.

The recommended alternatives will be considered as covered expenses under the Plan provided the expenses can be shown to be viable, medically necessary, and are included in a written case management report or treatment plan proposed by the Health Care Management Organization.

Case management will be determined on the merits of each individual case, and any care or treatment provided will not be considered as setting any precedent or creating any future liability with respect to that covered person or any other covered person.
EXTERNAL APPEAL

A covered person, or the covered person’s authorized representative, may request a review of an adverse benefit determination appeal if the claim determination involves medical judgment; whether items or services are subject to the requirements specified in numbers 1. through 6. in the subsection Nonpreferred Provider, under the section, Preferred Provider and Nonpreferred Provider; or a rescission by making written request to the claims processor within four (4) months of receipt of notification of the final internal adverse benefit determination. Medical judgment includes, but is not limited to:

1. Medical necessity;
2. Appropriateness;
3. Experimental or investigational treatment;
4. Health care setting;
5. Level of care; and
6. Effectiveness of a covered expense.

If there is no corresponding date four (4) months after the date of receipt of such a notice, then the request must be made by the first day of the fifth month following the receipt of the notice of final internal adverse benefit determination. {Note: If the date of receipt of the notice is October 30, because there is no February 30, the request must be filed by March 1, or the next day if March 1st falls on a Saturday, Sunday or Federal holiday.}

RIGHT TO EXTERNAL APPEAL

Within five (5) business days of receipt of the request, the claims processor will perform a preliminary review of the request to determine if the request is eligible for external review, based on confirmation that the final internal adverse benefit determination was the result of:

1. Medical judgment;
2. Whether items or services are subject to the requirements specified in numbers 1. through 6. in the Nonpreferred Provider subsection, under the Preferred Provider or Nonpreferred Provider section; or
3. Rescission of coverage under this Plan.

NOTICE OF RIGHT TO EXTERNAL APPEAL

The plan administrator (or its designee) shall provide the covered person (or authorized representative) with a written notice of the decision as to whether the claim is eligible for external review within one (1) business day after completion of the preliminary review.

The Notice of Right to External Appeal shall include the following:

1. The reason for ineligibility and the availability of the Employee Benefits Security Administration at 866-444-3272, if the request is complete but not eligible for external review.
2. If the request is incomplete, the information or materials necessary to make the request complete and the opportunity for the covered person to perfect the external review request by the later of the following:
   a. The four (4) month filing period; or
   b. Within the forty-eight (48) hour time period following the covered person’s receipt of notification.
INDEPENDENT REVIEW ORGANIZATION

For external reviews by an Independent Review Organization (IRO), such IRO shall be accredited by URAC or a similar nationally recognized accrediting organization and shall be assigned to conduct the external review. The assigned IRO will timely notify the covered person in writing of the request’s eligibility and acceptance for external review.

NOTICE OF EXTERNAL REVIEW DETERMINATION

The assigned IRO shall provide the plan administrator (or its designee) and the covered person (or authorized representative) with a written notice of the final external review decision within forty-five (45) days after receipt of the external review request.

The Notice of Final External Review Decision from the IRO is binding on the covered person, the Plan and claims processor, except to the extent that other remedies may be available under State or Federal law.

EXPEDITED EXTERNAL REVIEW

The plan administrator (or its designee) shall provide the covered person (or authorized representative) the right to request an expedited external review upon the covered person’s receipt of either of the following:

1. An adverse benefit determination involving a medical condition for which the timeframe noted above for completion of an internal appeal would seriously jeopardize the health or life of the covered person or the covered person’s ability to regain maximum function and the covered person has filed an internal appeal request.

2. A final internal adverse benefit determination involving a medical condition for which the timeframe for completion of a standard external review would seriously jeopardize the health or life of the covered person or the covered person’s ability to regain maximum function or if the final internal adverse benefit determination involves any of the following:
   a. An admission,
   b. Availability of care,
   c. Continued stay, or
   d. A health care item or service for which the covered person received emergency services, but has not yet been discharged from a facility.

Immediately upon receipt of the request for Expedited External Review, the Plan will do all of the following:

1. Perform a preliminary review to determine whether the request meets the requirements in the subsection, Right to External Appeal.
2. Send notice of the Plan’s decision, as described in the subsection, Notice of Right to External Appeal.

Upon determination that a request is eligible for external review, the Plan will do all of the following:

1. Assign an IRO as described in the subsection, Independent Review Organization.
2. Provide all necessary documents or information used to make the adverse benefit determination or final adverse benefit determination to the IRO either by telephone, facsimile, electronically or other expeditious method.

The assigned IRO will provide notice of final external review decision as expeditiously as the covered person’s medical condition or circumstances require, but in no event more than seventy-two (72) hours after receipt of the expedited external review request. The notice shall follow the requirements in the subsection, Notice of External Review Determination. If the notice of the expedited external review determination was not in writing, the assigned IRO shall provide the plan administrator (or its designee) and the covered person (or authorized representative) written confirmation of its decision within forty-eight (48) hours after the date of providing that notice.
COORDINATION OF BENEFITS

The Coordination of Benefits provision is intended to prevent duplication of benefits. It applies when the covered person is also covered by any Other Plan(s). When more than one coverage exists, one plan normally pays its benefits in full, referred to as the primary plan. The Other Plan(s), referred to as secondary plan, pays a reduced benefit. When coordination of benefits occurs, the total benefit payable by all plans will not exceed one hundred percent (100%) of "allowable expenses." Only the amount paid by this Plan will be charged against the Essential Health Benefits/non-Essential Health Benefits maximum benefit.

The Coordination of Benefits provision applies whether or not a claim is filed under the Other Plan(s). If another plan provides benefits in the form of services rather than cash, the reasonable value of the service rendered shall be deemed the benefit paid.

DEFINITIONS APPLICABLE TO THIS PROVISION

"Allowable Expenses" means any reasonable, necessary, and customary expenses incurred while covered under this Plan, part or all of which would be covered under this Plan. Allowable Expenses do not include expenses contained in the "Exclusions" sections of this Plan.

When this Plan is secondary, "Allowable Expense" will include any deductible or coinsurance amounts not paid by the Other Plan(s). Additionally, if the primary plan is a closed panel plan and this Plan is not a closed panel plan, this Plan will pay as if it were the primary plan when a covered person uses a non-panel provider, except for emergency services that are paid or provided by the primary plan.

This Plan is not eligible to be elected as primary coverage in lieu of automobile benefits. Payments from automobile insurance will always be primary and this Plan shall be secondary only.

When this Plan is secondary, "Allowable Expense" shall not include any amount that is not payable under the primary plan as a result of a contract between the primary plan and a provider of service in which such provider agrees to accept a reduced payment and not to bill the covered person for the difference between the provider's contracted amount and the provider's regular billed charge.

"Other Plan" means any plan, policy or coverage providing benefits or services for, or by reason of medical, dental or vision care. Such Other Plan(s) do not include flexible spending accounts (FSA), health reimbursement accounts (HRA), health savings accounts (HSA), or individual medical, dental or vision insurance policies. "Other Plan" also does not include Tricare, Medicare, Medicaid or a state child health insurance program (CHIP). Such Other Plan(s) may include, without limitation:

1. Group insurance or any other arrangement for coverage for covered persons in a group, whether on an insured or uninsured basis, including, but not limited to, hospital indemnity benefits and hospital reimbursement-type plans;

2. Hospital or medical service organization on a group basis, group practice, and other group prepayment plans or on an individual basis having a provision similar in effect to this provision;

3. A licensed Health Maintenance Organization (HMO);

4. Any coverage for students which is sponsored by, or provided through, a school or other educational institution;

5. Any coverage under a government program and any coverage required or provided by any statute;

6. Group automobile insurance;
7. Individual automobile insurance coverage;
8. Individual automobile insurance coverage based upon the principles of "No-fault" coverage;
9. Any plan or policies funded in whole or in part by an employer, or deductions made by an employer from a person's compensation or retirement benefits;
10. Labor/management trustee, union welfare, employer organization, or employee benefit organization plans.

"This Plan" shall mean that portion of the employer's Plan which provides benefits that are subject to this provision.

"Claim Determination Period" means a calendar year or that portion of a calendar year during which the covered person for whom a claim is made has been covered under this Plan.

**EFFECT ON BENEFITS**

This provision shall apply in determining the benefits for a covered person for each claim determination period for the Allowable Expenses. If this Plan is secondary, the benefits paid under this Plan may be reduced so that the sum of benefits paid by all plans does not exceed 100% of total Allowable Expenses.

If the rules set forth below would require this Plan to determine its benefits before such Other Plan, then the benefits of such Other Plan will be ignored for the purposes of determining the benefits under this Plan.

**ORDER OF BENEFIT DETERMINATION**

Except as provided below in Coordination with Medicare, each plan will make its claim payment according to the first applicable provision in the following list of provisions which determine the order of benefit payment:

1. **No Coordination of Benefits Provision**
   If the Other Plan contains no provisions for coordination of benefits, then its benefits shall be paid before all Other Plan(s).

2. **Member/Dependent**
   The plan which covers the claimant directly pays before a plan that covers the claimant as a dependent.

3. **Dependent Children of Parents not Separated or Divorced**
   The plan covering the parent whose birthday (month and day) occurs earlier in the year pays first. The plan covering the parent whose birthday falls later in the year pays second. If both parents have the same birthday, the plan that covered a parent longer pays first. A parent's year of birth is not relevant in applying this rule.

4. **Dependent Children of Separated or Divorced Parents**
   When parents are separated or divorced, the birthday rule does not apply, instead:
   a. If a court decree has given one parent financial responsibility for the child's health care, the plan of that parent pays first. The plan of the stepparent married to that parent, if any, pays second. The plan of the other natural parent pays third. The plan of the spouse of the other natural parent, if any, pays fourth.
   b. In the absence of such a court decree, the plan of the parent with custody pays first. The plan of the stepparent married to the parent with custody, if any, pays second. The plan of the parent without custody pays third. The plan of the spouse of the parent without custody, if any, pays fourth.

5. **Active/Inactive**
   The plan covering a person as an active (not laid off or retired) employee or as that person's dependent pays first. The plan covering that person as a laid off or retired employee, or as that person's dependent pays second.
6. Longer/Shorter Length of Coverage
   If none of the above rules determine the order of benefits, the plan covering a person longer pays first. The plan covering that person for a shorter time pays second.

COORDINATION WITH MEDICARE

Individuals may be eligible for Medicare Part A at no cost if they: (i) are age 65 or older, (ii) have been determined by the Social Security Administration to be disabled, or (iii) have end stage renal disease. Participation in Medicare Part B and D is available to all individuals who make application and pay the full cost of the coverage.

1. When an employee becomes entitled to Medicare coverage (due to age or disability) and is still actively at work, the employee may continue health coverage under this Plan at the same level of benefits and contribution rate that applied before reaching Medicare entitlement.

2. When a dependent becomes entitled to Medicare coverage (due to age or disability) and the employee is still actively at work, the dependent may continue health coverage under this Plan at the same level of benefits and contribution rate that applied before reaching Medicare entitlement.

3. If the employee and/or dependent are also enrolled in Medicare (due to age or disability), this Plan shall pay as the primary plan. If, however, the Medicare enrollment is due to end stage renal disease, the Plan’s primary payment obligation will end at the end of the thirty (30) month “coordination period” as provided in Medicare law and regulations.

4. Notwithstanding Paragraphs 1 to 3 above, if the employer (including certain affiliated entities that are considered the same employer for this purpose) has fewer than one hundred (100) employees, when a covered dependent becomes entitled to Medicare coverage due to total disability, as determined by the Social Security Administration, and the employee is actively-at-work, Medicare will pay as the primary payer for claims of the dependent and this Plan will pay secondary.

5. If the employee and/or dependent elect to discontinue health coverage under this Plan and enroll under the Medicare program, no benefits will be paid under this Plan. Medicare will be the only payor.

6. For a retiree eligible for Medicare due to age, Medicare shall be the primary payor and this Plan shall be secondary. If the retiree does not elect Medicare, but is otherwise eligible due to age, benefits will be paid as if Medicare has been elected and this Plan will pay secondary benefits.

This section is subject to the terms of the Medicare laws and regulations. Any changes in these related laws and regulations will apply to the provisions of this section.

LIMITATIONS ON PAYMENTS

In no event shall the covered person recover under this Plan and all Other Plan(s) combined more than the total Allowable Expenses offered by this Plan and the Other Plan(s). Nothing contained in this section shall entitle the covered person to benefits in excess of the total Essential Health Benefits/non-Essential Health Benefits maximum benefit of this Plan during the claim determination period. The covered person shall refund to the employer any excess it may have paid.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION

For the purposes of determining the applicability of and implementing the terms of this Coordination of Benefits provision, the Plan may, without the consent of or notice to any person, release to or obtain from any insurance company or any other organization any information, regarding other insurance, with respect to any covered person. Any person claiming benefits under this Plan shall furnish to the employer such information as may be necessary to implement the Coordination of Benefits provision.
FACILITY OF BENEFIT PAYMENT

Whenever payments which should have been made under this Plan in accordance with this provision have been made under any Other Plan, the employer shall have the right, exercisable alone and in its sole discretion, to pay over to any organization making such other payments any amounts it shall determine to be warranted in order to satisfy the intent of this provision. Amounts so paid shall be deemed to be benefits paid under this Plan and, to the extent of such payments, the employer shall be fully discharged from liability.

AUTOMOBILE ACCIDENT BENEFITS

The Plan’s liability for expenses arising out of an automobile accident shall always be secondary to any automobile insurance, irrespective of the type of automobile insurance law that is in effect in the covered person’s state of residence. Currently, there are three (3) types of state automobile insurance laws.

1. No-fault automobile insurance laws
2. Financial responsibility laws
3. Other automobile liability insurance laws

No Fault Automobile Insurance Laws. In no event will the Plan pay any claim presented by or on behalf of a covered person for medical benefits that would have been payable under an automobile insurance policy but for an election made by the principal named insured under the automobile policy that reduced covered levels and/or subsequent premium. This is intended to exclude, as a covered expense, a covered person’s medical expenses arising from an automobile accident that are payable under an automobile insurance policy or that would have been payable under an automobile insurance policy but for such an election.

1. In the event a covered person incurs medical expenses as a result of injuries sustained in an automobile accident while “covered by an automobile insurance policy,” as an operator of the vehicle, as a passenger, or as a pedestrian, benefits will be further limited to medical expenses that would in no event be payable under the automobile insurance; provided however that benefits payable due to a required deductible under the automobile insurance policy will be paid by the Plan up to the amount equal to that deductible.

2. For the purposes of this section the following people are deemed “covered by an automobile insurance policy.”
   a. An owner or principal named insured individual under such policy.
   b. A family member of an insured person for whom coverage is provided under the terms and conditions of the automobile insurance policy.
   c. Any other person who, except for the existence of the Plan, would be eligible for medical expense benefits under an automobile insurance policy.

Financial Responsibility Laws. The Plan will be secondary to any potentially applicable automobile insurance even if the state’s “financial responsibility law” does not allow the Plan to be secondary.

Other Automobile Liability Insurance. If the state does not have a no-fault automobile insurance law or a “financial responsibility” law, the Plan is secondary to automobile insurance coverage or to any other person or entity who caused the accident or who may be liable for the covered person’s medical expenses pursuant to the general rule for Subrogation/Reimbursement.
SUBROGATION/REIMBURSEMENT

The Plan is designed to only pay covered expenses for which payment is not available from anyone else, including any insurance company or another health plan. In order to help a covered person in a time of need, however, the Plan may pay covered expenses that may be or become the responsibility of another person, provided that the Plan later receives reimbursement for those payments (hereinafter called “Reimbursable Payments”).

Therefore, by enrolling in the Plan, as well as by applying for payment of covered expenses, a covered person is subject to, and agrees to, the following terms and conditions with respect to the amount of covered expenses paid by the Plan:

1. **Assignment of Rights (Subrogation).** The covered person automatically assigns to the Plan any rights the covered person may have to recover all or part of the same covered expenses from any party, including an insurer or another group health program (except flexible spending accounts, health reimbursement accounts and health savings accounts), but limited to the amount of Reimbursable Payments made by the Plan. This assignment includes, without limitation, the assignment of a right to any funds paid by a third party to a covered person or paid to another for the benefit of the covered person. This assignment applies on a first-dollar basis (i.e., has priority over other rights), applies whether the funds paid to (or for the benefit of) the covered person constitute a full or a partial recovery, and even applies to funds actually or allegedly paid for non-medical or dental charges, attorney fees, or other costs and expenses. This assignment also allows the Plan to pursue any claim that the covered person may have, whether or not the covered person chooses to pursue that claim. By this assignment, the Plan’s right to recover from insurers includes, without limitation, such recovery rights against no-fault auto insurance carriers in a situation where no third party may be liable, and from any uninsured or underinsured motorist coverage.

2. **Equitable Lien and other Equitable Remedies.** The Plan shall have an equitable lien against any rights the covered person may have to recover the same covered expenses from any party, including an insurer or another group health program, but limited to the amount of Reimbursable Payments made by the Plan. The equitable lien also attaches to any right to payment from workers’ compensation, whether or not the covered expenses arose out of and in the course of employment. Payment by workers’ compensation insurers or the employer will be deemed to mean that such a determination has been made.

This equitable lien shall also attach to any money or property that is obtained by anybody (including, but not limited to, the covered person, the covered person’s attorney, and/or a trust) as a result of an exercise of the covered person’s rights of recovery (sometimes referred to as “proceeds”). The Plan shall also be entitled to seek any other equitable remedy against any party possessing or controlling such proceeds. At the discretion of the plan administrator, the Plan may reduce any future covered expenses otherwise available to the covered person under the Plan by an amount up to the total amount of Reimbursable Payments made by the Plan that is subject to the equitable lien.

This and any other provisions of the Plan concerning equitable liens and other equitable remedies are intended to meet the standards for enforcement under ERISA that were enunciated in the United States Supreme Court’s decision entitled, Great-West Life & Annuity Insurance Co. v. Knudson, 534 US 204 (2002). The provisions of the Plan concerning subrogation, equitable liens and other equitable remedies are also intended to supersede the applicability of the federal common law doctrines commonly referred to as the “make whole” rule and the “common fund” rule.

3. **Assisting in Plan’s Reimbursement Activities.** The covered person has an obligation to assist the Plan to obtain reimbursement of the Reimbursable Payments that it has made on behalf of the covered person, and to provide the Plan with any information concerning the covered person’s other insurance coverage (whether through automobile insurance, other group health program, or otherwise) and any other person or entity (including their insurer(s)) that may be obligated to provide payments or benefits to or for the benefit of the covered person. The covered person is required to (a) cooperate fully in the Plan’s (or any Plan fiduciary’s)
enforcement of the terms of the Plan, including the exercise of the Plan’s right to subrogation and reimbursement, whether against the covered person or any third party, (b) not do anything to prejudice those enforcement efforts or rights (such as settling a claim against another party without including the Plan as a co-payee for the amount of the Reimbursable Payments and notifying the Plan), (c) sign any document deemed by the plan administrator to be relevant to protecting the Plan’s subrogation, reimbursement or other rights, and (d) provide relevant information when requested. The term “information” includes any documents, insurance policies, police reports, or any reasonable request by the plan administrator or claims processor to enforce the Plan’s rights.

The plan administrator has delegated to the claims processor for medical claims the right to perform ministerial functions required to assert the Plan’s rights with regard to such claims and benefits; however, the plan administrator shall retain discretionary authority with regard to asserting the Plan’s recovery rights.
GENERAL PROVISIONS

ADMINISTRATION OF THE PLAN

The Plan is administered through the Human Resources Department of the employer. The employer is the plan administrator. The plan administrator shall have full charge of the operation and management of the Plan. The employer has retained the services of an independent claims processor experienced in claims review.

The employer is the sponsor of the Plan. The employer maintains authority to review all denied claims under appeal for benefits under the Plan. The employer maintains authority to interpret the terms of the Plan, including but not limited to, determination of eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan; any interpretation or determination made pursuant to such authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

APPLICABLE LAW

Except to the extent preempted by federal law, all provisions of the Plan shall be construed and administered in a manner consistent with the requirements under the laws of the State of Arkansas.

ASSIGNMENT

Coverage and the covered person’s rights under this Plan may not be assigned. A direction to pay a provider is not an assignment of any right under this Plan or of any legal or equitable right to institute any court proceeding.

Payment of Benefits

Benefits will be processed as soon as the necessary proof to support the claim is received. Written proof must be provided for all benefits. All covered health benefits are payable to the covered person. However, the Plan has the right to pay any health benefits to the service provider. This will be done unless the covered person has told the claims processor otherwise by the time the covered person files the claim and a reasonable amount of time for the claims processor to process the covered person’s request.

Preferred providers normally bill the Plan directly. If services, supplies or treatments have been received from such a provider, benefits are automatically paid to that provider. The covered person’s portion of the negotiated rate, after the Plan’s payment, will then be billed to the covered person by the preferred provider.

The Plan will pay benefits to the responsible party of an alternate recipient as designated in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN).

Additional Provisions

The Plan’s, plan sponsor’s, claim processor’s failure to implement or insist upon compliance with any provision of this Plan at any given time or times, shall not constitute a waiver of the right to implement or insist upon compliance with that provision at any other time or times.

BENEFITS NOT TRANSFERABLE

Except as otherwise stated herein, no person other than an eligible covered person is entitled to receive benefits under the Plan. Such right to benefits is not transferable.
CLERICAL ERROR

No clerical error on the part of the employer or claims processor shall operate to defeat any of the rights, privileges, services, or benefits of any employee or any dependent(s) hereunder, nor create or continue coverage which would not otherwise validly become effective or continue in force hereunder. An equitable adjustment of contributions and/or benefits will be made when the error or delay is discovered. However, if more than six (6) months has elapsed prior to discovery of any error, any adjustment of contributions shall be waived. No party shall be liable for the failure of any other party to perform.

CONFORMITY WITH STATUTE(S)

Any provision of the Plan which is in conflict with statutes which are applicable to the Plan is hereby amended to conform to the minimum requirements of said statute(s).

EFFECTIVE DATE OF THE PLAN

The original effective date of this Plan was February 1, 2013. The effective date of the modifications contained herein is January 1, 2022.

FRAUD OR INTENTIONAL MISREPRESENTATION

If the covered person or anyone acting on behalf of a covered person makes a false statement on the application for enrollment, or withholds information with intent to deceive or affect the acceptance of the enrollment application or the risks assumed by the Plan, or otherwise misleads the Plan, the Plan shall be entitled to recover its damages, including legal fees, from the covered person, or from any other person responsible for misleading the Plan, and from the person for whom the benefits were provided. Any fraud or intentional misrepresentation of a material fact on the part of the covered person or an individual seeking coverage on behalf of the individual in making application for coverage, or any application for reclassification thereof, or for service thereunder is prohibited and shall render the coverage under the Plan null and void.

FREE CHOICE OF HOSPITAL AND PHYSICIAN

Nothing contained in the Plan shall in any way or manner restrict or interfere with the right of any person entitled to benefits hereunder to select a hospital or to make a free choice of the attending physician or professional provider. However, benefits will be paid in accordance with the provisions of the Plan, and the covered person may have higher out-of-pocket expenses if the covered person uses the services of a nonpreferred provider.

INCAPACITY

If, in the opinion of the employer, a covered person for whom a claim has been made is incapable of furnishing a valid receipt of payment due him and in the absence of written evidence to the Plan of the qualification of a guardian or personal representative for his estate, the employer may on behalf of the Plan, at his discretion, make any and all such payments to the provider of services or other person providing for the care and support of such person. Any payment so made will constitute a complete discharge of the Plan's obligation to the extent of such payment.

INCONTESTABILITY

All statements made by the employer or by the employee covered under the Plan shall be deemed representations and not warranties. Such statements shall not void or reduce the benefits under the Plan or be used in defense to a claim unless they are contained in writing and signed by the employer or by the covered person, as the case may be. A statement made shall not be used in any legal contest unless a copy of the instrument containing the statement is or has been furnished to the other party to such a contest.
LEGAL ACTIONS

The decision by the plan administrator/claims processor on review will be final, binding, and conclusive, and will be afforded the maximum deference permitted by law. All claim review procedures provided for in this Plan Document must be exhausted before any legal or equitable action is brought. Notwithstanding any other state or federal law, any and all legal actions to recover benefits, whether against the Plan, plan administrator/claims processor, any other fiduciary, or their employees, must be filed within one (1) year from the date all claim review procedures provided for in this Plan Document have been exhausted.

LIMITS ON LIABILITY

Liability hereunder is limited to the services and benefits specified, and the employer shall not be liable for any obligation of the covered person incurred in excess thereof. The employer shall not be liable for the negligence, wrongful act, or omission of any physician, professional provider, hospital, or other institution, or their employees, or any other person. The liability of the Plan shall be limited to the reasonable cost of covered expenses and shall not include any liability for suffering or general damages.

LOST DISTRIBUTEES

Any benefit payable hereunder shall be deemed forfeited if the plan administrator is unable to locate the covered person to whom payment is due, provided, however, that such benefits shall be reinstated if a claim is made by the covered person for the forfeited benefits within the time prescribed in the applicable Claim Filing Procedure section of this document.

MEDICAID ELIGIBILITY AND ASSIGNMENT OF RIGHTS

The Plan will not take into account whether an individual is eligible for, or is currently receiving, medical assistance under a state plan for medical assistance as provided under Title XIX of the Social Security Act ("State Medicaid Plan") either in enrolling that individual as a covered person or in determining or making any payment of benefits to that individual. The Plan will pay benefits with respect to such individual in accordance with any assignment of rights made by or on behalf of such individual as required under a state Medicaid plan pursuant to § 1912(a)(1)(A) of the Social Security Act. To the extent payment has been made to such individual under a state Medicaid Plan and this Plan has a legal liability to make payments for the same services, supplies or treatment, payment under the Plan will be made in accordance with any state law which provides that the state has acquired the rights with respect to such individual to payment for such services, supplies or treatment under the Plan.

PHYSICAL EXAMINATIONS REQUIRED BY THE PLAN

The Plan, at its own expense, shall have the right to require an examination of a person covered under the Plan when and as often as it may reasonably require during the pendency of a claim.

PLAN IS NOT A CONTRACT

The Plan shall not be deemed to constitute a contract between the employer and any employee or to be a consideration for, or an inducement or condition of, the employment of any employee. Nothing in the Plan shall be deemed to give any employee the right to be retained in the service of the employer or to interfere with the right of the employer to terminate the employment of any employee at any time.

PLAN MODIFICATION AND AMENDMENT

The employer may modify or amend the Plan from time to time at its sole discretion, and such amendments or modifications which affect covered persons will be communicated to the covered persons. Any such amendments shall be in writing, setting forth the modified provisions of the Plan, the effective date of the modifications, and shall be signed by the employer's designee.
Such modification or amendment shall be duly incorporated in writing into the master copy of the Plan on file with the employer, or a written copy thereof shall be deposited with such master copy of the Plan. Appropriate filing and reporting of any such modification or amendment with governmental authorities and to covered persons shall be timely made by the employer.

**PLAN TERMINATION**

The employer reserves the right to terminate the Plan at any time. Upon termination, the rights of the covered persons to benefits are limited to claims incurred up to the date of termination. Any termination of the Plan will be communicated to the covered persons.

**PRONOUNS**

All personal pronouns used in the Plan shall include either gender unless the context clearly indicates to the contrary.

**RECOVERY FOR OVERPAYMENT**

Whenever payments have been made from the Plan in excess of the maximum amount of payment necessary, the Plan will have the right to recover these excess payments. If the Plan makes any payment that, according to the terms of the Plan, should not have been made, the Plan may recover that incorrect payment, whether or not it was made due to the Plan's or the Plan designee's own error, from the person or entity to whom it was made or from any other appropriate party.

**SEVERABILITY**

Should any part of this Plan subsequently be invalidated by a court of competent jurisdiction, the remainder of the Plan shall be given effect to the maximum extent possible.

**STATUS CHANGE**

If an employee or dependent has a status change while covered under this Plan (i.e., dependent to employee, COBRA to active) and no interruption in coverage has occurred, the Plan will provide continuous coverage with respect to any deductible(s), coinsurance and Essential Health Benefits/non-Essential Health Benefits maximum benefit.

**TIME EFFECTIVE**

The effective time with respect to any dates used in the Plan shall be 12:01 a.m. as may be legally in effect at the address of the plan administrator.

**WORKERS' COMPENSATION NOT AFFECTED**

This Plan is not in lieu of, and does not affect any requirement for, coverage by Workers' Compensation Insurance.
HIPAA PRIVACY

The following provisions are intended to comply with applicable Plan amendment requirements under Federal regulation implementing Section 264 of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

DISCLOSURE BY PLAN TO PLAN SPONSOR

The Plan may take the following actions only upon receipt of a Plan amendment certification:

1. Disclose protected health information to the plan sponsor.
2. Provide for or permit the disclosure of protected health information to the plan sponsor by a health insurance issuer or HMO with respect to the Plan.

USE AND DISCLOSURE BY PLAN SPONSOR

The plan sponsor may use or disclose protected health information received from the Plan to the extent not inconsistent with the provisions of this HIPAA Privacy section or the privacy rule.

OBLIGATIONS OF PLAN SPONSOR

The plan sponsor shall have the following obligations:

1. Ensure that:
   a. Any agents (including a subcontractor) to whom it provides protected health information received from the Plan agree to the same restrictions and conditions that apply to the plan sponsor with respect to such information; and
   b. Adequate separation between the Plan and the plan sponsor is established in compliance with the requirement in 45 C.F.R. 164.504(f)(2)(iii).
2. Not use or further disclose protected health information received from the Plan, other than as permitted or required by the Plan documents or as required by law.
3. Not use or disclose protected health information received from the Plan:
   a. For employment-related actions and decisions; or
   b. In connection with any other benefit or employee benefit plan of the plan sponsor.
4. Report to the Plan any use or disclosure of the protected health information received from the Plan that is inconsistent with the use or disclosure provided for of which it becomes aware.
5. Make available protected health information received from the Plan, as and to the extent required by the privacy rule:
   a. For access to the individual;
   b. For amendment and incorporate any amendments to protected health information received from the Plan; and
   c. To provide an accounting of disclosures.
6. Make its internal practices, books, and records relating to the use and disclosure of protected health information received from the Plan available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance by the Plan with the privacy rule.
7. Return or destroy all protected health information received from the Plan that the plan sponsor still maintains in any form and retain no copies when no longer needed for the purpose for which the disclosure by the Plan was made, but if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible.

8. Provide protected health information only to those individuals, under the control of the plan sponsor who perform administrative functions for the Plan; (i.e., eligibility, enrollment, payroll deduction, benefit determination, claim reconciliation assistance), and to make clear to such individuals that they are not to use protected health information for any reason other than for Plan administrative functions nor to release protected health information to an unauthorized individual.

9. Provide protected health information only to those entities required to receive the information in order to maintain the Plan (i.e., claim administrator, case management vendor, pharmacy benefit manager, claim subrogation, vendor, claim auditor, network manager, stop-loss insurance carrier, insurance broker/consultant, and any other entity subcontracted to assist in administering the Plan).

10. Provide an effective mechanism for resolving issues of noncompliance with regard to the items mentioned in this provision.

11. Reasonably and appropriately safeguard electronic protected health information created, received, maintained, or transmitted to or by the plan sponsor on behalf of the Plan. Specifically, such safeguarding entails an obligation to:

   a. Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic protected health information that the plan sponsor creates, receives, maintains, or transmits on behalf of the Plan;

   b. Ensure that the adequate separation as required by 45 C.F.R. 164.504(f)(2)(iii) is supported by reasonable and appropriate security measures;

   c. Ensure that any agent, including a subcontractor, to whom it provides this information agrees to implement reasonable and appropriate security measures to protect the information; and

   d. Report to the Plan any security incident of which it becomes aware.

**EXCEPTIONS**

Notwithstanding any other provision of this HIPAA Privacy section, the Plan (or a health insurance issuer or HMO with respect to the Plan) may:

1. Disclose summary health information to the plan sponsor if the plan sponsor requests it for the purpose of:

   a. Obtaining premium bids from health plans for providing health insurance coverage under the Plan; or

   b. Modifying, amending, or terminating the Plan;

2. Disclose to the plan sponsor information on whether the individual is participating in the Plan, or is enrolled in or has disenrolled from a health insurance issuer or HMO offered by the Plan;

3. Use or disclose protected health information:

   a. With (and consistent with) a valid authorization obtained in accordance with the privacy rule;

   b. To carry out treatment, payment, or health care operations in accordance with the privacy rule; or

   c. As otherwise permitted or required by the privacy rule.
DEFINITIONS

Certain words and terms used herein shall be defined as follows and are shown in bold and italics throughout the document:

**Accident**

An unforeseen event resulting in injury.

**Adverse Benefit Determination**

*Adverse benefit determination* shall mean any of the following:

1. A denial in benefits.
3. A rescission of coverage, even if the rescission does not impact a current claim for benefits.
5. A failure to provide or make payment (in whole or in part) for a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of a covered person's eligibility to participate in the Plan.
6. A denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit resulting from the application of any utilization review.
7. A failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental/investigational or not medically necessary or appropriate.

**Aetna Negotiated Rate**

The rate Aetna Preferred Providers have contracted to accept as payment in full for covered expenses of the Plan.

**Aetna Preferred Provider**

A physician, hospital or other health care provider who has an agreement in effect with Aetna or an Affiliate of Aetna at the time services are rendered. Aetna Preferred Providers agree to accept the negotiated rate as payment in full.

**Aetna Preferred Provider Organization**

An organization who selects and contracts with certain hospitals, physicians, and other health care providers to provide services, supplies and treatment to covered persons at a negotiated rate.

**Affordable Care Act**

The Patient Protection and Affordable Care Act, as amended by the Health Care and Education Reconciliation Act of 2010 and all applicable regulations and regulatory guidance.

**Air Mileage Rate**

A contracted rate expressed in dollars per loaded mile (statute miles not nautical miles) flown.

**Alternate Recipient**

Any child of an employee or their spouse who is recognized in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN) which has been issued by any court judgment, decree, or order as being entitled to enrollment for coverage under the Plan.
**Ambulatory Surgical Facility**

A *facility* provider with an organized staff of *physicians* which has been approved by the Joint Commission on the Accreditation of Healthcare Organizations, or by the Accreditation Association for Ambulatory Health, Inc., or by *Medicare*; or that has a contract with the *Preferred Provider Organization* as a *preferred provider*. An *ambulatory surgical facility* is a *facility* that:

1. Has permanent facilities and equipment for the purpose of performing surgical procedures on an *outpatient* basis;
2. Provides treatment by or under the supervision of *physicians* and nursing services whenever the *covered person* is in the *ambulatory surgical facility*;
3. Does not provide *inpatient* accommodations; and
4. Is not, other than incidentally, a *facility* used as an office or clinic for the private practice of a *physician*.

**Anesthesia Conversion Factor**

*A median contracted rate* expressed in dollars per unit.

**Applied Behavioral Analysis (ABA)**

The process of applying interventions that are based on the principles of learning derived from experimental psychology research to systematically change behavior.

**Approved Clinical Trial**

A Phase I, Phase II, Phase III, or Phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other “life-threatening disease or condition” and is further described in accordance with federal law and applicable federal regulations.

**Autism Spectrum Disorder**

A condition related to brain development that affects how a person perceives and socializes with others, causing problems in social interaction and communication. This disorder also includes limited and repetitive behavior.

**Base Unit**

For an anesthesia service code, *base units* are specified in the most recent edition (as of the date of service) of the American Society of Anesthesiologists Relative Value Guide.

**Birthing Center**

A *facility* that meets professionally recognized standards and complies with all licensing and other legal requirements that apply.

**Certified IDR Entity**

An entity responsible for conducting payment determinations, through the Federal independent dispute resolution process, that has been certified by the Secretaries of Labor, Health and Human Services and the Treasury.

**Chiropractic Care**

Services as provided by a licensed Chiropractor, M.D., or D.O. for manipulation or manual modalities in the treatment of the spinal column, neck, extremities or other joints, other than for a fracture or surgery.
Claims Processor

Refer to the Facts About the Plan section of this document.

Close Relative

The employee's spouse, children, brothers, sisters, or parents; or the children, brothers, sisters or parents of the employee's spouse.

Coinsurance

The benefit percentage of covered expenses payable by the Plan for benefits that are provided under the Plan. The coinsurance is applied to covered expenses after the deductible(s) have been met, if applicable.

Complications of Pregnancy

A disease, disorder or condition which is diagnosed as distinct from pregnancy, but is adversely affected by or caused by pregnancy. Some examples are:

1. Intra-abdominal surgery (but not elective Cesarean Section).
2. Ectopic pregnancy.
3. Toxemia with convulsions (Eclampsia).
4. Pernicious vomiting (hyperemesis gravidarum).
5. Nephrosis.
6. Cardiac Decompensation.
7. Missed Abortion.
8. Miscarriage.

These conditions are not included: false labor; occasional spotting; rest during pregnancy even if prescribed by a physician; morning sickness; or like conditions that are not medically termed as complications of pregnancy.

Concurrent Care

A request by a covered person (or their authorized representative) to the Health Care Management Organization prior to the expiration of a covered person's current course of treatment to extend such treatment OR a determination by the Health Care Management Organization to reduce or terminate an ongoing course of treatment.

Confinement

A continuous stay in a hospital, treatment center, extended care facility, hospice, or birthing center due to an illness or injury diagnosed by a physician.

Continuing Care Patient

A covered person who, with respect to a preferred provider is:

1. Undergoing a course of treatment for a serious and complex condition from the preferred provider.
2. Undergoing a course of institutional or inpatient care from the preferred provider.
3. Scheduled to undergo nonelective surgery from the preferred provider, including postoperative care;
4. Pregnant and undergoing a course of treatment for the pregnancy from the preferred provider; or
5. Determined to be terminally ill with a life expectancy of 6 months or less, and is receiving treatment for such illness from the preferred provider.
**Contracted Rate**

The total amount (including cost sharing) that plan sponsors of self-funded plans administered by claims processor are contractually agreed to pay a preferred provider for covered expenses.

**Copay**

A cost sharing arrangement whereby a covered person pays a set amount to a provider for a specific service at the time the service is provided.

**Cosmetic Surgery**

Surgery for the restoration, repair, or reconstruction of body structures directed toward altering appearance.

**Cost Sharing**

The amount a covered person is responsible for paying for covered expenses. Cost sharing includes applicable copays, coinsurance and deductible. Cost sharing does not include balance billing by nonpreferred providers, or the cost of items or services that are not covered expenses.

**Covered Expenses**

Medically necessary services, supplies or treatments that are recommended or provided by a physician, professional provider or covered facility for the treatment of an illness or injury and that are not specifically excluded from coverage herein. Covered expenses shall include specified preventive care services.

**Covered Person**

A person who is eligible for coverage under the Plan, or becomes eligible at a later date, and for whom the coverage provided by the Plan is in effect.

**Custodial Care**

Care provided primarily for maintenance of the covered person or which is designed essentially to assist the covered person in meeting his activities of daily living and which is not primarily provided for its therapeutic value in the treatment of an illness or injury. Custodial care includes, but is not limited to: help in walking, bathing, dressing, feeding, preparation of special diets and supervision over self-administration of medications. Such services shall be considered custodial care without regard to the provider by whom or by which they are prescribed, recommended or performed.

Room and board and skilled nursing services are not, however, considered custodial care (1) if provided during confinement in an institution for which coverage is available under the Plan, and (2) if combined with other medically necessary therapeutic services, under accepted medical standards, which can reasonably be expected to substantially improve the covered person’s medical condition.

**Customary and Reasonable Amount**

Except as otherwise required under state or federal law, the maximum amount the Plan is obligated to pay for covered expenses provided by a:

1) preferred provider – the preferred provider negotiated rate;

2) nonpreferred provider – calculated as the lesser of:

   a) The provider’s billed charge; or

   b) An amount determined by claims processor or its vendor using one or more of the following:

      i) Publicly available data reflecting fees typically reimbursed to providers for the same or similar professional services, supplies or treatment, adjusted for geographical differences where applicable; or
Publicly available data reflecting the costs for facilities providing the same or similar services, supplies or treatment, adjusted for geographical differences where applicable, plus a margin factor; or

An amount negotiated with the nonpreferred provider for the specific services, supplies or treatment provided; or

A fee which shall not exceed the general level of charges made by others rendering or furnishing such services, supplies or treatment within the area where the charge is incurred and is comparable in severity and nature to the illness or injury. Due consideration shall be given to any medical complications or unusual circumstances which require additional time, skill or experience. This amount is determined from a statistical review and analysis of the charges for a given procedure in a given area. The term "area" as it would apply to any particular service, supply or treatment means a county or such greater area as is necessary to obtain a representative cross-section of the level of charges. The percentage applicable to this Plan is 90% and is applied to CPT codes using Fair Health benchmarking tables.

Covered expenses provided by a nonpreferred provider subject to the requirements specified in numbers 1., 2., or 3. in the Nonpreferred Provider subsection, under the Preferred Provider or Nonpreferred Provider section, are not subject to the customary and reasonable amount, but instead are subject to the lesser of the qualifying payment amount or the nonpreferred provider's actual charge.

Dentist

A Doctor of Dental Medicine (D.M.D.), a Doctor of Dental Surgery (D.D.S.), a Doctor of Medicine (M.D.), or a Doctor of Osteopathy (D.O.), other than a close relative of the covered person, who is practicing within the scope of his license.

Dependent

A dependent is a spouse or child who meets the eligibility requirements in the Eligibility, Enrollment and Effective Date, Dependent(s) Eligibility section of this document.

Durable Medical Equipment

Medical equipment which:

1. Can withstand repeated use;
2. Is primarily and customarily used to serve a medical purpose;
3. Is generally not used in the absence of an illness or injury;
4. Is appropriate for use in the home.

All provisions of this definition must be met before an item can be considered durable medical equipment. Durable medical equipment includes, but is not limited to: crutches, wheel chairs, hospital beds, etc.

Effective Date

The date of the Plan or the date on which the covered person's coverage commences, whichever occurs later.

Emergency Medical Condition

A medical condition, including a mental and nervous disorder or substance use disorder, manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:

1. Placing the covered person's life (or with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy, or
2. Causing serious impairment to bodily functions, or
3. Causing serious dysfunction of any bodily organ or part.

**Emergency Services**

1. With respect to an *emergency medical condition*, a medical screening examination that is within the capability of the emergency department of a *hospital*, or of an *independent freestanding emergency department*, including ancillary services routinely available to the emergency department to evaluate such *emergency medical condition*, and such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at a *hospital* or an *independent freestanding emergency department*, as required to stabilize the patient; and

2. Additional items and services,
   a. For which benefits are provided or covered under this Plan; and
   b. That are furnished by a *nonpreferred provider* (regardless of the department of the *hospital* or *independent freestanding emergency department* in which such items or services are furnished) after the *covered person* is stabilized and as part of *outpatient* observation or an *inpatient* or *outpatient* stay with respect to the visit in which the services provided by the emergency department are furnished, however, such items and services shall not be included as *emergency services* if:
      i. The attending physician or treating provider determines that the *covered person* is able to travel using nonmedical transportation or nonemergency medical transportation to an available *preferred provider* or *facility* located within a reasonable travel distance, taking into account the individual’s medical condition;
      ii. Notice and Consent Criteria is satisfied, as specified in section, *Preferred Provider or Nonpreferred Provider*, under number 6. of subsection *Nonpreferred Provider*; and
      iii. The *covered person* (or an authorized representative) is in a condition to receive the notice and consent described in the Notice and Consent Criteria as determined by the attending emergency physician or treating provider using appropriate medical judgment, and to provide informed consent in accordance with applicable law.

**Employee**

A person directly involved in the regular business of and compensated for services, as reported on the individual's annual W-2 form, by the *employer*, who is regularly scheduled to work not less than thirty (30) hours per work week on a *full-time* status basis.

**Employer**

The *employer* is Faulkner County.

**Essential Health Benefits**

Those benefits identified by the U.S. Secretary of Health and Human Services, including benefits for *covered expenses* incurred for the following services:

1. *Ambulatory patient services*;
2. *Emergency services*;
3. Hospitalization;
4. Maternity and newborn care;
5. Mental health and *substance use disorder* services, including behavioral health treatment (*mental and nervous disorder* and *substance use disorder*);
6. Prescription drugs;
7. **Habilitative services, rehabilitative services** and **habilitative and rehabilitative devices**;
8. Laboratory services;
9. Preventive and wellness services and chronic disease management;
10. Pediatric services, including oral and vision care.

**Experimental/Investigational**

Services, supplies, drugs and treatment which do not constitute accepted medical practice properly within the range of appropriate medical practice under the standards of the case and by the standards of a reasonably substantial, qualified, responsible, relevant segment of the medical community or government oversight agencies at the time services were rendered.

The **claims processor**, **employer/plan administrator**, or their designee must make an independent evaluation of the experimental/non-experimental standings of specific technologies. The **claims processor**, **employer/plan administrator** or their designee shall be guided by a reasonable interpretation of **Plan** provisions and information provided by qualified independent vendors who have also reviewed the information provided. The decisions shall be made in good faith and rendered following a factual background investigation of the claim and the proposed treatment. The **claims processor**, **employer/plan administrator** or their designee will be guided by the following examples of experimental services and supplies:

1. If the drug or device cannot be lawfully marketed without approval of the U.S. Food and Drug Administration and approval for marketing has not been given at the time the drug or device is furnished; or
2. If the drug, device, medical treatment or procedure, was not reviewed and approved by the treating facility’s institutional review board or other body serving a similar function, or if federal law requires such review or approval; or
3. If “reliable evidence” shows that the drug, device, medical treatment or procedure is the subject of on-going Phase I or Phase II clinical trials, is in the research, **experimental**, study or **investigational** arm of on-going Phase III clinical trials, or is otherwise under study to determine its maximum tolerated dose, its toxicity, its safety, or its efficacy as compared with a standard means of treatment or diagnosis; or
4. If “reliable evidence” shows that prevailing opinion among experts regarding the drug, device, medical treatment or procedure is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its safety, or its efficacy as compared with standard means of treatment or diagnosis.

“Reliable evidence” shall mean only published reports and articles in the authoritative medical and scientific literature; the written protocol or protocols used by the treating facility or the protocol(s) of another facility studying substantially the same drug, device, medical treatment or procedure; or the written informed consent used by the treating facility or by another facility studying substantially the same drug, device, medical treatment or procedure.

**Extended Care Facility**

An institution, or distinct part thereof, operated pursuant to law and one which meets all of the following conditions:

1. It is licensed to provide, and is engaged in providing, on an **inpatient** basis, for persons convalescing from **illness** or **injury**, professional nursing services, and physical restoration services to assist covered persons to reach a degree of body functioning to permit self-care in essential daily living activities. Such services must be rendered by a Registered Nurse or by a Licensed Practical Nurse under the direction of a Registered Nurse.
2. Its services are provided for compensation from its covered persons and under the full-time supervision of a physician or Registered Nurse.
3. It provides twenty-four (24) hour-a-day nursing services.
4. It maintains a complete medical record on each **covered person**.

5. **It is not, other than incidentally, a place for rest, a place for the aged or a place for custodial or educational care.**

6. It is approved and licensed by **Medicare**.

This term shall also apply to expenses **incurred** in an institution referring to itself as a skilled nursing facility, convalescent nursing facility, or any such other similar designation.

**Facility**

A healthcare institution which meets all applicable state or local licensure requirements.

**Final Internal Adverse Benefit Determination**

An **adverse benefit determination** that has been upheld by this **Plan** at the conclusion of the internal claim and appeal process, or an **adverse benefit determination** with respect to which the internal claim and appeal process has been deemed exhausted.

**Final Post-Service Claim Appeal**

A post-service appeal, which constitutes the last internal level of appeal available to the **covered person**, to be filed with the **plan administrator** (or its designee). A **final post-service claim appeal** shall only apply to medical claims. Upon and the conclusion of this level of appeal, this **Plan’s** internal appeal process is deemed to be exhausted.

**Foster Child**

A child who is placed with the **employee** or covered spouse by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction.

**Full-time**

**Employees** who are regularly scheduled to work not less than thirty (30) hours per work week.

**Generic Drug**

A prescription drug that is generally equivalent to a higher-priced brand name drug with the same use and metabolic disintegration. The drug must meet all Federal Drug Administration (FDA) bioavailability standards and be dispensed according to the professional standards of a licensed pharmacist or **physician** and must be clearly designated by the pharmacist or **physician** as generic.

**Habilitative and Rehabilitative Devices**

**Medically necessary** devices that are designed to assist a **covered person** in acquiring, improving, or maintaining, partially or fully, skills and functioning for daily living. Such devices include, but are not limited to, **durable medical equipment**, orthotics, prosthetics, and low vision aids.

**Habilitative Services**

**Medically necessary** health care services that help a **covered person** keep, learn or improve skills and functioning for daily living. Examples of **habilitative services** include therapy for a **dependent** child who is not walking or talking at the expected age. These services may include physical and occupational therapy, speech-language pathology and other **medically necessary** services for people with disabilities in a variety of inpatient and/or outpatient settings. **Habilitative services** that are not **medically necessary**, for example when therapy has reached an end point and goals have been reached, will not be a **covered expense**.
Health Care Management

A process of evaluating if services, supplies or treatment are medically necessary and appropriate to help ensure cost-effective care.

Health Care Management Organization

The individual or organization designated by the employer for the process of evaluating whether the service, supply, or treatment is medically necessary. The Health Care Management Organization is Trustmark Health Benefits, Inc.

Home Health Aide Services

Services which may be provided by a person, other than a Registered Nurse, which are medically necessary for the proper care and treatment of a person.

Home Health Care

Includes the following services: private duty nursing, skilled nursing visits, hospice and IV Infusion therapy for the purposes of pre-service claims only.

Home Health Care Agency

An agency or organization which meets fully every one of the following requirements:

1. It is primarily engaged in and duly licensed, if licensing is required, by the appropriate licensing authority, to provide skilled nursing and other therapeutic services.

2. It has a policy established by a professional group associated with the agency or organization to govern the services provided. This professional group must include at least one physician and at least one Registered Nurse. It must provide for full-time supervision of such services by a physician or Registered Nurse.

3. It maintains a complete medical record on each covered person.

4. It has a full-time administrator.

5. It qualifies as a reimbursable service under Medicare.

Hospice

An agency that provides counseling and medical services and may provide room and board to a terminally ill covered person and which meets all of the following tests:

1. It has obtained any required state or governmental Certificate of Need approval.

2. It provides service twenty-four (24) hours-per-day, seven (7) days a week.

3. It is under the direct supervision of a physician.

4. It has a Nurse coordinator who is a Registered Nurse.

5. It has a social service coordinator who is licensed.

6. It is an agency that has as its primary purpose the provision of hospice services.

7. It has a full-time administrator.
8. It maintains written records of services provided to the covered person.

9. It is licensed, if licensing is required.

Hospital

An institution which meets the following conditions:

1. It is licensed and operated in accordance with the laws of the jurisdiction in which it is located which pertain to hospitals.

2. It is engaged primarily in providing medical care and treatment to ill and injured persons on an inpatient basis at the covered person’s expense.

3. It maintains on its premises all the facilities necessary to provide for the diagnosis and medical and surgical treatment of an illness or injury; and such treatment is provided by or under the supervision of a physician with continuous twenty-four (24) hour nursing services by or under the supervision of Registered Nurses.

4. It qualifies as a hospital and is accredited by the Joint Commission on the Accreditation of Healthcare Organizations. This condition may be waived in the case of treatment for an emergency medical condition in a hospital outside of the United States.

5. It must be approved by Medicare. This condition may be waived in the case of treatment for an emergency medical condition in a hospital outside of the United States.

Under no circumstances will a hospital be, other than incidentally, a place for rest, a place for the aged, or a nursing home.

Hospital shall include a facility designed exclusively for physical rehabilitative services where the covered person received treatment as a result of an illness or injury.

The term hospital, when used in conjunction with inpatient confinement for mental and nervous disorders or substance use disorders will be deemed to include an institution which is licensed as a mental hospital or substance use disorder rehabilitation and/or detoxification facility by the regulatory authority having responsibility for such licensing under the laws of the jurisdiction in which it is located.

Illness

A bodily disorder, disease, physical sickness, or pregnancy of a covered person.

Incurred or Incurred Date

With respect to a covered expense, the date the services, supplies or treatment are provided.

Independent Freestanding Emergency Department

A health care facility that is geographically separate and distinct and licensed separately from a hospital under applicable State law and provides emergency services.

Injury

A physical harm or disability which is the result of a specific incident caused by external means. The physical harm or disability must have occurred at an identifiable time and place. Injury does not include illness or infection of a cut or wound.
**Inpatient**

A confinement of a covered person in a hospital, hospice, or extended care facility as a registered bed patient, for twenty-three (23) or more consecutive hours and for whom charges are made for room and board.

**Intensive Care**

A service which is reserved for critically and seriously ill covered persons requiring constant audio-visual surveillance which is prescribed by the attending physician.

**Intensive Care Unit**

A separate, clearly designated service area which is maintained within a hospital solely for the provision of intensive care. It must meet the following conditions:

1. Facilities for special nursing care not available in regular rooms and wards of the hospital;
2. Special life saving equipment which is immediately available at all times;
3. At least two beds for the accommodation of the critically ill; and
4. At least one Registered Nurse in continuous and constant attendance twenty-four (24) hours-per-day.

This term does not include care in a surgical recovery room, but does include cardiac care unit or any such other similar designation.

**Intensive Outpatient Treatment**

An outpatient substance use disorder program that operates a minimum of (3) three hours per day at least (3) three days per week, which includes an individualized treatment plan consisting of assessment, counseling; crisis intervention, and activity therapies or education.

**Late Enrollee**

A covered person who did not enroll in the Plan when first eligible or as the result of a special enrollment period.

**Layoff**

A period of time during which the employee, at the employer's request, does not work for the employer, but which is of a stated or limited duration and after which time the employee is expected to return to full-time, active work. Layoffs will otherwise be in accordance with the employer's standard personnel practices and policies.

**Leave of Absence**

A period of time during which the employee does not work, but which is of a stated duration after which time the employee is expected to return to active work.

**Maximum Benefit [for Essential Health Benefits/non-Essential Health Benefits]**

Any one of the following, or any combination of the following Essential Health Benefits/non-Essential Health Benefits:

1. The maximum amount paid by the Plan for any one covered person during the entire time he is covered by the Plan.
2. The maximum amount paid by the Plan for any one covered person for a particular covered expense. The maximum amount can be for:
a. The entire time the **covered person** is covered under the **Plan**, or
b. A specified period of time, such as a calendar year.

3. The maximum number as outlined in the **Plan** as a **covered expense**. The maximum number relates to the number of:
   a. Treatments during a specified period of time, or
   b. Days of **confinement**, or
   c. Visits by a **home health care agency**.

The **maximum benefit** for Essential Health Benefits and non-Essential Health Benefits is tracked separately.

**Measurement Period**

The period of time, as determined by the **employer** and consistent with Federal law, regulation and guidance, utilized by the **employer** to determine whether a **variable hour employee** worked on average thirty (30) hours per week for the **employer**.

**Median Contracted Rate**

The rate calculated by arranging in order from least to greatest all of the **contracted rates** in a geographic area for the same or similar item or service that is provided by a provider or **facility** in the same or similar specialty or **facility** type, and selecting the middle number. If there are an even number of **contracted rates**, the **median contracted rate** is the average of the middle two **contracted rates**. **Median contracted rates** are:

a. calculated separately for CPT code modifiers 26 (professional component) and TC (technical component);

b. based on an **anesthesia conversion factor** for each anesthesia service code;

c. based on air mileage service codes (A0435 and A0436) for air ambulance services; and

d. calculated separately for each service code-modifier, when **contracted rates** vary based on application of a modifier.

**Medical Disorder Requiring Specialized Nutrients or Formulas**

Includes the following inherited metabolic disorders involving a failure to properly metabolize certain nutrients:

1. Nitrogen metabolism disorder;
2. Phenylketonuria;
3. Maple syrup urine disease;
4. Homocystinuria;
5. Citrullinemia;
6. Arginosuccinic academia;
7. Tyrosinemia, type I;
8. Very-long-chain acyl-CoA dehydrogenase deficiency;
9. Long-chain 3-hydroxyacyl-CoA dehydrogenase deficiency;
10. Trifunctional protein deficiency;
11. Glutaric acidemia, type I;
12. (12) 3-methylcrotonyl CoA carboxylase deficiency;
13. Propionic academia;
14. Methylmalonic acidemia due to mutase deficiency;
15. Methlmalonic acidemia due to cobalamin A,B defect;
16. Isovaleric academia;
17. Ornithine transcarbamylase deficiency;
18. Non-ketotic hyperglycinemia;
19. Glycogen storage diseases;  
20. Disorders of creatine metabolism;  
21. Malonic aciduria;  
22. Carnitine palmitoyl transferase deficiency type II;  
23. Glutaric aciduria type II;  

**Medically Necessary (or Medical Necessity)**

Service, supply or treatment which is determined by the claims processor, employer/plan administrator (or its designee) to be:

1. Appropriate and consistent with the symptoms and provided for the diagnosis or treatment of the covered person’s illness or injury and which could not have been omitted without adversely affecting the covered person’s condition or the quality of the care rendered; and

2. Supplied or performed in accordance with current standards of medical practice within the United States; and

3. Not primarily for the convenience of the covered person or the covered person’s family or professional provider; and

4. Is an appropriate supply or level of service that safely can be provided; and

5. Is recommended or approved by the attending professional provider.

The fact that a professional provider may prescribe, order, recommend, perform or approve a service, supply or treatment does not, in and of itself, make the service, supply or treatment medically necessary and the claims processor, employer/plan administrator (or its designee), may request and rely upon the opinion of a physician or physicians. The determination of the claims processor, employer/plan administrator (or its designee) shall be final and binding.

**Medicare**

The programs established by Title XVIII known as the Health Insurance for the Aged Act, which includes: Part A, Hospital Benefits For The Aged; Part B, Supplementary Medical Insurance Benefits For The Aged; Part C, Miscellaneous provisions regarding both programs; and Part D, Medicare Prescription Drug Benefit, including any subsequent changes or additions to those programs.

**Mental and Nervous Disorder**

An emotional or mental condition characterized by abnormal functioning of the mind or emotions. Diagnosis and classifications of these conditions will be determined based on standard DSM (diagnostic and statistical manual of mental disorders) or the current edition of International Classification of Diseases, published by the U.S. Department of Health and Human Services.

**Morbid Obesity**

A diagnosed condition in which the body weight is one hundred (100) pounds or more over the medically recommended weight in the most recent Metropolitan Life Insurance Company tables for a person of the same height, age and mobility as the covered person, or having a BMI (body mass index) of forty (40) or higher, or having a BMI of thirty-five (35) in conjunction with any of the following co-morbidities: coronary artery disease, type II diabetes, clinically significant obstructive sleep apnea or medically refractory hypertension (blood pressure > 140 mmHg systolic and/or 90 mmHg diastolic despite optimal medical management).

**Negotiated Rate**

The rate the preferred providers have contracted to accept as payment in full for covered expenses of the Plan. As used in this document, the term negotiated rate shall mean an Aetna Negotiated Rate.
Nonparticipating Pharmacy

Any pharmacy, including a hospital pharmacy, physician or other organization, licensed to dispense prescription drugs which does not fall within the definition of a participating pharmacy.

Nonpreferred Provider

A physician, hospital, or other health care provider who does not have an agreement in effect with the Preferred Provider Organization at the time services are rendered.

Nurse

A licensed person holding the degree Registered Nurse (R.N.), Licensed Practical Nurse (L.P.N.), Licensed Vocational Nurse (L.V.N.) or Doctorate of Nursing Practice (D.N.P.) who is practicing within the scope of their license.

Out-of-Network Rate

The final payment amount under this Plan for covered expenses from a nonpreferred provider is:

1. Subject to number 3. below, in a State that has in effect an applicable specified State law, the amount determined in accordance with such law.

2. Subject to number 3. below, if no applicable specified State law:
   a. Subject to number 2.b. below, the agreed amount if the nonpreferred provider and this Plan agree on an amount of payment (including if the amount agreed upon is the initial amount paid by this Plan or is agreed through negotiations); or
   b. The amount determined by the certified IDR entity.

3. In a State that has an all-payer model agreement that applies to this Plan, the provider, and the item or service, the amount that the State approves under the all-payer model agreement for that item or service.

Outpatient

A covered person shall be considered to be an outpatient if he is treated at:

1. A hospital as other than an inpatient;

2. A physician's office, laboratory or x-ray facility; or

3. An ambulatory surgical facility; and

The stay is less than twenty-three (23) consecutive hours.

Partial Confinement

A period of at least six (6) hours but less than twenty-four (24) hours per day of active treatment up to five (5) days per week in a facility licensed or certified by the state in which treatment is received to provide one or more of the following:

1. Psychiatric services.

2. Treatment of mental and nervous disorders.

It may include day, early evening, evening, night care, or a combination of these four.
Participating Pharmacy

Any pharmacy licensed to dispense prescription drugs which is contracted within the pharmacy benefit manager.

Pharmacy Benefit Manager

The pharmacy benefit manager is Elixir Pharmacy.

Physical Status Modifier

The standard modifier describing the physical status of the patient used to distinguish between various levels of complexity of an anesthesia service provided expressed as a unit with a value between zero (0) and three (3).

Physician

A Doctor of Medicine (M.D.) or a Doctor of Osteopathy (D.O.), other than a close relative of the covered person who is practicing within the scope of his license.

Placed For Adoption

The date the employee assumes legal obligation for the total or partial financial support of a child during the adoption process.

Plan

"Plan" refers to the benefits and provisions for payment of same as described herein. The Plan is the Faulkner County Employee Welfare Health Benefit Plan.

Plan Administrator

The plan administrator is responsible for the day-to-day functions and management of the Plan. The plan administrator is the employer.

Plan Sponsor

The plan sponsor is Faulkner County.

Preferred Provider

A physician, facility or other health care provider who has an agreement in effect with the Preferred Provider Organization at the time services are rendered. Preferred providers agree to accept the negotiated rate as payment in full. As used in this document, the term Preferred Provider shall mean an Aetna Preferred Provider.

Preferred Provider Organization

The organization, designated by the plan administrator, who selects and contracts with certain hospitals, physicians, and other health care providers to provide services, supplies and treatment to covered persons at a negotiated rate. The Preferred Provider Organization's name and/or logo is shown on the front of the covered person's ID card. As used in this document, the term Preferred Provider Organization shall mean the Aetna Preferred Provider Organization.

Pregnancy

The physical state which results in childbirth or miscarriage.
Primary Care Physician (PCP)

A licensed Doctor of Medicine (M.D.) or Doctor of Osteopathy (D.O.) who is a general or family practitioner, pediatrician, gynecologist/obstetrician or general internist and has contracted with the network to render services, supplies and treatment to covered persons and to assist in managing the care of covered persons.

Privacy Rule

Professional Provider

A licensed physician; surgeon; or any other licensed practitioner required to be recognized by state law, if applicable, and performing services within the scope of such license, who is not a family member.

Qualified Prescriber

A physician, dentist or other health care practitioner who may, in the legal scope of their license, prescribe drugs or medicines.

Qualifying Payment Amount

a. For items or services furnished during 2022, the median contracted rate on January 31, 2019;

b. For items or services furnished after 2022, the median contracted rate in the immediately preceding year;

c. For items or services for which there is insufficient information to calculate the median contracted rate, the qualifying payment amount will be calculated by identifying the rate that is equal to the median of the negotiated rates for the same or similar item or service provided in the geographic region in the year immediately preceding the year in which the item or service is furnished determined through the use of any eligible database;

The amount in a., b., or c. above is increased for inflation in accordance with the CPI-U published by the Bureau of Labor Statistics of the Department of Labor;

d. For items or services furnished during 2022 and billed under a new service code where there is insufficient information to calculate the median contracted rates, a reasonably related service code that existed in the immediately preceding year will be identified.

i. If the Centers for Medicare & Medicaid Services has established a Medicare payment rate for the item or service billed under the new service code, the qualifying payment amount will be calculated by first calculating the ratio of the rate that Medicare pays for the new service code compared to the rate that Medicare pays for the related service code. This ratio is then multiplied by the qualifying payment amount for the related service code for the year in which the item or service is furnished.

ii. If the Centers for Medicare & Medicaid Services has not established a Medicare payment rate for the item or service billed under the new service code, the qualifying payment amount will be calculated by first calculating the ratio of the rate that this Plan reimburses for the new service code compared to the rate this Plan reimburses for the related service code. This ratio is then multiplied by the qualifying payment amount for the related service code.

e. For items or services furnished after 2022 and billed under a new service code, the qualifying payment amount described in letter d. above will be increased for inflation in accordance with the percentage increase in the CPI-U published by federal regulators.
f. For anesthesia services furnished during 2022, the **median contracted rate** for the **anesthesia conversion factor** on January 31, 2019 increased for inflation in accordance with the increase in the CPI-U published by federal regulators (referred to as the indexed **median contracted rate** for the **anesthesia conversion factor**), multiplied by the sum of the **base unit**, time unit (measured in 15-minute increments or a fraction thereof), and **physical status modifier** unit. For anesthesia services furnished during 2023 or later, the indexed **median contracted rate** for the **anesthesia conversion factor** will be based on the same or similar item or service in the immediately preceding year.

g. For air ambulance services billed using air mileage service codes (A0435 and A0436), the **median contracted rate** increased for inflation in accordance with the increase in the CPI-U published by federal regulators (referred to as the indexed median **air mileage rate**), multiplied by the number of loaded miles (the number of miles a patient is transported in the air ambulance vehicle). The **qualifying payment amount** for other service codes associated with air ambulance services is calculated consistent with a. through e above.

h. For any other items or services where payment is determined by multiplying a **contracted rate** by another unit value, the **qualifying payment amount** for such items or services will be based on a calculation methodology similar to f. and g. above.

**Recognized Amount**

With respect to **covered expenses** furnished by a **nonpreferred provider**:

a. Subject to letter c. of this definition, in a State that has in effect an applicable specified State law, the amount determined in accordance with such law;

b. Subject to letter c. of this definition, in a State that does not have in effect an applicable specified State law, the lesser of:
   i. The provider’s actual charge; or
   ii. The **qualifying payment amount**;

c. In a State that has an all-payer model agreement that applies to this **Plan**, the provider, and the item or service, the amount that the State approves under the all-payer model agreement for that item or service.

**Reconstructive Surgery**

Surgical repair of abnormal structures of the body, caused by congenital defects, developmental abnormalities, trauma, infection, tumors or disease.

**Rehabilitative Services**

**Medically necessary** health care services that help a **covered person** get back, keep, or improve skills for daily living that have been lost or impaired after sickness, **injury**, or disability. These services assist individuals in improving or maintaining, partially or fully, skills and functioning for daily living. **Rehabilitative services** include, but are not limited to, physical therapy, occupational therapy, speech-language pathology and audiology, and psychiatric rehabilitation.

**Relevant Information**

**Relevant information**, when used in connection with a claim for benefits or a claim appeal, means any document, record or other information:

1. Relied on in making the benefit determination; or
2. That was submitted, considered or generated in the course of making a benefit determination, whether or not relied upon; or
3. That demonstrates compliance with the duties to make benefit decisions in accordance with **Plan** documents and to make consistent decisions; or
4. That constitutes a statement of policy or guidance for the Plan concerning the denied treatment or benefit for the covered person’s diagnosis, even if not relied upon.

**Required By Law**

The same meaning as the term “required by law” as defined in 45 CFR 164.501, to the extent not preempted by ERISA or other Federal law.

**Retail Clinic**

A clinic whose primary function is to provide limited routine medical services in a retail-based store location staffed with licensed professional providers.

**Retiree**

A former employee who retired from service of the employer and has met the Plan’s eligibility requirements to continue coverage under the Plan as a retiree.

**Room and Board**

Room and linen service, dietary service, including meals, special diets and nourishments, and general nursing service. Room and board does not include personal items.

**Semiprivate**

The daily room and board charge which a facility applies to the greatest number of beds in its semiprivate rooms containing two (2) or more beds.

**Serious and Complex Condition**

In the case of an acute illness, a condition that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm. In the case of a chronic illness or condition, a condition that:

1. Is life-threatening, degenerative, potentially disabling, or congenital; and
2. Requires specialized medical care over a prolonged period of time.

**Stability Period**

The period of time as determined by the employer and consistent with Federal law, regulation and guidance, after the measurement period has been completed.

**Stabilize**

To provide medical treatment of an emergency medical condition as necessary, to assure within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the covered person from a facility, including delivery with respect to a pregnant woman who is having contractions.

**Substance Use Disorder**

Any disease or condition that is classified as a substance use disorder in the current edition of the International Classification of Diseases, in effect at the time services are rendered. The fact that a disorder is listed in the International Classification of Diseases or any other publication does not mean that treatment of the disorder is covered by this Plan.
**Telemedicine Services**

Telephone or web-based video consultations and health information provided by a state licensed *physician*.

**Telemedicine Services Vendor**

The *telemedicine services vendor* is Teladoc.

**Total Disability or Totally Disabled**

The *employee* is prevented from engaging in his or her regular, customary occupation *due to illness or accident*, and is performing no work of any kind for compensation or profit; or a *dependent* is prevented from engaging in all of the normal activities of a person of like age and sex who is in good health *due to illness or accident*.

**Treatment Center**

1. An institution which does not qualify as a *hospital*, but which does provide a program of effective medical and therapeutic treatment for *substance use disorder*, and

2. Where coverage of such treatment is mandated by law, has been licensed and approved by the regulatory authority having responsibility for such licensing and approval under the law, or

3. Where coverage of such treatment is not mandated by law, meets all of the following requirements:
   a. It is established and operated in accordance with the applicable laws of the jurisdiction in which it is located.
   b. It provides a program of treatment approved by the *physician*.
   c. It has or maintains a written, specific, and detailed regimen requiring full-time residence and full-time participation by the *covered person*.
   d. It provides at least the following basic services:
      (i.) *Room and board*
      (ii.) Evaluation and diagnosis
      (iii.) Counseling
      (iv.) Referral and orientation to specialized community resources.

**Urgent Care**

An *emergency medical condition* or an onset of severe pain that cannot be managed without immediate treatment.

**Urgent Care Center**

A *facility* which is engaged primarily in providing minor emergency and episodic medical care and which has:

1. a board-certified *physician*, a Registered Nurse (RN) and a registered x-ray technician in attendance at all times;

2. has x-ray and laboratory equipment and life support systems.

An *urgent care center* may include a clinic located at, operated in conjunction with, or which is part of a regular *hospital*.

**Variable Hour Employee**

An *employee* as defined by Federal law, regulation and guidance.
APPENDIX A
PROGRAMS AND SERVICES

ONLINE PAYMENT MANAGER

Claim processor offers the Trustmark Health Benefits, Inc. Online Payment Manager service that enables eligible covered persons to pay their out-of-pocket obligations directly to providers.

POPULATION HEALTH MANAGEMENT

The Population Health Management Program is a multi-dimensional health and wellness solution that uses both lifestyle and chronic condition management tools in order to help a covered person age eighteen (18) and over achieve their health goals. This Plan makes the following program(s) available to covered persons:

1. The myHealthCenter platform gives covered persons access to online tools, such as a health assessment and digital coaching programs, health related resources and provides a covered person access to their personal health record.

2. Health Coaching provides outreach for the following chronic conditions in order to help a covered person manage their chronic conditions more effectively. Outreach includes engagement with nurses and health coaches.

   The Health Coaching program includes the following conditions:
   a. Chronic kidney disease
   b. Chronic obstructive pulmonary disease
   c. Congestive heart failure
   d. Coronary artery disease
   e. Diabetes
   f. High Blood Pressure

3. Member Communication and Outreach provides covered persons with wellness-related information to help manage their health conditions and health care, such as preventive service reminders. The Member Communication and Outreach program also identifies potential gaps in a covered person’s health care and sends communications to the covered person’s physician for their consideration.

4. The myRewards Fulfillment Rewards Center tracks a covered person’s participation in health related programs and rewards incentives earned. A covered person may find their current rewards level on the myHealthCenter web platform.

MESSAGING SERVICES

Salesforce.com, Inc. or any other third party to provide telephonic messaging, including text messaging, to covered persons who opt into the service. Such messaging includes, but is not limited to, information about services and benefits available under the Plan, reminders on preventive care, surveys, and educational information.

MATERNITY PROGRAM

“Special Delivery” is a voluntary program for expectant mothers offering prenatal information, pre-screening for pregnancy related risks and information or preparation for childbirth. This program is designed to identify potential high-risk mothers, as well as help ensure a safer pregnancy for both mother and baby.
Expectant mothers who decide to participate in the “Special Delivery” Program will have access to a twenty-four (24) hour toll-free “babyline” which is staffed by obstetrical nurses.

An expectant mother may participate in this program by calling the number shown on her identification card and asking for a “Special Delivery” nurse. If possible, she should call during the first three (3) months of her pregnancy in order to receive the full benefits of this program.

**LIVONGO DIABETES MANAGEMENT PROGRAM**

This *Plan* includes a diabetes management program for *covered persons* with Type 1 or Type 2 diabetes. The program is designed to assist a *covered person* with blood glucose control via a connected blood glucose meter, coaching and member support. There is no additional cost to the *covered person* to enroll and participate in this program. Once enrolled, a *covered person* receives a blood glucose meter, strips and lancets from Livongo and access to the member website, my.livongo.com, and may begin testing. A diabetes specialist has real-time access to a *covered person’s* readings and may contact a *covered person* concerning any acute out-of-range blood glucose readings. *Covered persons* may access their blood glucose readings, reorder strips, contact a coach or share their health report directly from their blood glucose meter. Alternatively, *covered persons* may also log into their account at my.livongo.com or on the Livongo mobile app, or contact Livongo member support at 1- (800) 945-4355.

A *covered person* may opt-out of the program at any time by accessing their account at my.livongo.com and selecting “Notifications” from the menu.
APPENDIX B
COVID

I. Notwithstanding any provisions in this Plan Document to the contrary, this Plan shall:

A. Provide coverage for an in vitro diagnostic test for the detection of SARS-CoV-2 or the diagnosis of the virus that causes COVID-19, and the administration of such a test, without imposing any cost sharing, including deductibles, copays and coinsurance. Such coverage will include items and services furnished during health care provider office visits (including in-person visits and telehealth visits), urgent care center visits, and emergency room visits that result in an order for a COVID-19 test but only to the extent, such items and services relate to:

1. the furnishing or administration of a COVID-19 test; or
2. the evaluation of a covered person for purposes of determining the need for such test.

B. Reimburse the services described in section A. based on a negotiated rate, if one was in effect before March 13, 2020. If a negotiated rate does not exist, this Plan shall reimburse the provider for the cash price for such service as listed on the provider’s public internet website. This Plan may negotiate a rate with the provider for less than the cash price.

Section I.A. Effective March 1, 2020 for as long as the Secretary of HHS declares the public health emergency.
Section I.B. Effective March 27, 2020 for as long as the Secretary of HHS declares the public health emergency.

In no event will any disregarded time frame described below exceed a period of one (1) year.
